Re: Chattanooga Gas Company
TPUC Docket No. 18-00017

Dear Chairman Jones:

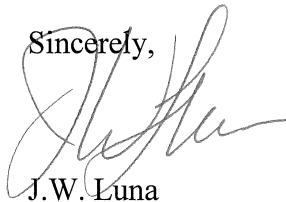

Chattanooga Gas Company ("CGC") is filing today its response to TPUC's Request presented by David Foster on May 16, 2018.

Consistent with our prior discovery responses, the file size of the documents, and the Hearing Officer's directive regarding Excel spreadsheet, CGC's response to this data request consisting of 3 Excel files and 1 PDF are being provided electronically on 5 CDs. These four files were provided electronically last night to David Foster and CPAD, but these CDs contain updated versions that reflect clerical errors identified this morning.

CGC is preparing a document that we expect to provide next week that will trace all of the specific changes made in the Excel spreadsheets since the originally filed versions of MFGs 25, 69, and 72.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

J.W. Luna
