Re: Docket No. 19-00043, *Petition of King's Chapel Capacity, LLC to Amend Service Territory to Include the Hill Parcel and Roberts Parcel for the King's Chapel Development in Williamson County*

Dear Chairman Morrison:

Attached for filing please find Superior Wastewater Systems' (formerly King's Chapel Capacity, LLC) Response to the First Discovery Request of the Consumer Advocate.

As discussed in the Response, Superior Wastewater Systems is attempting to locate an executed copy of the bond and a complete copy of the insurance policy. Both items will be provided to the Commission early next week. As required, an original of this filing, along with four (4) hard copies, will follow.

Please contact me if you have any questions concerning this filing, or require additional information.

Sincerely,

FARRIS BOBANGO PLC
