

BEFORE THE TENNESSEE PUBLIC UTILITY COMMISSION

NASHVILLE, TENNESSEE

August 20, 2020

IN RE:)	
)	
COMPLAINT OF B&W PIPELINE, LLC)	DOCKET NO.
AGAINST NAVITAS TN NG, LLC FOR THE)	20-00004
SUBMISSION OF A FRAUDULENT INVOICE)	
DATED DECEMBER 10, 2019, FOR \$344,515.49)	

ORDER GRANTING NAVITAS MOTION FOR EXTENSION OF TIME

This matter is before the Hearing Officer of the Tennessee Public Utility Commission (“Commission” or “TPUC”) for consideration of the *Motion by Navitas TN NG, LLC for Extension of Time to File a Response to B&W Pipeline, LLC Motion to Dismiss Navitas Counterclaim* (“*Motion*”). On July 29, 2020, Navitas TN NG, LLC (“Navitas”) filed a *Motion* requesting an extension of time until August 28, 2020, to file a Response to the *Motion to Dismiss Counterclaim* filed by B&W Pipeline, LLC (“B&W”) on June 22, 2020. This was second *Motion* filed by Navitas requesting an extension. The previous *Motion* was granted by the Hearing Officer on June 26, 2020. As grounds for its *Motion*, Navitas states that a case decided June 17, 2020 by the Kentucky Public Service Commission (“KYPSC”) involves the parties to this docket and will impact the current docket before the Commission. Navitas states that with the extension of time to file a response, some issues may be clarified and could lead to a possible settlement in this docket. In addition, Navitas states B&W does not oppose the *Motion*.

Because the *Motion* was time sensitive, the Hearing Officer communicated with the parties via email on July 29, 2020 a verbal ruling that the *Motion* was well taken and should be granted. The

Hearing Officer also informed the parties that a written Order memorializing the decision would be issued.

IT IS THEREFORE ORDERED THAT:

1. The *Motion by Navitas TN NG, LLC for Extension of Time to File a Response to B&W Pipeline, LLC Motion to Dismiss Navitas Counterclaim* is **GRANTED**.

2. Navitas TN NG, LLC has until **August 28, 2020**, to file a Response to the *Motion to Dismiss Counterclaim* filed by B&W Pipeline, LLC.
