PETITION TO INTERVENE

Herbert H. Slatery III, Attorney General and Reporter for the State of Tennessee, by and through the Consumer Protection and Advocate Division of the Office of the Attorney General (Consumer Advocate), pursuant to Tenn. Code Ann. § 65-4-118, respectfully petitions the Tennessee Public Utility Commission (TPUC or Commission) to grant the Consumer Advocate's intervention into this proceeding because consumers' interests, rights, duties or privileges may be determined or affected by the Petition of Tennessee-American Water Company Regarding the 2018 Investment and Related Expenses Under the Qualified Infrastructure Investment Program Rider, the Economic Development Investment Rider, and the Safety and Environmental Compliance Rider (Petition) filed by Tennessee American Water Company (TAWC) on November 7, 2017. For cause, Petitioner would show as follows:

1. The Consumer Advocate is authorized by Tenn. Code Ann. § 65-4-118 to represent the interests of Tennessee consumers of public utility services by initiating and intervening as a party in any matter or proceeding before the Commission in accordance with the Uniform Administrative Procedures Act, Tenn. Code Ann. § 4-5-101 *et seq.*, and Commission rules.

2. TAWC is a public utility regulated by the Commission. It provides water utility services to approximately 78,000 consumers located in Chattanooga, Tennessee, and surrounding areas.¹

3. TAWC's Petition is a follow-up to a set of tariffs originally approved by TPUC on April 14, 2014, in Docket No. 13-00130. The Consumer Advocate intervened in that docket and, after extensive negotiation and discovery, entered into a stipulation with TAWC on January 10, 2014, which formed part of the basis of the approval of certain tariffs by TPUC. These tariffs -- including the Qualified Infrastructure Improvement Program Rider (QIIP), the Economic Development Investment Rider (EDI), and the Safety and Environmental Compliance Rider (SEC) (collectively, the QIIP, EDI, and SEC are referred to herein as the Capital Riders) -- were approved under the "alternative ratemaking" statute, Tenn. Code Ann. § 65-5-103 *et seq.*²

4. Subsequent to the approval of the Capital Riders in Docket No. 13-00130, the Company filed TPUC Docket Nos. 14-00121, 15-00029, 15-00111, 16-00022, 16-00126, and 17-00020, which sought to recover and then to reconcile, respectively, expenses under the Capital Riders.³ The Commission approved revised tariffs pursuant to those filings.

5. Under the tariffs approved in Docket No. 13-00130, the Company is required to file with TPUC on or before December 1 of each year projections for each of the Capital Riders for the upcoming calendar year in the manner set forth in those tariffs. This Petition is TAWC's required "on or before December 1 filing" for the Capital Riders for 2018 and details the expenses TAWC will be seeking to recover starting January 1, 2017.

6. The interests of consumers, including without limitation the proposed increase in rates to be paid by TAWC's consumers under the Petition, may be affected by determinations and

orders made by the Commission with respect to (i) the interpretation, application, and implementation of Tenn. Code Ann. § 65-5-103(a), Tenn. Code Ann. § 65-5-103(d), and other relevant statutory and regulatory provisions, and (ii) the review and analysis of the documentation, financial spreadsheets, and materials provided by TAWC.

7. Only by participating as a party to this proceeding can the Consumer Advocate adequately carry out its statutory duty to represent the interests of Tennessee consumers.

Wherefore, the Consumer Advocate requests the Commission to grant this Petition to Intervene.

RESPECTFULLY SUBMITTED,
