

BEFORE THE TENNESSEE PUBLIC UTILITY COMMISSION

NASHVILLE, TENNESSEE

June 16, 2020

IN RE:)
)
COUNCE NATURAL GAS COMPANY) **Docket No. 19-00104**
ACTUAL COST ADJUSTMENT (ACA) AUDIT)

**NOTICE OF FILING BY THE UTILITIES DIVISION OF THE TENNESSEE
PUBLIC UTILITY COMMISSION**

Pursuant to Tenn. Code Ann. §§ 65-4-104, 65-4-111 and 65-3-108, the Utilities Division of the Tennessee Public Utility Commission hereby gives notice of its filing of the Compliance Audit Report of the Actual Cost Adjustment (“ACA”) Component of the Purchased Gas Adjustment Rule (“PGA Rule”) for Counce Natural Gas Company (the “Company”) in this docket and would respectfully state as follows:

1. The present docket was opened by the Commission to hear matters arising out of the audit of the Company’s ACA filing for the period October 1, 2018 through September 20, 2019.
2. The Company’s ACA filing was received on November 14, 2019, and the Compliance Audit Staff (“Staff”) completed its audit of same on June 16, 2020. The original 180-day deadline for the completion of Staff’s audit of Counce’s ACA filing was extended to July 31, 2020 by mutual consent of the Company and Staff as provided for in the Purchased Gas Adjustment Rule 1220-4-7-.03(2).
3. The audit resulted in no material findings.

4. The Utilities Division hereby files its Report attached as Exhibit A with the Tennessee Public Utility Commission for deposit as a public record and approval of the Report and recommendations contained therein.

Respectfully Submitted:

A handwritten signature in cursive script, appearing to read "Patsy Fulton", is written over a horizontal line.

Patsy Fulton, Utility Rate Specialist IV
Utilities Division
Tennessee Public Utility Commission

CERTIFICATE OF SERVICE

I hereby certify that on this 16th day of June, 2020, a true and exact copy of the foregoing has been either hand-delivered or delivered via U.S. Mail, postage pre-paid, to the following persons:

Ms. Robin Morrison
Chair
Tennessee Public Utility Commission
502 Deaderick Street, 4th Floor
Nashville, TN 37243

Mr. Mike Horton, President
Counce Natural Gas Company
P.O. Box 385
Burnsville, MS 38833

Mr. Vance L. Broemel
Office of the Attorney General
Consumer Advocate and Protection Division
P. O. Box 20207
Nashville, TN 37202

I. INTRODUCTION

The subject of this audit is Counce Natural Gas Company's ("Company" or "Counce") compliance with the Actual Cost Adjustment and Refund Adjustment of the Purchased Gas Adjustment Rule¹ ("PGA Rule") of the Tennessee Public Utility Commission ("Commission" or the "Commission"). The objective of the audit was to determine whether the Purchased Gas Adjustments, which are encompassed by the Actual Cost Adjustment ("ACA")², for the twelve (12) months ended September 30, 2019, were calculated correctly and were supported by appropriate source documentation.

II. AUDIT OPINION

Audit Staff ("Staff") reviewed the Company's ACA filing and the underlying documentation supporting its calculation of the ending balance of the ACA account. Staff's review, using a random sampling of bills, determined that customers were billed without error during the period October 1, 2018 thru September 30, 2019. The audit produced no material findings. Staff can also provide assurance that Counce is correctly reporting the Gas Charge Adjustment, the Refund Adjustment, and the Actual Cost Adjustment in accordance with the Purchased Gas Adjustment Rules for Commission regulated gas companies.

III. SUMMARY OF COMPANY FILING

On November 14, 2019, Staff received Counce's ACA filing supporting the activity in its deferred gas cost account ("ACA Account") for the period October 1, 2018 through September 30, 2019. For the period under review, the Company's ACA filing showed a beginning balance of positive \$11,639.29 in under-recovered gas costs. To the beginning balance, the Company added \$63,644.93 in total gas costs for the current period, subtracted \$58,355.04³ in costs recovered from customers through rates during the same period and added interest of \$340.55 due from customers resulting in a calculated ending balance in the ACA Account of positive of \$4,571.05 in under-recovered gas costs. The following chart shows the ACA Account as filed by Counce.

¹ Commission Rule 1220-4-7.

² The ACA is more fully described in Section VI.

³ This amount includes PGA adjustment recoveries and ACA adjustment recoveries.

