RE: Petition of Tennessee-American Water Company Regarding The Production Costs and Other Pass-Throughs Rider, TPUC Docket No. 18-00009

Dear Chairman Jones:

Since the submission of Tennessee-American Water Company's ("TAWC") Petition in the above-referenced matter on January 17, 2018, TAWC and the Consumer Protection and Advocate Division of the Office of the Tennessee Attorney General ("CPAD") have been involved in cooperative discussions and have exchanged various information related to the Petition. With the recent submission of both the CPAD's Testimony of Alex Bradley and TAWC's Rebuttal Testimony of Linda Bridwell, the parties hereby jointly represent that there are no outstanding procedural matters requiring resolution by the Hearing Officer. Moreover, after considering the entire record, including TAWC's responses to discovery, and consistent with the streamlined approach contemplated in the alternative method riders approved in TPUC Docket No. 13-00130, it is the joint position of the parties that this matter is ripe for consideration on the merits by the Tennessee Public Utility Commission. At this time, there remain no outstanding disputes between the parties with respect to this Docket, as clarified by and through discovery, the parties' communications and pre-filed testimony. As reflected in the Pre-filed Testimony of Mr. Bradley and the Pre-filed Rebuttal Testimony of Mrs. Bridwell, there are no contested issues between the parties on the merits of the Petition, and it is the position of the parties that this matter should be resolved in favor of the positions set forth in TAWC's Petition, consistent with the pre-filed testimony of the parties. Consistent with agency practice, the parties hereby jointly request that the entire official record in this docket, including discovery, be made a part of the evidentiary record.

With the foregoing in mind, unless otherwise requested by the Commission, the parties hereby waive both opening statements and the live presentation of testimony, including summaries of pre-filed testimony. TAWC Witness Bridwell and CPAD Witness Bradley are available for the Hearing tentatively set for May 14, 2018. Further, other than follow-up and/or clarifying questions in response to questions of any witness by a TPUC Commissioner or TPUC
