RE: Withdrawal of Petition for Certificate of Convenience and Necessity for Hardeman Springs  
Subdivision – Williamson County, Tennessee Docket No. 1700017

Dear Chairman Hilliard

Integra Water Tennessee, LLC request to withdrawal its petition for certificate of convenience and necessity for Hardeman Springs Subdivision in Williamson County, Tennessee. It has come to our attention that the Hardeman Springs Subdivision is in a service territory of Cartwright Creek. On July 12, 2005 thru Docket NO. 40-00358, Cartwright Creek was granted permission to amend its Certificate of Convenience and Necessity to expand its service area to include a planned growth area known as PGA 5 in Williamson County, Tennessee. The Hardeman Springs subdivision is located within PGA 5. Therefore, Integra Water Tennessee, LLC cannot serve this development and will need to withdrawal our petition for Hardeman Springs Subdivision.

Sincerely,

A handwritten signature in black ink that reads "Sean McMillan".

Sean McMillan, Vice President  
Integra Water Tennessee, LLC.
