Re: Administrative Closure of Docket No. 17-00131

On November 17, 2017, Securus Technologies, Inc. (Securus) filed a *Notification* indicating that it was involved in a transaction whereby it underwent an indirect transfer of control. Securus elected market regulation in Docket No. 09-00089 on June 18, 2009. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction described in the *Notification* is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the *Notification* does not require approval. Given that no approval of the transaction described in *Notification* is required, this docket should be closed.
