Monthly Status Report for January 2021

Dear Chairman Hill,

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") hereby files its sixth monthly report to the Tennessee Public Utility Commission's ("TPUC") March 19, 2020 Ongoing Request for Information Related to Measures Taken During the Coronavirus COVID-19 Public Health Emergency ("March 19<sup>th</sup> Ongoing Request"), as modified by terms of the TPUC's August 10, 2020 approved motion in this docket. This report is for the month of January 2021. This monthly report is being filed electronically at [TPUC.docketroom@tn.gov](mailto:TPUC.docketroom@tn.gov), as directed in the TPUC's March 19<sup>th</sup> Ongoing Request.

Piedmont continued to serve customers with safe and reliable natural gas service in January 2021. Piedmont continued to encourage customers in arrears to enter into a payment arrangement on their past due balances. Piedmont also continued to focus on the health and safety of our customers, employees and the general public. Employees continued to work from home as practicable. In circumstances where employees interfaced with customers or the public, they observed social distancing guidelines and utilized appropriate personal protective equipment. Piedmont's public facing Operations and Field Customers Service teams have generally returned to operating in a normal manner. Piedmont resumed disconnecting service to customers for nonpayment of their bills beginning November 4, 2020. The billing of standard charges for reconnection of service, returned check payments and gross billings (late payment charges) have also resumed.

Enclosed Exhibit A contains additional information being provided pursuant to the TPUC's August 10, 2020 approved motion.

Please contact me any time as needed regarding these matters.

Sincerely,
