NOTICE OF ADMINISTRATIVE CLOSURE

Docket No.: 19-00086

RE: *Rulemaking to Promulgate Public Comment Rules*

Date: March 5, 2021

On September 9, 2021, the Commission opened this docket to consider rules for encouraging public participation in Commission proceedings and for receiving public comment during public meetings and hearings. Since that time, in order to foster transparency, clarify procedure, and encourage public involvement in Commission proceedings, the Commission has 1) developed an online public comment form to facilitate a convenient method for the filing of public comments (see, <https://www.tn.gov/tpuc/agency/public-participation-/tpuc-online-public-comment-form.html>), and 2) issued a *Notice of Public Comment in Commission Proceedings* (see, <https://www.tn.gov/content/dam/tn/publicutility/documents/publicinvolvement/NoticeAdminProcPublicInvolvementCommissionProceedings.pdf>), which sets forth the various ways in which a member of the public may provide input to the Commission. As these actions have resolved the purpose of the docket and obviated the need for formal rules at this time, the docket is hereby administratively closed.

FOR THE TENNESSEE PUBLIC UTILITY COMMISSION:
