Mr. Hutton,

Shall HolstonConnect, LLC direct the written notice to your attention, and or other(s)?

Would the TPUC also require a mailed signed copy, and is an email message also acceptable?

Thank you,

Steve Pittman

Mr. Pittman,

Thank you for the quick response, although in Holston's situation I wouldn't think there is any urgency. The Certificate termination process is covered in TCA 7-59-305(h).

It appears to be a straight-forward process, but if you wish to discuss please contact me.

Thanks very much,

John

Mr. Hutton,

HolstonConnect, LLC has verified we will not plan to keep the State-Issued Certificate.

What steps are required for HolstonConnect, LLC to complete and terminate our Certificate of Franchise Authority?

We plan to stop offering our streaming video services to customers in April this year.

Thank you,

Steve Pittman

Mr. Pittman,

Thank you for notifying the Tennessee Public Utility Commission (TPUC) regarding Holston Connects' proposed service changes.

We assume that the release of Public Chapter 60 brought this on, however, does Holston plan on keeping its State-Issued Certificate of Franchise Authority or terminating the certificate?

It is the Commission's intent to assist you in any way we can.

If you wish to discuss further, you may contact me via email or by phone.

John Hutton
