**Re: TPUC Docket No. 19-00028 - *Petition of Tennessee Water Service, Inc. for Adjustment of Rates and Charges and Modification To Certain Terms and Conditions for the Provision of Water Service***

Dear TPUC Staff:

On September 13, 2019, the Hearing Officer of the Tennessee Public Utility Commission published an Order on Status Conference and Establishing Procedural Schedule for Supplement Hearing. As a part of this Order, Tennessee Water Service was required to "track and file all of its expenses related to the September 10, 2019 Supplemental Filing. This includes all work related to the Supplemental Filing through the Supplemental Hearing." See Order, p. 5. The Order also required that these expenses be submitted within three days after the Supplemental Hearing.

Pursuant to this Order, Tennessee Water Service has tracked the expenses from the filing of the Supplemental Filing to the Supplemental Hearing. These expenses are attached below. Please let us know if anything further is required.

Sincerely,

  
Ryan Freeman
