ORDER GRANTING MOTION AND AMENDING PROTECTIVE ORDER

This matter is before the Hearing Officer of the Tennessee Public Utility Commission (“Commission” or “TPUC”) for consideration of the *Motion for Protective Order* (“*Motion*”) filed by East Tennessee Energy Consumers (“ETEC”) on October 3, 2018, seeking the entry of a Protective Order. A Protective Order was issued by the Hearing Officer in the docket prior to ETEC being granted intervention in the docket. ETEC states that in order to participate fully it should have access to the “protections and privileges afforded to the other parties by the Commission’s Protective Order.” The Hearing Officer finds that ETEC’s *Motion* is well taken and should be granted.

IT IS THEREFORE ORDERED THAT:

1. The *Motion for Protective Order* filed by East Tennessee Energy Consumers on October 3, 2018, is granted.
2. The Protective Order issued on August 28, 2018, is amended to include East Tennessee Energy Consumers as a party to the Protective Order.

3. East Tennessee Energy Consumers will be permitted to designate Confidential Information and access Confidential Information designated as confidential by other parties subject to the terms of the Protective Order.
