RE: Petition of Tennessee Wastewater Systems, Inc. For Approval of Financing Arrangement

Dear Chairman Jones,

Enclosed, please find the filing fee and an original and four (4) copies of Tennessee Wastewater's Petition for Approval of Financing Arrangement seeking the Commission's approval of a loan for the purchase of a new vehicle.

Please let me know if you have any questions.

Kind regards,

Jeff Risten General Counse

BEFORE THE TENNESSEE REGULATORY AUTHORITY

10 - 11112
DOCKET NO

PETITION OF TENNESSEE WASTEWATER SYSTEMS, INC. FOR APPROVAL OF FINANCING ARRANGEMENT

Tennessee Wastewater Systems, Inc. ("TWSI") petitions the Tennessee Regulatory Authority ("TRA") to approve the attached loan pursuant to T.C.A. § 65-4-109. TWSI has negotiated a loan with Wilson Bank and Trust for \$43,007.88 (Exhibit A) for the purchase of a truck (Exhibit B) necessary for system operators to perform their operational and maintenance duties.

The loan is necessary so that TWSI can continue to provide a high level of service to its customers and comply with state regulations. The terms and conditions of the financing arrangement is described in the attached loan documents. The loan has been obtained at reasonable terms, supports purchases that are not uncommon in the utility and wastewater industries, is similar to vehicle loans this Commission has previously approved for TWSI, and is in the public interest. TWSI hereby respectfully requests the Authority to approve the financing arrangement.

Respectfully Submitted,

Jeff Risden

851 AVIATION PKWY SMYRNA, TN 37167-0000

Lender: WILSON BANK & TRUST

Smyrna Office 210 Commerce Drive Smyrna, TN 37167

Principal Amount: \$43,007.88 Interest Rate: 5.000% Date of Note: October 18, 2017

PROMISE TO PAY. TENNESSEE WASTEWATER SYSTEMS INC ("Borrower") promises to pay to WILSON BANK & TRUST ("Lender"), or order, in lawful money of the United States of America, the principal amount of Forty-three Thousand Seven & 88/100 Dollars (\$43,007.88), together with interest on the unpaid principal balance from October 18, 2017, calculated as described in the "INTEREST CALCULATION METHOD" paragraph using an interest rate of 5.000% per annum, until paid in full. The interest rate may change under the terms and conditions of the "INTEREST AFTER DEFAULT" section.

PAYMENT. Borrower will pay this loan in full immediately upon Lender's demand. If no demand is made, Borrower will pay this loan in 47 payments of \$990.45 each payment and an irregular last payment estimated at \$990.25. Borrower's first payment is due November 18, 2017, and all subsequent payments are due on the same day of each month after that. Borrower's final payment will be due on October 18, 2021, and will be for all principal and all accrued interest not yet paid. Payments include principal and interest. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; and then to any late charges. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/365 simple interest basis; that is, by applying the ratio of the interest rate over the number of days in a year (366 during leap years), multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method.

PREPAYMENT. Borrower agrees that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. Except for the foregoing, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that Indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Wilson Bank & Trust, Attn: Loan Servicing, P.O. Box 768 Lebanon, TN 37088.

LATE CHARGE. If a payment is 15 days or more late, Borrower will be charged 5.000% of the regularly scheduled payment.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased to 18,000% per annum. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Change In Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insecurity. Lender in good faith believes itself insecure.

Cure Provisions. If any default, other than a default in payment, is curable and if Borrower has not been given a notice of a breach of the same provision of this Note within the preceding twelve (12) months, it may be cured if Borrower, after Lender sends written notice to Borrower demanding cure of such default: (1) cures the default within thirty (30) days; or (2) if the cure requires more than thirty (30) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees, expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of

PROMISSORY NO. (Continued)

the State of Tennessee without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Tennessee.

CHOICE OF VENUE. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of WILSON County, State of Tennessee.

DISHONORED ITEM FEE. Borrower will pay a fee to Lender of \$25.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts.

