**MOTION FOR EXPEDITED PROCEEDINGS**

---

Comes Petitioner, Kingsport Power Company, d/b/a AEP Appalachian Power ("KPC"), and moves the Commission to expedite this Docket by establishing a tight schedule so as to permit this boundary dispute to be determined as soon as practical.

As grounds for the request, KPC would show unto the Commission that the Sullivan County School System wants to break ground on the new school around January, 2018. The determination of who has the right and obligation to provide electric service to the school site is the principal issue in this Docket. Preparation for said construction and work on the electric delivery system by the electric utility must run hand-in-hand with construction of the school. KPC and the school system do not want this dispute to delay the project.

PREMISES CONSIDERED, KPC requests the Docket be placed on an expedited schedule so the decision can be made by the Commission as soon as practical.

Respectfully submitted this the 23<sup>rd</sup> day of October, 2017
