Re: North Central Communications Notice of Intent to Operate Pursuant to Market
Regulation

Dear Chairman Jones:

On behalf of my client, North Central Communications ("NCC"), I am filing this letter to notify the Tennessee Public Utility Commission ("Commission") of the intent of NCC to operate pursuant to market regulation, in accordance with T.C.A. Section 65-5-109.

NCC was granted authority to provide competing local exchange and interexchange telecommunications services pursuant to Order issued November 23, 2010 in Docket No. 10-00139.

NCC understands that it remains subject to, and will comply with, the jurisdictional requirements as set forth in T.C.A. Section 65-5-109 as applicable, including payment of inspection fees, contribution to funds administered by the Commission, and filing of annual Small Minority Owned Business Plan updates.
