Petition of Aqua Green Utility Inc. Certificate of Convenience and Necessity

---

Aqua Green Utility Inc. would like to update the Commission on progress with the Forest Trails Subdivision. We would also ask for time extension for the construction of the wastewater treatment plant.

The original developer/land owner has sent this request via email to AGU.

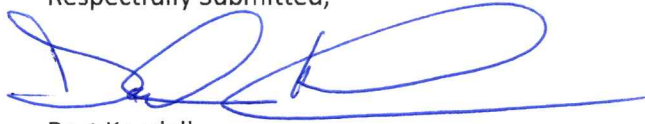

Dart,

Deana and I want to continue to move forward in developing the land. Please renew whatever permits are needed. We are excited about working with you and getting the job done. If you have any further questions, please let me know.

Sincerely,

Mike.

Respectfully Submitted,
