BEFORE THE TENNESSEE REGULATORY AUTHORITY

NASHVILLE, TENNESSEE
June 9, 1997

In Re:

Application of Nashville Gas Company, a Division of Piedmont Natural Gas Company, Inc., for an Adjustment of its Rates and Charges.	)))	**Docket No. 96-00977**

ORDER CLARIFYING "ORDER OF FEBRUARY 19, 1997"; DENYING MOTIONS FOR RECONSIDERATION; DISMISSING MOTION TO STRIKE; AND DENYING MOTION FOR STAY

On May 31, 1996, Nashville Gas Company (here "Nashville Gas"), a Division of Piedmont Natural Gas Company, Inc., filed an application with the Tennessee Public Service Commission (here "Commission") seeking to increase its rates by approximately $9.2 million. On July 1, 1996, the Commission was replaced with the Tennessee Regulatory Authority (here "Authority"), and on July 29, 1996, the case was recommenced before the Authority. A hearing was held on Nashville Gas' application on November 13 and 14, 1996. On December 17, 1996, the Authority approved an increase of approximately $4.4 million to be effective January 1, 1997. The Authority's decision was reduced to writing in an order dated February 19, 1997.

Petitions for reconsideration, rehearing or clarification of the February 19, 1997 Order were filed by Nashville Gas, the Consumer Advocate Division, Office of the Attorney General (here "Consumer Advocate"), and Associated Valley Industries Group (here "AVI"). Nashville Gas also filed a motion to strike portions of the petition for reconsideration filed by the Consumer Advocate. These matters were considered by the Authority at its March 18, 1997 conference, at which time, the Authority clarified the February 19, 1997 Order as

discussed below, denied the petitions for reconsideration and rehearing, and dismissed the motion to strike as moot.

AVI's Petition for Reconsideration

AVI did not challenge the amount of the rate increase or the Authority's decision to require interruptible customers to bear an equal share of the rate increase. Instead, AVI challenged the Authority's decision to increase the tail block rate for interruptible service. AVI contends that the tail block should be $0.21 per dekatherm and that the difference between the tail block rate approved by the Authority ($.0228 per dekatherm) and the $0.21 advocated by AVI should be spread to other blocks in the interruptible rate schedule. AVI contends that in recent years the interruptible tail block rate has been either reduced or kept the same to recognize that industrial rates should be cost-based and to deter large gas customers from bypassing Nashville Gas. AVI also argued that Nashville Gas did not propose to increase the tail block rate, that AVI proposed to reduce rates to the industrial class and that, although the Consumer Advocate proposed that any increase be spread evenly to all customer classes, the Consumer Advocate did not propose any change to interruptible rates.

The Authority has carefully considered these arguments; however, we continue to support the rate design set forth in our order. In our December 17, 1996 decision (reduced to writing in our February 19, 1997), we found that Nashville Gas was entitled to increase its rates. No doubt, each class of customers would like to be exempted from any portion of this increase; however, the evidence in this case does not support such an exemption for AVI. While we recognize that bypass is a concern, Nashville Gas has the ability to negotiate lower rates when required to avoid bypass; therefore, the possibility of bypass is not sufficient grounds for lowering the tail block rate at this time.

Nashville Gas' Motion for Rehearing

In its motion for rehearing, Nashville Gas argued that the Authority erred in (1) denying the Company the right to recover its actual advertising expenses, (2) denying the Company the right to recover the actual expenses of its Long-Term Incentive Plan (the "LTIP"), (3) denying the Company the right to recover its pension expenses, and (4) approving a return on equity of "only 11.50%."

Nashville Gas argues that the Authority cannot deny it the right to recover its advertising expenses without finding that the expenses were not prudent. We disagree. The standard for judging rates is not prudence, but justness and reasonableness or a zone of reasonableness Southern Bell Tel. and Tel. v. Tennessee Public Service Commission, 202 Tenn. 465, 304 S.W. 2d 640 (1957). Nashville Gas does not claim that the rates are unjust or unreasonable due to the Authority's finding on advertising expenses.

