Re: Docket 18-00037 - Petition of Tennessee Wastewater Systems, Inc. for Approval of a Special Contract

Dear Chairman Morrison:

Tennessee Wastewater Systems, Inc. requests to withdraw its *Petition of Tennessee Wastewater Systems, Inc. for Approval of a Special Contract*. The developer has informed us that their plans for the property have changed and that the project is no longer viable. As a result, it is no longer necessary for this contract to be approved.

Please let me know if you have any questions about this withdraw or if I can be of any further assistance.

Kind regards,

Jeff Riden  
Vice President and General Counsel  
Tennessee Wastewater Systems, Inc.
