

**BEFORE THE TENNESSEE PUBLIC UTILITY COMMISSION
NASHVILLE, TENNESSEE**

RE:

Docket No. 19-00099

**AT&T Tennessee Complaint Against
Cellular South, Inc. d/b/a C Spire**

STATUS REPORT

BellSouth Telecommunications, LLC d/b/a AT&T Tennessee (“AT&T”), pursuant to the Commission’s April 9, 2021 Notice of Filing, hereby submits the following Status Report.

Discovery has been completed and all dispositive motions have been argued and ruled upon. At this point, we are waiting for the Commission to resume in-person hearings. Due to the complex nature of the issues presented in this case and the expected testimony from the witnesses, AT&T believes that an in-person hearing is necessary. Undersigned counsel has conferred with counsel for CSpire and counsel for CSpire agrees that an in-person hearing is necessary and that this matter should be stayed until such time as one can be scheduled.

Respectfully submitted, this 16th day of April, 2021.