With respect to the LTIP, Nashville Gas states that an error on page 12 of the February 19, 1997 Order where the following statement appears: "The record reflects the fact that both North and South Carolina permit the shareholders and ratepayers to share this expense at a ratio of twenty-five percent (25%) to seventy-five percent (75%)." We agree that the statement is in error and that the second sentence in the second full paragraph on page 12 of the February 19, 1997 Order should be deleted; however, we do not agree that our decision on this issue should be reversed. We continue to support our holding that the shareholders and ratepayers should share the expense of the LTIP because they will share in any cost savings produced as a result of the LTIP.

With respect to pension expense, Nashville Gas states that the February 19, 1997 Order is not clear regarding the treatment of the deferred regulatory

asset for future recovery of its pension cost. The Authority clarifies the Order of February 19, 1997 by deleting the last sentence in the second paragraph on page 14 and replacing it with the following: "Further, the Authority will permit the Company to establish a deferred asset for the difference between the amount of funded pension expense recognized in the Company's last rate case -- in this case, zero -- and the amount of pension expense funded in the future. In future rate cases, the amount of funded expense that has been deferred will be recognized and rates awarded to recover it."

Nashville Gas claims that the 11.5% return on equity is inadequate because it is less than that granted to other Piedmont Natural Gas Company operations in North Carolina and South Carolina. The Authority based its decision regarding the return on equity on all the evidence in the record including the expert testimony presented in this docket, and therefore, we continue to support our decision that the approved return is within the zone of reasonableness.

Consumer Advocate's Petition for Reconsideration and Motion filed March 10, 1997

The Consumer Advocate argues that the Authority (1) violated a number of procedural rules, (2) improperly permitted Nashville Gas to place rates into effect on January 1, 1997, (3) allowed a return on equity that is too high, (4) allowed an excessive advertising allowance, (5) improperly found that Nashville Gas used zero-based budgeting, and (6) improperly permitted Nashville Gas to recover a portion of its LTIP expenses.

The Consumer Advocate argues that the Authority did not comply with T.C.A. § 4-5-301, which requires that in a contested case the agency members sit in the presence of an administrative judge or hearing officer. We disagree.

Under T.C.A. § 4-5-301, any member of the Authority may fulfill the role as administrative judge or hearing officer, and at all times a member of the Authority fulfilled this role in this proceeding.

The Consumer Advocate also argues that the Authority improperly permitted Nashville Gas to place rates into effect on January 1, 1997. The Authority heard oral arguments on this issue on March 4, 1997.[1] At that time the Consumer Advocate argued that the Authority did not have statutory authority to approve the rates effective January 1, 1997 and that its action amounted to retroactive ratemaking.[2]

The Directors have carefully considered the arguments advanced by the Consumer Advocate in his most recent motion, and have unanimously determined that the motion should be denied. Additionally, the Authority is of the opinion that this decision is consistent with our decision of December 17, 1996 and our order of February 19, 1997 that the rates should become effective on January 1, 1997. The Authority's decision is also consistent with the Order of the Court of Appeals of Tennessee in Consumer Advocate Division v. Tennessee Public Service Commission, 1996 WL 482970 (Aug. 18, 1996), where the court stated the following:

> "Under these statues the rates charged by a public utility are not always the product of a ratemaking proceeding in the Commission. New tariffs automatically become effective unless the Commission elects to suspend them while conducting an investigation."

---

[1] At that time, a majority of the Directors voted to deny the Advocate's motion for reasons set forth in the Authority's Order dated May 14, 1997. However, Director Malone concurred in the result reached by the majority, but did not support their rationale.

[2] In response, Nashville Gas asserted its belief that the Authority had the authority to place the rates into effect on at least three grounds. First, Nashville Gas argued that since the rates were not suspended by the Commission, Nashville Gas was authorized to place all or any portion of the rates into effect on June 30, 1996 (while the commission still had authority over this matter). Second, Nashville Gas contended that since the rates were not suspended by the Authority following recommencement of the case, Nashville Gas was authorized to place all or any portion of the rates into effect at any time prior to the authority's issuance of a final order. Third, Nashville Gas argued that it was authorized to place the rates into effect under Section 65-5-203(b)(1).

Finally, the Authority's decision to permit the rates to become effective January 1, 1997, is consistent with the requirements of state law as codified in Title 65 of Tennessee Code Annotated.

