Subject: Docket 18-00122

The developer of the Flat Creek Subdivision has informed me of their intent to sell the development. If the sale of the development does not go through, the developer will go ahead and complete the project. I would like to put the processing of the CCN approval on hold for this development. I do not wish to withdraw, only to put the approval on hold as we intend to move forward.

We will make any necessary changes and proceed with the CCN approval as soon as we know for sure who will be the developer.

Yours truly,
