Company That Complaint Is Against: Tennessee Water Service

Type of Service (Internet, Cable, Phone, etc): Water

Have you contacted the utility regarding your complaint?: No

Description of Complaint: in regards to the Petition for Rate increase which would make my water bill cost prohibitive. I worked very hard to build my home back and did not ask Tennessee Water to fund my construction? Why am I being asked to fund their recovery effort? All of us had to rely on our own savings insurance and scrape to get our homes put back. The Docket number if needed is 19-00028. Families are still struggling. The best way for us to give back and help the community recover is to build not pay more.