With respect to the Consumer Advocate's argument that an 11.5% return on equity is too high, the Consumer Advocate states that the following language appears on page 20 of the February 19, 1997 Order: "Company witness Dr. Murry estimated the Company's cost of equity using the Discounted Cash Flow (DCF) method, the Risk Premium method and the Capital Asset Pricing Model (CAPM). Dr. Murry's DCF estimates range from 9.31% to 15.1%." The Consumer Advocate argues that the quoted language is in error and that it overstates the DCF range testified to by Dr. Murry. The Consumer Advocate is correct, and the second sentence of the quote should be revised to read as follows: "Dr. Murry's DCF estimates for Piedmont range from 8.80% to 11.85%." In addition, footnote 34 on page 20 should be deleted and replaced with the following language: "Dr. Murry's exhibit (DAM-1), Schedule 15." These changes in the February 19, 1997 Order, however, do not change the opinion of the Authority that the appropriate return on equity is 11.5%. The approved return still falls within the range suggested by Dr. Murry.

The Consumer Advocate attacked the use of Nashville Gas' term "zero-based budgeting" in determining just and reasonable expenses. As indicated above, the Authority's decision of December 17, 1997, on advertising and LTIP expenses is supported by the record in this case and produces rates that are just and reasonable. Further, this is true of the other expenses that were approved whether based on "zero-based budgeting" or on some other method. We find the Consumer Advocate's arguments "on zero-based budgeting" to be unpersuasive. The record in this proceeding makes it clear that Nashville Gas used the term "zero-based budgeting" to refer to a procedure in which a

manager in charge of a given expense had to justify 100% of the expense. In other words, the manager had to start from zero. He or she could not simply take a prior period's expense and grow it by some amount for inflation. We find this to be an appropriate method of determining just and reasonable expenses under the facts of this case.

Nashville Gas' Motion to Strike

Nashville Gas filed a motion to strike various affidavits attached to the Consumer Advocate's motion for rehearing and various references to those affidavits set forth throughout that motion. Since we have denied the Consumer Advocate's motion for rehearing, we will dismiss Nashville Gas' motion to strike as moot.

Consumer Advocate's Motion to Stay

The Consumer Advocate also filed a Motion to Stay the February 19, 1997 Order. In this motion, the Consumer Advocate again argues that the Authority should not have permitted Nashville Gas to place the approved rates into effect on January 1, 1997. We have already ruled that Nashville Gas properly placed the approved rates into effect on January 1, 1997; therefore, we deny this motion. We also observe that if we were to grant the requested motion to stay, Nashville Gas' customers may be required to pay the higher rates as originally filed by Nashville Gas, absent an effective Order from this Authority.

IT IS THEREFORE ORDERED:

1) That AVI's Petition for Reconsideration is denied;

2) That Nashville Gas' Motion for Rehearing is denied;

3) That the Consumer Advocate's Petition for Reconsideration is denied;

4) That the Consumer Advocate's Motion filed on March 10, 1997, is denied;

5) That Nashville Gas' Motion to Strike is dismissed as moot;

6) That the Consumer Advocate's Motion for Stay is denied;

7) That the February 19, 1997 Order is amended as set forth in the body of this order;

8) That any party aggrieved by the Authority's decision in this matter may file a Petition for Reconsideration with the Authority within ten (10) days from and after the date of this Order; and

9) That any party aggrieved by the Authority's decision in this matter has the right of judicial review by filing a Petition for Review in the Tennessee Court of Appeals, Middle Division, within sixty (60) days from and after the date of this Order.

Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-7. Refer to Workpaper 5B DefENV Adj. Provide the following:

a. The minimum pension funding necessary to meet ERISA requirements for the years 2012 through 2019;
b. The minimum pension funding necessary to avoid PBGC insurance premiums for the years 2012 – 2019; and
c. Documentation supporting the minimum funding amounts provided in a) and b) above.

