Tenn. Code Ann. § 65-5-103(a) permits the Commission, pending a hearing and determination, to suspend any rate increase, change, or alteration for an initial period not to

exceed three months from the proposed effective date of such increase, change, or alteration.¹

The Hearing Officer initially suspended the tariff through March 11, 2019 and re-suspended it through May 20, 2019; however, because the Commission's investigation, hearing, and final determination on the Company's proposed tariff cannot be completed by that date, the Hearing Officer hereby re-suspends the effectiveness of the tariff through July 15, 2019.

IT IS THEREFORE ORDERED THAT:

The effective date of the proposed Thirteenth Revised Sheet No. 12-Riders-1 filed by Tennessee-American Water Company on November 16, 2018, is hereby re-suspended through July 15, 2019, or until further order of the Tennessee Public Utility Commission, whichever occurs sooner.
