Re: Administrative Closure of Docket No. 18-00106

On October 15, 2018, BCM One, Inc. ("BCM") filed a *Notification* indicating that it plans to engage in a transaction whereby it would experience an indirect transfer of control. BCM elected market regulation in Docket No. 18-00113 on October 31, 2018. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction described in the *Notification* is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the *Notification* does not require approval. Given that no approval of the transaction described in *Notification* is required, this docket should be closed.