RESPONSE: Piedmont is assuming the reference should be 5C_Pension Adj. Actuarial reports prior to 2017 were not retained by Pension Accounting. Therefore, only 2017 - 2019 are provided.

a. The minimum required funding level for years 2018-2019 is zero for the Duke Energy Retirement Cash Balance Plan, which is the plan that the former Piedmont Pension plan was merged into, effective 1/1/2018. The minimum required funding level for 2017 is zero for the Retirement Plan of Piedmont Natural Gas Company, Inc.

b. Total Piedmont Minimum funding level required to avoid PBGC insurance:

2019: $753,255

2018: $0

2017: $11,000,000

c. Support for part a: Please see CONFIDENTIAL attachment.

Support for part b: 2019 - See the Company's response to MFR 37 attachment, report page 6 for employer contributions for 2019 contributions made for Total Piedmont.

2018 - See the Company's response to CA DR 2-31 Attachment 1, report page 6 for employer contributions for 2018 contributions made for Total Piedmont.

2017 - See the Company's response to CA DR 2-31 Attachment 2, PDF page 2 for employer contributions for 2017 contributions made for Total Piedmont.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-10. Refer to the worksheet found in the D and F tabs within the Working Capital_adj file, the summary Tab within file 5B_DefPension Amort Adj as well as the confidential attachment MFR 37. Confirm that Company contributions to the pension fund reflected in balances in tab D of the Working Capital file would tend to increase the Fair Value of Assets reflected on pdf page 15 of the actuarial reports supplied in MFR 37. If this is confirmed, provide an explanation for why such asset balances should be reflected in both the Deferred Debits and Pension and OPEB portions of the Company's proposed Working Capital balances? If this is not confirmed, provided a comprehensive explanation describing how pension contributions do not contribute to the Fair Value of Assets balances contained in the Company's actuarial studies provided in MFR 37.

RESPONSE: Piedmont confirms that the Company's cash contributions to the pension fund result in an increase to the Fair Value of Assets.

Pension contributions should not have been reflected in both schedules (tabs D & F).

Name and Title of Preparer: Quynh Bowman, Director - Gas Rates & Regulatory Strategy

Name and Title of Responsible Person: Quynh Bowman, Director - Gas Rates & Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 12, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-11. Refer to MFR 37 as well as the response to Consumer Advocate Response to 1-118. Confirm that the certain union employees continue to accrue benefits under the defined pension plan. If so, provide the Piedmont-Tennessee equivalent number of employees who were eligible under the plan prior to the date in which benefits were frozen and provide the equivalent number of Piedmont Tennessee employees who continued to accrue benefits at December 31, 2020. For purposes of defining employee equivalents within this response corporate Piedmont employees whose costs are allocated to Piedmont Tennessee operations should be determined by applying the overall allocator to Piedmont-Tennessee in effect at December 31, 2017.

RESPONSE: Any employee, including union employees, who participated in the Piedmont Pension Plan as of December 31, 2017, continued to participate in the Duke Energy Retirement Cash Balance Plan. Effective January 1, 2018, these employees began accruing pension benefits under the cash balance formula.

The approximate number of Piedmont-TN equivalent employees eligible under the Piedmont Pension Plan at the time the benefits were frozen at December 31, 2017 is 191.

The approximate number of Piedmont-TN equivalent employees who continue to accrue benefits under the Duke Energy Retirement Cash Balance plan as of August 31, 2020 is 146.

Name and Title of Responsible Person: Jake Stewart, Director Compensation

Response provided by Piedmont Natural Gas Company, Inc. on October 10, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-12. Refer to tab F within the Working Capital_Adj file. Provide a comprehensive explanation of the transaction(s) giving rise to Pension Settlement Charges beginning in June 2019 and reflected in account 186806.

RESPONSE: Duke Energy uses a December 31 measurement date for its qualified non-contributory defined benefit retirement plan assets and obligations. However, because Duke Energy believed it was probable in 2019 that total lump-sum benefit payments for the Duke Energy Retirement Cash Balance Plan (RCBP) would exceed the settlement threshold, which is defined as the sum of the service cost and interest cost on projected benefit obligation components of net periodic pension costs, Duke Energy re-measured the plan assets and plan obligations associated with the RCBP as of June 30, September 30, and December 31, 2019.

