Thank you for the update. The Attorney General has no objection to voluntary dismissal without prejudice. I hope that you are both well.

Regards,
Dan

Aaron, thank you for your patience. Engie would like to have this matter dismissed without prejudice. If the Attorney General is in agreement, we can prepare a proposed order or we would be happy for you to enter such an order based upon counsel’s representation to this effect.

Thank you,

Paul

External Message

Counsel,

When we last spoke in April, this matter was placed in abeyance pending further developments. Is there any change in status that would require this case to go forward, should it be withdrawn or dismissed, or should it continue to be held in abeyance?

Thanks,

Aaron
