Company That Complaint Is Against: TN Water

Type of Service (Internet, Cable, Phone, etc): Water

Have you contacted the utility regarding your complaint?: No

Description of Complaint: TN water is again trying to bring undue large increases in water service for their profit. Just because they did not insure and properly prepare for our Wildfire of Nov 2016 they want us to cover their cost. This has been devastating to many of us and why should a for profit company charge us for their lack of preparation. Please do NOT give them this increase. Let them sell to the City of Gatlinburg or the county of Sevier and get out. This is disgusting. Docket number is 19-00028|Thanks Guy
