In Re: Tariff filing of B&W Pipeline, LLC
Docket No. 15-00042 & 19-00084

David
Dear Mr. Foster:

Please accept the attached tariff filing for B&W Pipeline. As directed by the Commission on October 14, 2019, the tariff eliminates the flat and usage charges established in Docket 15-00042 and substitutes a volumetric rate of \$1.23248 per Mcf applicable to gas that is transported via B&W's facilities and consumed in Tennessee. The tariff is effective October 14, 2019 as ordered by the Commission.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP

RATE SCHEDULE T-1
Transportation Service

AVAILABILITY

Transportation Service shall be subject to the following terms:

1. Service under this tariff will be determined based upon capacity availability as assessed by B&W Pipeline (Company). This capacity assessment may result in the decision to not service additional customers when their potential capacity demand may, at the Company's judgment, adversely affect the Company's ability to provide service to its existing customers.
2. Customer must be on or adjacent to the Company's existing mains and the mains shall, in the Company's judgment, be adequate to service the Customer's requirements without impairing service to other customers.
3. To ensure measurement integrity, each delivery point will constitute an indivisible measurement reading attributable to a single customer.

RATE

Volumetric Charge	\$1.23248 per Mcf
-------------------	-------------------

PAYMENT TERMS

All bills for service are due upon presentation. The stated amount shown on the bill shall apply if payment is received on or before the date as specified on the bill. Payments received after that date shall include a late payment penalty of five percent (5%) per month.
