RE: Atmos Energy Corporation – 2017 Reconciliation Filing  
TRA Docket No. 17-00091

Dear Ms. Dillon:

Enclosed are Atmos Energy Corporation's Responses to the First and Second Discovery Requests of the Consumer Protection and Advocate Division.

Responses to the first set of discovery include two volumes marked Confidential, which are being submitted pursuant to the Protective Order in this matter, and which should not be posted to the TPUC's docket website.

In accordance with TPUC practice, I have enclosed an electronic copy of the entire filing in PDF format, along with an original and four hard copies.

I also enclose CDs containing live Excel versions of the spreadsheets for use by TRA staff.

Due to their size, the enclosures have been included only with the hand delivered copy of this letter.

Please feel free to contact me if you have any questions.

Best regards.
