RE: Application for State-issued Certificate of Franchise Authority (Docket No. 20-00044)

Dear Mr. Malone:

On March 10, 2020, the Tennessee Public Utility Commission ("TPUC") received your application on behalf of Advantage Cellular Systems, Inc. ("Advantage") to issue a state-issued certificate of franchise authority pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act (the "CCVSA").

Upon review, it has been determined that the application complies with the statutory requirements of the CCVSA and is therefore complete. Additionally, sufficient information was included to allow TPUC to complete its review of Advantage's qualifications. Therefore, you should soon receive the Certificate of Franchise Authority. Should you have any questions or concerns in this matter, please contact me at (615) 770-6889 or the address listed above. Thank you for your interest and cooperation.

Sincerest Regards,

John Hutton