**COUNCE NATURAL GAS COMPANY
ACA FILING OCTOBER 2018 TO SEPTEMBER 2019:⁴**

<u>Line No.</u>		Company (as filed)
1	Beginning Balance at 10/01/18	\$11,639.29
2	Activity During Current Period:	
3	Plus Gas Costs	63,644.93
4	Minus ACA Recoveries (surcharge)	12,698.68
5	Minus PGA Recoveries (surcharge)	<u>58,355.04</u>
6	Ending Balance before Interest (line 1 + line 3 – line 4 – line 5)	4,230.50
7	Plus Interest	<u>340.55</u>
8	Ending Balance Including Interest at 09/30/18 (line 6 + line 7)	<u>\$ 4,571.05</u>

IV. BACKGROUND INFORMATION ON COMPANY AND GAS SUPPLIERS

Counce Natural Gas Company, with its headquarters in Burnsville, MS, is a wholly owned subsidiary of Tumlinson Engineering, Inc., and was formed in 1995 for the purpose of acquiring the operating authority of Hardin County Gas Company and providing natural gas service to customers in Hardin County, Tennessee. Hardin County Gas Company's certificate of convenience and necessity ("CCN") was transferred to Counce on December 22, 1995, in Docket No. 95-03379. In October 2000, ownership of Tumlinson Engineering, Inc. was transferred from Ted Tumlinson to Mike Horton.

The natural gas used to serve this area is purchased from Horton Enterprises, Inc (an affiliate), which is owned by Mike Horton. Horton Enterprises, Inc operates as a reseller of gas from Atmos Energy Marketing.

⁴ A negative balance in the ACA Account represents an over-collection (or over-recovery) of gas costs; a positive balance represents an under-collection (or under-recovery) of gas costs.

V. JURISDICTION OF THE TENNESSEE PUBLIC UTILITY COMMISSION

Tennessee Code Annotated (T.C.A.) gives jurisdiction and control over public utilities to the Tennessee Public Utility Commission. T.C.A. §65-4-104 states:

The Commission has general supervisory and regulatory power, jurisdiction, and control over all public utilities, and also over their property, property rights, facilities, and franchises, so far as may be necessary for the purpose of carrying out the provisions of this chapter.

Further, T.C.A. §65-4-105 grants the same power to the Commission with reference to all public utilities within its jurisdiction as chapters 3 and 5 of Title 65 of the T.C.A. have conferred on the Department of Transportation's oversight of the railroads or the Department of Safety's oversight of transportation companies. By virtue of T.C.A. §65-3-108, this power includes the right to audit:

The department is given full power to examine the books and papers of the companies, and to examine, under oath, the officers, agents, and employees of the companies and any other persons, to procure the necessary information to intelligently and justly discharge its duties and carry out the provisions of this chapter and chapter 5 of this title.

The Utilities Division of the Commission is responsible for auditing energy, water and communications utilities under its jurisdiction to ensure that each company is abiding by Tennessee statute as well as the Rules and Regulations of the Commission. Patsy Fulton of the Utilities Division conducted this audit.

VI. DESCRIPTION OF PURCHASED GAS ADJUSTMENT RULE

The PGA Rule is located at Chapter 1220-4-7 of the Rules of the Tennessee Public Utility Commission. The PGA Rule permits a gas company to recover, in a timely fashion, the total cost of gas purchased for delivery to its customers and to assure that a company does not over-collect or under-collect gas costs from its customers. The PGA consists of three major components:

- 1) **The Actual Cost Adjustment (ACA)**
- 2) **The Gas Charge Adjustment (GCA)**
- 3) **The Refund Adjustment (RA)**

The ACA is the difference between the revenues billed customers by means of the GCA and the cost of gas invoiced the Company by suppliers plus margin loss (if allowed by order of the Commission in another docket) and related interest as reflected in the Deferred Gas Cost account. The ACA then "true-up" the difference between the actual gas costs and the gas costs recovered from customers. The RA (refunds) surcharges the "true-up" along with other supplier

refunds. For a more complete definition of the GCA and RA, refer to the PGA Formula attached as Appendix A to this report.

Section 1220-4-7-.03(2) of the PGA Rule requires:

Each year, the Company shall file with the [Commission] an annual report reflecting the transactions in the Deferred Gas Cost Account. Unless the [Commission] provides written notification to the Company within one hundred eighty (180) days from the date of filing the report, the Deferred Gas Cost Adjustment Account shall be deemed in compliance with the provisions of these Rules. This 180-day notification period may be extended by mutual consent of the Company and the [Commission] Staff or by order of the [Commission].

VII. SCOPE OF ACTUAL COST ADJUSTMENT AUDIT

The ACA audit is a limited compliance audit of Counce's ACA Account. The objective of the audit is to verify that the Company's calculations of gas costs incurred and recovered were materially correct,⁵ and that the Company is following all Commission orders and directives with respect to its calculation of the ACA Account balance. Refer to the ACA Account detail provided in Section III, SUMMARY OF COMPANY FILING (Counce's ACA filing for October 2018 to September 2019).

