**PETITION OF THE CHATTANOOGA REGIONAL MANUFACTURERS
ASSOCIATION FOR LEAVE TO INTERVENE**

The Chattanooga Regional Manufacturers Association (hereinafter "CRMA), by and through its counsel, pursuant to T.C.A. § 4-5-310(a) respectfully petitions to intervene as a matter of right in this docket. In support of its petition, CMRA states as follows:

1. The Chattanooga Regional Manufacturers Association (formerly named the Chattanooga Manufacturers Association) is a one-hundred year old trade association representing over 250 manufacturers and other businesses supporting, servicing and associated with the manufacturing sector, many of whom are customers of Chattanooga Gas Company (the "Company"). CRMA has a legal interest in the outcome of this docket, and desires to intervene in order to fully protect the interests of its members.

2. The Authority previously has granted CRMA intervention status in Company cases including, but not limited to, the Company's 2004, 2006, and 2009 rate proceedings.

3. In the present docket, the Company seeks approval by the Authority to adjust certain rates and charges, including increases or changes that may adversely affect CRMA ratepayers.

4. Granting this Petition will not impair the orderly and prompt conduct of this proceeding.

5. Counsel for the Company and counsel for the Consumer Advocate Division of the Office of Attorney General have stated that they do no object to CRMA's request to intervene.

6. If this Petition to Intervene is granted, CRMA asks that a complete copy of the Company's Petition and all notices, correspondence and copies of orders and other materials be served upon CRMA's attorney:
