Ms. Reeves,

Thanks I will watch for that to arrive. Contingent on the bond being approved by our legal department, there is availability for a hearing the first 2 weeks of April. It may or may not be convenient for both your clients (Time Clock 18-00123 and Light Source 18-00124) to have a hearing on the same day since they have the same local attorney, Mr. Baltimore. You can discuss with your clients and their local counsel and let me know as soon as possible. Also, keep in mind there is a 10-day notice requirement to consider when choosing a hearing date. Let me know if I can do anything to assist.

Ms. Reeves,

The revised bond for Time Clock Solutions has been received and approved. I still have not received a bond from Light Source Communications (Docket No. 18-00124). The Hearing Officer has availability during the first 2 weeks in April if you would like to check with your client, Time Clock, and get them scheduled for a hearing. And if you can please let us know what is going on with the bond for Light Source, it would be appreciated.

Thanks,

They are, I sent them the correct bond form a couple weeks ago and followed up with them this week. If I still don't have anything by the 26th/27th I will follow up again.

Thank you so much for the follow up, Lisa.

Mr. Steinhart,

We received the original bond for your client, Light Source, LLC. However, the bond is on our old form, which references the Tennessee Regulatory Authority rather than our new agency name, the Tennessee Public Utility Commission. I have attached our new form for your convenience. This form can also be found on our website at www.tn.gov/tpuc under Forms. Please let me know if I can assist you further.