To accomplish the audit goal, Staff reviewed gas supply invoices, copies of the Company's canceled checks, as well as supplemental schedules and other source documentation provided by the Company. Where appropriate, Staff requested additional information to clarify the filing. Staff also audited a sample of customer bills to determine if the proper tariff rates, as well as PGA and ACA rates were applied in the Company's calculation of customer bills during the audit period. After sampling Company bills, Staff found that Counce had billed the correct Commission approved PGA and ACA tariff rates.

⁵ The audit goal is not to guarantee that the Company's results are 100% correct. Where it is appropriate, Staff utilizes sampling techniques to determine whether the Company's calculations are materially correct. Material discrepancies would dictate a broadening of the scope of Staff's review.

VIII. CONCLUSIONS AND RECOMMENDATIONS

The Actual Cost Adjustment is the difference between the **actual** invoiced gas costs paid by the utility and the **actual** gas costs recovered (or collected) by the utility from its customers via their approved tariff rates. The annual true-up process produces an ACA adjustment factor to be used in billing during the ensuing period until a new factor is determined.

Staff found no material errors in the Company's calculation of the balance in the ACA Account as of September 30, 2019 of positive **\$4,571.05 representing under-recovered gas costs.**⁶ This balance will be used as the beginning balance for the October 2019 – September 2020 ACA filing. Spreading the positive \$4,571.05 balance over the 12 month-to-date September 2019 sales of 11,958 MCF produces an **ACA adjustment factor⁷ of positive \$0.38 surcharge per MCF.**⁸ Counce should file a tariff to implement the new ACA factor following approval by the Commission.

⁶ The calculation of this agreed to balance is shown in Section III, Summary of Company Filing.

⁷ Small gas companies, such as Counce, do not automatically surcharge or refund the balance in the ACA Account until the Staff's audit is complete and the surcharge or refund factor is determined by the Commission.

⁸ See Attachment 1 for detail of the calculation of the ACA factor.

APPENDIX A

PGA FORMULA

The computation of the GCA can be broken down into the following formulas:

$$\text{Firm GCA} = \frac{D + \text{DACA}}{\text{SF}} - \text{DB} + \frac{P + T + \text{SR} + \text{CACA}}{\text{ST}} - \text{CB}$$

$$\text{Non-Firm GCA} = \frac{P + T + \text{SR} + \text{CACA}}{\text{ST}} - \text{CB}$$

where

GCA = The Gas Charge Adjustment in dollars per Ccf/Therm, rounded to no more than five decimal places.

D = The sum of all fixed Gas Costs.

DACA = The demand portion of the ACA.

P = The sum of all commodity/gas charges.

T = The sum of all transportation charges.

SR = The sum of all FERC approved surcharges.

CACA = The commodity portion of the ACA.

DB = The per unit rate of demand costs or other fixed charges included in base rates in the most recently completed general rate case (which may be zero if the Company so elects and the Commission so approves).

CB = The per unit rate of variable gas costs included in base rates in the most recently completed general rate case (which may be zero if the Company so elects and the Commission so approves).

SF = Firm Sales.

ST = Total Sales.

The computation of the RA can be computed using the following formulas:

$$\text{Firm RA} = \frac{\text{DR1} - \text{DR2}}{\text{SFR}} + \frac{\text{CR1} - \text{CR2} + \text{CR3} + i}{\text{STR}}$$

$$\text{Non-Firm RA} = \frac{\text{CR1} - \text{CR2} + \text{CR3} + i}{\text{STR}}$$

where

RA = The Refund Adjustment in dollars per Ccf/Therm, rounded to no more than five decimal places.

DR1 = Demand refund not included in a currently effective Refund Adjustment, and received from suppliers by check, wire transfer, or credit memo.

DR2 = A demand surcharge from a supplier not includable in the GCA, and not included in a currently effective Refund Adjustment.

CR1 = Commodity refund not included in a currently effective Refund Adjustment, and received from suppliers by check, wire transfer, or credit memo.

CR2 = A commodity surcharge from a supplier not includable in the GCA, and not included in a currently effective Refund Adjustment.

CR3 = The residual balance of an expired Refund Adjustment.

i =	Interest on the "Refund Due Customers" account, using the average monthly balances based on the beginning and ending monthly balances. The interest rates for each calendar quarter used to compute such interest shall be the arithmetic mean (to the nearest one-hundredth of one percent) of the prime rate value published in the "Federal Reserve Bulletin" or in the Federal Reserve's "Selected Interest Rates" for the 4th, 3rd, and 2nd months preceding the 1st month of the calendar quarter.
SFR =	Firm sales as defined in the GCA computation, less sales under a transportation or negotiated rate schedule.
STR =	Total sales as defined in the GCA computation, less sales under a transportation or negotiated rate schedule.
