Dear Chairman Jones:

The purpose of this letter is to inform you that the Consumer Advocate does not intend to rely on or include an argument in its Post-Hearing Brief, with respect to the two filings in the Dockets identified above, that the Stipulation and Settlement Agreement in TPUC Docket No. 14-00146, as incorporated into the Commission's Order in that Docket, must be amended by the parties to that agreement in connection with the changes proposed by Atmos in the two filings in the Dockets identified above. Thank you for your attention to this.

Sincerely,

A handwritten signature in blue ink that reads "Wayne Irvin".
