Dear Mr. Norton,

Integrated Resource Management, Inc. d/b/a IRM Utility has been contracted to service the resort mentioned above for wastewater services. This is the same service we have provided for 12 other sites in Sevier, Blount, Roane, Union, Knox, Campbell, and Decatur Counties. We also built the wastewater plant for the Mount Horeb Elementary School.

IRM Utility is requesting the standard letter from your office indicating that sewer is not available and that The City of Dandridge has no plans of providing sewer to this area during the next twelve months.

Attached is a copy of the Location Map for your convenience. It would be great if you could fax the letter to 865-674-2352 or send it back by e-mail if you could. I can pick it up at your office.

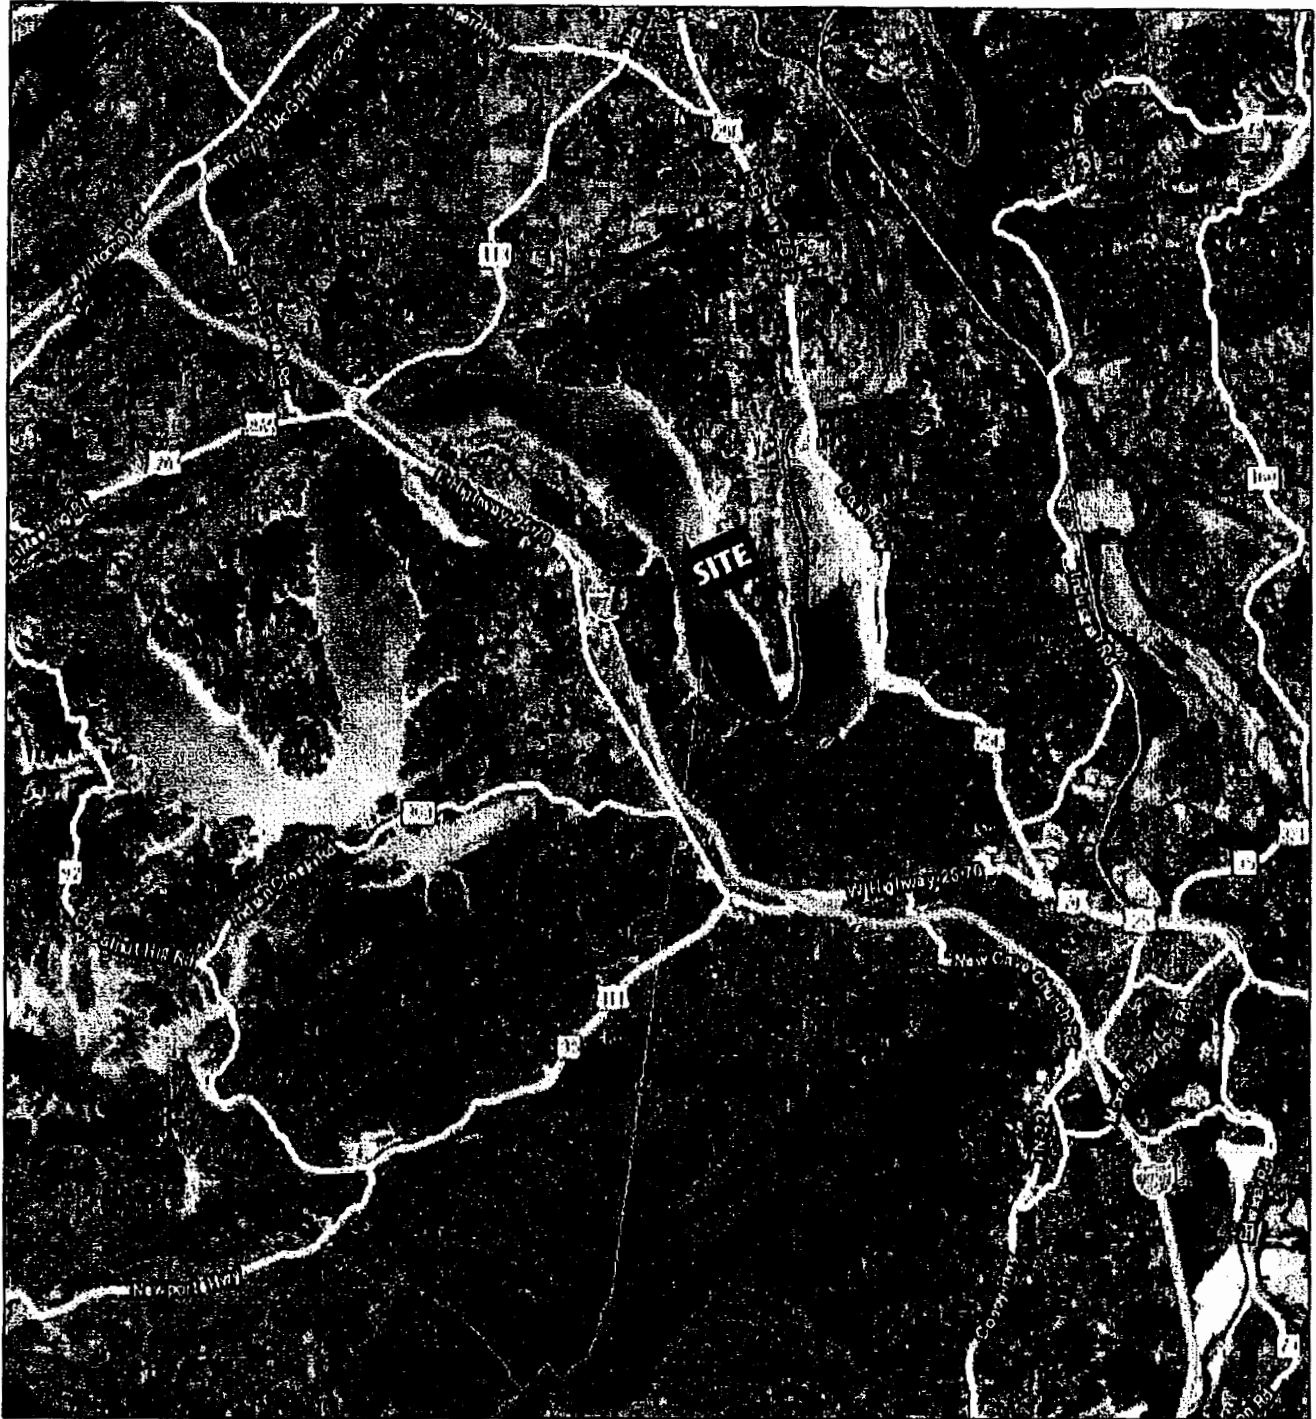

Thank you very much.

Sincerely,

Jeffrey W. Cox, Sr.