As a result of the application of settlement accounting due to total lump-sum benefit payments exceeding the settlement threshold (defined as the sum of the service cost and interest cost on projected benefit obligation components of net periodic pension costs), Piedmont recognized settlement charges as a regulatory asset within Other Noncurrent Assets on the Consolidated Balance Sheets as follows:

June 30, 2019	$3,435,712
September 30, 2019	$3,143,621
December 31, 2019	$ 1,472,907
Total	$ 8,052,240

The settlement charge reflects the recognition of a pro-rata portion of previously unrecognized actuarial losses, equal to the percentage reduction in the projected benefit obligation resulting from total lump-sum benefits payments as of the re-measurement date.

Settlement charges recognized as a regulatory asset within Other Noncurrent Assets on the Consolidated Balance Sheets are amortized over the average remaining service period for participants in the plan (~9.75 years). This expense recognition is consistent with the way that these unrecognized actuarial losses would have been amortized had no triggering of settlement accounting occurred.

Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-14. Refer to the PNG Bal Sheet March 2020 tab within MFR 11. Provide the monthly balance sheet in the March 2020 Balance Sheet format for the period January 2019 through July 2020.

REPSONSE: Please see the Company's response to CA DR 1-93 for monthly balance sheets through July 2020.

Name and Title of Preparer: Jenny Furr, Gas Rates and Regulatory Strategy Manager

Name and Title of Responsible Person: Quynh Bowman, Director - Gas Rates and Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 5, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-15. Regarding the response to Consumer Advocate Request 1-67, provide the following:

a. Reconcile the December 2019 Inventory, Pension and PPE balances contained in the response with the DEBS December 2019 Balance Sheet information provided in Consumer Advocate Response 1-2, by account.
b. Provide the underlying calculation for the 8.65% revenue requirement factor.
c. Provide the support and underlying calculation for the Facilities Allocation Rate of 5.63%.

RESPONSE:

a. The balances provided in the Company's response to CA DR 1-67 for PPE, Pension and Inventory will not tie to the Company's response to CA DR 1-2 because the calculations for return on assets (ROA) are done the morning of Day 4 to ensure that the expense is booked to the jurisdictions Income Statement in time. There may be other entries that effect these accounts and the final balance for the month. Please see the five attachments for support for balances used to calculate the ROA.

b. See 2-15 Attachment 4 of 5.

c. See 2-15 Attachment 5 of 5 herein for support and underlying calculation for the Facilities Allocation Rate of 5.63%.

Piedmont Natural Gas Company, Inc.
Docket 20-00086
CA DR 2-15 Attachment

Question Detail: 2-15. Regarding the response to Consumer Advocate Request 1-67, provide the following

b. Provide the underlying calculation for the 8.65% revenue requirement factor.

Piedmont Natural Gas Company
State of North Carolina
Computation of Revenue Requirement Rate Excluding Gross Receipts Tax
Updated 10/22/19, Effective 11/1/2019

	Docket No. G-9 Sub 743 Capital Structure	*Docket No. G-9 Sub 743* Cost Rates	Weighted Cost/Return %	Income Tax Factors	Net of Tax Overall Rate of Return	Income Taxes Factor	Revenue Requirement Excluding Gross Receipts Tax
Long-term debt	47.15%	4.41%	2.08%	0.770250	1.60%	1.000000	2.08%
Short-term debt	0.85%	2.72%	0.02%	0.770250	0.02%	1.000000	0.02%
Common equity	52.00%	9.70%	5.04%	1.000000	5.04%	0.770250	6.55%
Total	100.00%		7.15%		6.66%		**8.65%**

Gross revenue	1.000000
State income tax rate	0.025000
Gross revenue after state income tax	0.975000
Federal income tax rate	0.210000
Federal income tax	0.204750
State income tax rate	0.025000
Composite income tax rate	0.229750
Tax factor	0.770250

