Description of Complaint: Docket 19-00028 |||We have received a letter for proposed rate increase for 3 years phase in. We do not feel that this rate increase is justifiable because of the hardships that it will cause residents and business alike. We feel this is increase is unethical to cover costs that were previously covered in a rate increase on February 2018 listed as the same reason. People who are rebuilding are targeted for the costs at already higher rebuild costs. DO NOT ALLOW THIS INCREASE TO HAPPEN!
