RE: Atmos Energy Corporation – 2017 Reconciliation Filing
TRA Docket No. 17-00091

Dear Ms. Dillon:

Enclosed are Atmos Energy Corporation's Responses to the Fourth Discovery Requests of the Consumer Protection and Advocate Division.

These responses include a volume marked Confidential, which is being submitted pursuant to the Protective Order in this matter, and which should not be posted to the TPUC's docket website.

In accordance with TPUC practice, I have enclosed an electronic copy of the entire filing in PDF format, along with an original and four hard copies.

I also enclose a CD containing live Excel versions of the spreadsheets for use by TPUC staff.

Due to their size, the enclosures have been included only with the hand delivered copy of this letter.

Please feel free to contact me if you have any questions.
