Re: Petition of Superior Water Service
Docket No. 17-00120

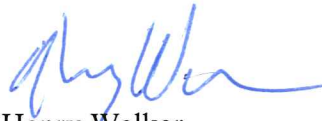

Dear Monica:

Mr. Don Baltimore requested yesterday that the above-captioned application for a certificate of convenience and necessity be suspended indefinitely.

Since the applicant does not intend to pursue this matter, the proper course of action would be to withdraw the application. Although the burden is slight, it is nevertheless unfair to the agency and the other parties to keep this case open for an indefinite period. Therefore, Nolensville/College Grove Utility District respectfully asks that the Hearing Officer dismiss the application without prejudice to its being filed again in the future should the applicant decide to do so.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