Indicates input cell

Support: Exhibit B - Calculation of Gross Revenue Effect Factors For the Test Period Ended December 31, 2018, NC General Rate Case 2019, Docket No. G-9, Sub 743.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-16. Regarding MFR 40, Attachment 1, provide the following concerning the PTC Lease:

a. Identify the owner of the PTC facility and indicate whether the owner is an affiliate of Piedmont Natural Gas.
b. Within the Confidential Vendor Details tab, there are 5 entries with the classification 'To reclass accrued rent to new' within column Q (Journal Descr JD) that total $123,615 on a Tennessee jurisdictional basis. Provide a complete description of these transactions and provide the supporting documentation for the $187,455 charge allocated to Piedmont-Tennessee in April 2019.
c. Within the Confidential Vendor Details tab, provide a comprehensive explanation and supporting documentation underlying the PTC Allocation credits associated with the Journal Entry identified 'To record 30% allocation of PT', referenced in excel column Q.
d. During the test period there are eleven monthly credits for Lease Variable Costs and Other Real Property Leases, but there was no credit entry identified for April 2019. Either confirm that such credits should include twelve monthly credits to achieve a normalized level of expense or explain why the exclusion of an April credit is appropriate for ratemaking purposes.

RESPONSE:

a. The owner of the PTC facility is Piedmont Row Drive LLC. The owner is not an affiliate of Piedmont Natural Gas.

b. These transactions were to allocate 30% of the PTC rent and CAM cost to DEBS for the months of January 2019 through April 2019. Due to implementation of the new Lease Accounting standard ASC-842 in January 2019, the allocation was not recorded in January through March so it was caught up in April. See 2-16 Attachment 1 of 2 for the supporting documentation of the $187,455 charge.

c. These journal entries are a result of determining that 30% of the workers physically sitting at PTC are DEBS employees. On a monthly basis, 30% of the PTC lease rent and CAM are reclassified to DEBS. See 2-16 Attachment 2 of 2 for supporting documentation.

d. April 2019 includes a credit of $85,063.92 which equates to 4 months of the monthly credit amount since a YTD catch up was done. Twelve monthly credits should be included to achieve a normalized level of expense.

Name and Title of Preparer: Nicole Aquilina, Accounting Manager II

Name and Title of Responsible Person: Bryan Manges, Director - Gas Utility & Infrastructure

Response provided by Piedmont Natural Gas Company, Inc. on October 10, 2020.

PTC	122
REMOTE	3
WFH	1
YANCEY	1
(blank)	
Grand Total	**148**

30% of the monthly CAM and lease payment for PTC will be charged to 20013-DERE
The remaining 70% will be charged to 47158-PNGN.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-17. Regarding the Cash Working Capital Study, provide a comprehensive discussion of the process by which billing information obtained through the electronic metering process is then translated to bills issued to customers and separately recording revenue. This discussion should contain a description of distinctions (if any) between the timing of issuing bills and recording sales/accounts receivable.

RESPONSE: The cycle of operations is created for the year where it identifies meter reading dates, bill cycle dates & due dates. The meter is read typically 1 week before the cycle is billed. Piedmont's TN monthly bills typically cover a period of time between meter reads of between 28-34 days long. S2K mainframe sends the next cycle to be read 1 day prior to the meter reading date indicated on the cycle of operations. Once the cycle is received, the assigned meter readers will have between 1 and 4 business days (not including weekends) to read the cycle. For example, if we receive the cycle on 9/8, Piedmont's meter readers will have between 9/8-9/14 to capture the reads. Once the meter reads are obtained, they are loaded into the meter reading application FCS (Field Collection System). The meter reading department will load the reads 2 days prior to the scheduled cycle bill date into S2K. If a read is missed, the Meter Reading department will issue a service order (MO44R) in order to obtain the read and manually enter them into the S2K system. In the example that was provided above, those missed reads would need to be manually entered prior to 9/15, which is the date the entire read cycle is loaded onto the S2K mainframe for billing. Exception reports are then generated to help identify accounts that are out of line, such as high bills. Those exception reports are worked by the Billing Services Team to ensure the highest level of billing accuracy and must be completed the same day the report is generated.

The reads identified by the meter reading system is loaded in S2K under the UTIL general ledger. If a customer is pre-billed in S2K, for example, for a deposit or reconnection fee or unregulated charges, those charges will display under a separate general ledger corresponding to those charge types, in order to separately record revenue.

