Re: *Approval of the Amendment to the Interconnection Agreement Negotiated by AT&T
Tennessee and Electric Power Board of Chattanooga ("CLEC")*
Docket No. 17-00081

Dear Chairman Hilliard:

Enclosed for filing in the referenced docket is the original *Petition for Approval of the Amendment to the Interconnection Agreement Negotiated by AT&T Tennessee and CLEC*. As required, included with this filing is the \$50 filing fee made payable to the Tennessee Regulatory Authority.

In accordance with Section 252(e) of the Telecommunications Act of 1996, the TRA is charged with approving or rejecting the negotiated Amendment between AT&T Tennessee and CLEC within 90 days of its submission. The Act provides that the TRA may only reject such an amendment if it finds that the amendment or any portion of the amendment discriminates against a telecommunications carrier not a party to the amendment or the implementation of the amendment or any portion of the amendment is not consistent with the public interest, convenience and necessity. CLEC and AT&T Tennessee aver that the Amendment is consistent with the standards for approval.

This Amendment implements the changes resulting from the FCC USF/ICC Order.

AT&T Tennessee respectfully requests that the Authority approve the Amendment to the Agreement.

Sincerely yours,
