Re: Chattanooga Gas Company
TPUC Docket No. 18-00017

Dear Chairman Jones:

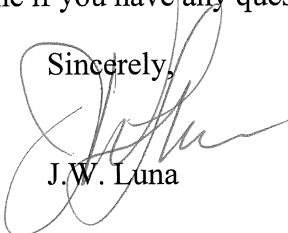

Yesterday, Chattanooga Gas Company's ("CGC") filed the majority of the Responses to the first round of discovery submitted by the Consumer Advocate.

As we communicated by e-mail yesterday to the Hearing Officer and counsel of record, CGC encountered difficulties in finalizing all responses to the over 300 questions propounded. Today, CGC is filing responses to the remaining discovery requests from CPAD, with the exception of Responses to CPAD Request No. 1-80 that will be provided by the end of the week. This filing consists of 5 CDs with publicly filed information and 5 CDs marked confidential and filed pursuant to the Protective Order. These CDs are being filed subject to the same General and Specific Objections filed yesterday and incorporated herein by reference.

For clarification purposes, please note that yesterday's filing of the public responses were contained in a set of 2 CDs rather than a single CD due to size. Also, please note that additional confidential information pertaining to DR-1-133 is contained in today's confidential filing.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

J.W. Luna
