Ms. Burgos,

We received the original bond today. However, the signature of Faraz Mobeen, CEO, is not acknowledged and notarized on page 2. You will see the section at the top of page 2 "Acknowledgment of Principal" that should have been completed. Notice on page 2, under "Acknowledgement of Surety," Sarabeth Scott with the surety company had her signature acknowledged and notarized. This should have been done at the top of the page for Mr. Mobeen's signature.

Would you like me to mail this original bond back to RTC Associates, or directly to Mr. Mobeen at City Communications? Please advise.

Thanks,
Lisa Foust
