I'm not sure where they are getting the old form. Our new bond form has been on our website for at least 4 years or more. Let me know if they want this one sent back, and what address to send it to.

Thanks,

Thank you Lisa. We will get a new bond back to you. I think this has happened before. Where does everyone get the old form. Take care. CW

Good Morning Mr. Welch,

I received the certificate of existence and the bond for Hudson Fiber. They used our old form that says Tennessee Regulatory Authority on it instead of Tennessee Public Utility Commission. Also, the person who signed page 1 did not print their name and title below signature. So when they get a bond on the correct form, make sure to remind them to print the name and title below the signature on page 1. I've attached our current form for you. If they need this bond on the old form back, where should I send it and to whose attention?

Thanks,

Lisa Foust
