Re: Granite Telecommunications Notification to Operate Under Market Regulation

Dear Mr. Foster:

Pursuant to TCA §65-5-101 as amended by the Market Regulation Act of 2009, Granite Telecommunications, LLC's ("Granite") hereby notifies the Tennessee Regulatory Authority of its election to be subject to market regulation. In light of Granite's election, the Company requests cancellation of its Tennessee retail competitive local exchange and interexchange tariff, Tennessee R.A. Tariff No. 3.

Granite provides services exclusively to enterprise subscribers under commercial service agreements, which set forth service rates, terms, and conditions. These service agreements and the ongoing relationship between Granite account managers and their subscriber accounts obviate the need to maintain retail tariffs as the basis for establishing rates, terms and conditions for Granite's competitive services where tariffs are no longer required.

Please acknowledge receipt of this filing by file-stamping and returning the additional copy of this transmittal in the self-addressed, stamped envelope provided for this purpose. Thank you for your attention to this matter. An original and four copies of this Notification are enclosed. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
