Your Honor,

The parties met and conferred today on the current schedule. Integra will file its amendment to the current petition by no later than Friday. Integra intends to fully respond to the Attorney General's discovery requests by no later than next Tuesday. Thereafter, if the parties believe an extension to the schedule is necessary, they plan to meet and confer on reasonable and necessary extensions of the current schedule.

Thank You,

Your Honor,

The parties have a call to confer on these issues tomorrow morning and will hopefully file something thereafter.

I have been receiving your emails. I have numerous emails that will work but the main one is beng@bsjfirm.com.

Counsel,

Please confer regarding a revised Procedural Schedule in Docket No. 17-00014 and submit it to me by Friday, May 19th. Also, when will Integra submit a proposed Protective Order?

Also, Mr. Gastel will you please verify your email address? I have two different email addresses for you, and I want to make sure you've been receiving my emails since you did not respond to my email from last week.

Thank you,
