RE: Atmos Energy Corporation – TPUC Docket No. 18-00034

Dear Ms. Dillon:

Enclosed are the original and four copies of a Notice of Filing Atmos Energy's Responses to the discovery requests from CPAD from Docket No. 18-00067, 2018 Annual Rate Review Filing.

The discovery responses are enclosed on two thumb drives. One drive contains PDF copies of the responses and the Notice of Filing for uploading to the docket website. The other drive is for Staff use only and contains working Excel spreadsheets and any confidential portion of the responses.

We have not provided hard copies of the discovery responses with this filing as they were previously filed in Docket No. 18-00067. If you want us to send five more copies of these discovery responses (in addition to the original and four that were submitted in Docket No. 18-00067), please let me know. I anticipate that the copies would fill several banker's boxes.

Best regards.

Sincerely,

A. Scott Ross

REQUEST:

Provide a copy of each Atmos-TN capital budget for each fiscal period ending in calendar (or fiscal) years 2018 through 2020. To the extent there is not a Tennessee-specific capital budget for each such period, provide any document supporting Atmos' expected or anticipated capital spending in Tennessee for any such period for which there is not an Atmos-TN capital budget. Further, to the extent Atmos' board of directors has approved any requested Atmos-TN capital budget, provide a copy of the approving resolution or similar document along with all documents supporting such resolution or similar document.

RESPONSE:

Please see Attachment 1 for the detailed Tennessee capital budget for FY2018. Please see Attachment 2 and Attachment 3 for Board of Directors resolutions approving capex levels for FY2018 and FY2019 respectively. The Company's current five year plan includes $66.4 million of capex for Tennessee in FY2020. Detailed budgets similar to the FY2018 budget included in Attachment 1 are prepared annually during the course of the Company's normal budgeting cycle which runs from May through September of each year.
