Re: Notice of Name Change Pursuant to TRA Rule 1220-4-1-.08

Dear Chairman Jones:

I am writing to provide notice to the Tennessee Public Utilities Commission ("TPUC" or "the Commission"), that pursuant to the requirements of TRA Rule 1220-4-1-.08 King's Chapel Capacity ("KCC" or "the Company") intends to change its name to Superior Wastewater Systems. This name change will be undertaken beginning in March 2019.

On January 3, 2006, the Commission issued an Order in Docket 04-00335, approving the Petition of KCC for a Certificate of Convenience and Necessity to provide wastewater service in a portion of Williamson County. Since that date, the Company has been providing wastewater service under the name of "King's Chapel Capacity". KCC now believes that its new name better reflects the nature and business of providing wastewater service for its customers.

In compliance with TRA Rule 1220-4-1-.08(2), KCC has attached a copy of the Charter of Superior Wastewater Systems, LLC. on file with the Tennessee Secretary of State's office as required by T.C.A. § 48-14-103. Also attached is a copy of the notice regarding the name change that KCC intends to provide to its customers as an insert with their March billing statements.

Thank you for your attention to this matter. Please contact me if you have any questions.

Sincerely,

John Powell
