NOTICE OF FILING

IN RE: **AT&T TENNESSEE COMPLAINT AGAINST**
 CELLULAR SOUTH, INC. D/B/A C SPIRE

DOCKET NO.: **19-00099**

DATE: **April 9, 2021**

In the *Order Suspending Amended Procedural Schedule* issued by the Hearing Officer in the above-captioned matter on November 2, 2020, the Hearing Officer suspended the procedural schedule based on the parties' desire to postpone a hearing until an in-person hearing could be held. Due to the complexity of the subject matter, the parties expressed that the issues would be better presented during an in-person hearing, rather than during a hearing held virtually. Governor Lee's Executive Order 78 extended the suspension of the requirement of a physical quorum of Commissioners through April 28, 2021.

Please file an update on the status of this docket **by April 16, 2021**, including whether the parties want to continue to postpone the hearing in the matter until an in-person hearing can be held.