Name and Title of Preparer: Melissa Churchill, Manager - Revenue Services

Name and Title of Responsible Person: Jared Lawrence, VP- Revenue Services & Metering

Response provided by Piedmont Natural Gas Company, Inc. on October 10, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-18. Regarding the PNG Balance Sheet March 2020 provided in MFR 11 and specifically account 0228280 "Schm Environmental" provide the following information:

a. Confirm such balance has not been incorporated into the Company's Rate Base request. If this cannot be confirmed, refer to where this item has been reflected in Rate Base.
b. Provide a comprehensive explanation of the nature of the liability and how the liability was determined.
c. If this item is not reflected in Rate Base, provide a comprehensive explanation supporting its exclusion.
d. Identify the month(s), amounts and account(s) in which this accrual was recorded to expense.

RESPONSE:

a. The total balance for A/C 0228280 Schm Environmental is not included in Rate Base. Only incremental environmental costs incurred on a cash basis are included in the unamortized deferred environmental balance in working capital.
b. A/C 0228280 Schm Environmental is the Company's environmental remediation reserve estimate. The reserve is reviewed quarterly by the Company for necessary changes.
c. Only incremental environmental costs incurred on a cash basis are included in the unamortized deferred environmental balance in working capital.
d. See workpaper "5N_DefEnv Adj" provided in the Company's response to MFR 12 for monthly amortization of deferred environmental costs.

Date Issued: September 23, 2020
Date Due: October 12, 2020

2-19. Regarding the Cash Working Capital Study, PMN-3-CWC, page 7 of 271 provide the documentation supporting the billing lag days for Billing Cycle 14 for the months of May, August, and December.

RESPONSE: See "May – Dec 2019" tab of the attachment.

The billing lag for Cycle 14 for the month of May is 8 days shown in Cell R29 in the referenced tab. The bill date is 5/28/19 for cycle 14 noted in cell D29 and the read date is noted in column M line 21 on 5/20/19. The difference between the two dates is 8 days.

The billing lag for Cycle 14 for the month of August is 7 days shown in Cell R120 in the referenced tab. The bill date is 8/27/19 for cycle 14 noted in cell D120 and the read date is noted in column M line 113 on 8/20/19. The difference between the two dates is 7 days.

The billing lag for Cycle 14 for the month of December is 8 days shown in Cell R241 in the referenced tab. The bill date is 12/26/19 for cycle 14 noted in cell D241 and the read date is noted in column M line 233 on 12/18/19. The difference between the two dates is 8 days.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-20. Provide a comprehensive discussion of the timing and process followed in the receipt of customer payments and the subsequent recording made to Accounts Receivable. If such process differs by payment method, identify the distinctions in the process used in the handling and subsequent recordings of payments received.

RESPONSE:

For cash receipts:

- Customers send payments to address: P.O. Box 1246, Charlotte, NC 28201-1246.
- The P.O. Box is checked multiple times per day for new payments.
- Payments are automatically imaged and then balanced to the correct account
- Payments that are balanced are sent at the end of the workday to the Customer System and applied to the customer's account prior to the start of the nightly billing process
- Payments that are not balanced the same day will be balanced the next business day or rejected for further investigation
- The same day a payment is applied, the funds are deposited to the bank account

For ACH payments:

- Money is received in Piedmont's bank account with source information identifying the payee.
- Specialists monitor the account to recognize incoming payments. These employees move the funds to the customer's account and notify Accounting of the dollars applied for the bank reconciliation.

• These accounts are limited since only the very largest customers are allowed to use ACH directly with Piedmont.

For Speedpay:

• Funds from PiedmontNG.com, the call center, pay by text and other Speedpay products are passed directly to Piedmont to S2k. The DCS1 transaction in S2k applies the funds directly to the customer's account.

For all other electronic payments:

• Electronic payments from many sources such as online banking and checkfree are passed to aggregators such as Mastercard RPPS and FISERV.

• These aggregators pass the funds and customer account information to our eLockbox at Transcentra.

•Transcentra consolidates all customer data in a single file twice a day and passes it to Piedmont.

• Specialists ensure that funds received match the funds itemized in the data file. The S2k process applies the funds.