COLLATERAL Borrower acknowledges this Note is secured by 2017 CHEVROLET SILVERADO 2500 CK25953 DOUBLE CAB 4W VIN #1GB2KUEG5HZ319504.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

USURY SAVINGS CLAUSE. It is the intention of Lender and Borrower to comply strictly with all applicable usury laws; and, accordingly, in no event and upon no contingency shall Lender ever be entitled to charge, receive, collect, or apply as interest any interest, fees, charges, or other payments equivalent to interest, in excess of the maximum rate which the Lender may lawfully charge under applicable state and federal statutes and laws from time to time in effect; and, in the event that Lender ever receives, collects, or applies as interest, any such excess, such amount which, but for this provision, would be excessive interest shall be applied to the reduction of the unpaid principal amount of the Note; and, if said principal amount and all lawful interest thereon is paid in full, any remaining excess shall be refunded to Borrower. All interest paid or agreed to be paid shall, to the maximum extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of the loan, including any renewals, until payment in full of the principal. Any provision hereof, or of any other agreement between Lender and Borrower, that operates to bind, obligate, or compe! Borrower to pay interest in excess of such maximum lawful contract rate shall be construed to require the payment of the maximum rate only. The provisions of this paragraph shall be given precedence over any other provision contained herein or in any other agreement between Lender and Borrower that is in conflict with the provisions of this paragraph.

GENERAL PROVISIONS. This Note is payable on demand. The inclusion of specific default provisions or rights of Lender shall not preclude Lender's right to declare payment of this Note on its demand. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several.

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE. BORROWER AGREES TO THE TERMS OF THE NOTE.

BORROWER ACKNOWLEDGES RECEIPT OF A COMPLETED COPY OF THIS PROMISSORY NOTE.

BEFORE THE TENNESSEE REGULATORY AUTHORITY

IN R	RE:)						
PET	TITION OF TENNESSEE) DOCKET NO.						
	ASTEWATER SYSTEMS, INC.,)						
FOR	FOR APPROVAL OF LOANS)							
	DIRECT TESTIMO	ONY OF CHARLES HYATT						
Q:	What is your name and occupation?							
A:	I am Charles Hyatt, president of Tenness	see Wastewater Systems, Inc. ("TWSI").						
Q:	What is the purpose of your testimony?							
A:	The purpose of my testimony is to expla	ain the purpose and necessity of the loan that is the subject						
of thi	this petition.							
Q:	Are you familiar with the petition that ha	as been filed in this matter?						
A:	Yes.							
0.	Would you summarize the petition?							
Q:	-							
A:	TWSI asks the Authority to approve a lo	oan in the amount of \$43,007.88 from Wilson Bank and						
	Trust. The loan is for the purchase of a t	truck for Tennessee Wastewater Systems, Inc.						
Q:	Why is the truck necessary?							

- A: The truck is replacing an older one in our fleet which is currently used by facility operators. The truck is used for transportation to and from the facilities, maintenance calls, and line locates. The truck is used every day in the ordinary course of our business and is considered by us to be reasonable business expenditure.
- Q: What kind of security is being used for this loan?
- A: The truck is the collateral. There are no personal guarantees from any of the owners of TWSI or affiliates.
- Q: What impact will this loan have on customer rates?
- A: In the short term, there will be no impact on customer rates. In this petition we are not asking the Authority for an increase in rates, just the approval of the financing arrangement. We do anticipate re-filing for a rate increase at some point in the future, at which time all the utility's expenses will be considered as we seek to determine a fair and reasonable rate structure.
- Q: How does this financing arrangement address any public interest concerns?
- A: The financing arrangement is consistent with the public interest and will not impair the ability of TWSI to perform services to the customer. The public interest does not include just the rate the customers are asked to pay. The public also has an interest in the proper operation, management, and maintenance of their wastewater systems by the utility. This loan allows TWSI to continue to provide the highest level of service to its customers and remain responsive to their needs.
- Q: Does this complete your testimony?
- A: Yes
