RE: *Petition of Tennessee-American Water Company Regarding the 2019 Investment and Related Expenses Under the Qualified Infrastructure Investment Program Rider, the Economic Development Investment Rider and the Safety and Environmental Compliance Rider, TPUC Docket No. 18-00120*

Dear Chairman Morrison:

During its August 12, 2019, deliberations in the above-captioned matter, the Commission resolved that a generic docket be opened to provide an opportunity to more fully consider certain issues raised by the Consumer Advocate, and other potential issues, relative to Tennessee-American Water Company's Capital Recovery Rider tariffs. Based upon the deliberations, Tennessee-American and the Consumer Advocate have commenced good faith, cooperative discussions concerning such issues. In its November 8, 2019, *Order Approving Petition as Amended* in the above-captioned matter, the Commission, consistent with its August 12, 2019, deliberations, directed that a generic docket be opened relative to Tennessee-American Water Company's Capital Recovery Rider tariffs. As a result of the foregoing, including the cooperative discussions between Tennessee-American and the Consumer Advocate, TAWC and the Consumer Advocate jointly request that the Tennessee Public Utility Commission open the docket pursuant to the *Order Approving Petition as Amended*.

As required, an original of this filing, along with four hard copies, will follow.

Hon. Robin L. Morrison, Chairman