Name and Title of Preparer: Melissa Churchill, Manager - Revenue Services

Name and Title of Responsible Person: Jared Lawrence, VP - Revenue Services & Metering

Response provided by Piedmont Natural Gas Company, Inc. on October 10, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-21. Re: Exhibit PMN-3 - CWC, provide the following:

a. Regarding the payment to Tenaska found on page 28/271, provide documentation of the payment date associated with the expense months of January and December.
b. See PMN-3, page 222; provide a copy of ARI Invoice MF2KVN.
c. Regarding the request to gross-up the revenue requirement for pro-forma impacts of the Gross Receipts Tax, contrasted with reflecting the prepayment of gross-receipts tax and the Company's position embedded within the calculation on PMN-3, page 239 that the payment is for the forward filing period of 7/1/19 – 6/30/20, confirm that the gross receipts tax associated with the first twelve-month impact of this rate change will relate to the filing period July 1, 2022 through June 30, 2023. Please explain the rationale for the inclusion of the Gross Receipts Tax gross-up for an item in which relates to a forward period for which the Company is claiming a significant expense lag.
d. Regarding page 223 of 271, provide documentation supporting the service periods and check date and the date funds cleared Piedmont accounts associated with Decembers' Bank of America payment of $1,921,166.

RESPONSE:

a. See attachment.
b. See CONFIDENTIAL attachment.
c. Yes, the first twelve-month impact of the rate change will relate to the filing period July 1, 2022 – June 30, 2023. There should not be a gross-up for the Gross Receipt Tax.
d. See the 3 CONFIDENTIAL attachments.

2-22. Regarding PMN-3-CWC, page 231 of 271, provide comprehensive explanations for the nature of services provided by PWC Holdings No 21 LLC represented in two lines of this schedule, one in the amount of $42,246 and the other in the amount of $44,399. Provide a copy of any work product provided by PWC as well as the invoice covering such services.

RESPONSE: See CONFIDENTIAL 2-22 Attachment 1 of 2: PWC was hired to lead the Work Process Integration (WPI) project. PWC provided the Project Manager, several Change Managers and Process Owners to manage the project and facilitate workshops with employees. The goal of the workshops was to combine working procedure documents, communicate changes, and issue new integrated procedures.

See CONFIDENTIAL 2-22 Attachment 2 of 2: The Gas Distribution Project Management project is a merger integration project that implements new systems for the NGBU to manage Gas Distribution system pipeline field projects. PWC provided a project manager and several analysts.

Status: Not Covered

We are writing to customers to help them understand their responsibility for the gas lines on their property.

Piedmont is always looking for ways to make your natural gas service easier and more convenient. This includes helping you manage your responsibility for the gas lines that run from your natural gas meter outlet connection to your outdoor and indoor appliances, water heater and heating system. Your property is not covered with Gas Line Coverage from HomeServe, which Piedmont Natural Gas has selected to make available to eligible customers. Without this *optional* non-regulated coverage, you may have to pay hundreds of dollars to repair or replace the gas lines on your property if a breakdown occurs.

This protection provides an annual benefit amount of $8,000 and multiple service calls up to that amount (30-day wait period includes a money-back guarantee). For just $5.49 per month, you can help protect yourself from the unplanned financial burden of covered repairs to the gas line on your property.

Please respond. Complete and return the enclosed form or call 1.888.302.0141.
For fastest processing, visit www.PiedmontRepairPlans.com.

HomeServe USA Repair Management Corp. ("HomeServe"), with corporate offices located at 601 Merritt 7, 6th Floor, Norwalk, CT 06851, is an *independent company separate from Piedmont Natural Gas* and offers this optional service plan as an authorized representative of the contract issuer, National Home Repair Warranty, Inc., 59 Maiden Lane, 43rd Floor, New York, NY 10038. Your choice of whether to participate in this service plan will not affect the price, availability or terms of service from Piedmont Natural Gas.

Sign and return the enclosed form, call 1.888.302.0141 or visit www.PiedmontRepairPlans.com.

Benefit Explanation:

Many homeowners aren't aware that they are financially responsible for the natural gas line that runs from the outlet side of the utility's responsibility and inside their home. Repairing this line may cost you hundreds of dollars. Gas Line Coverage from HomeServe gives you multiple service calls annually up to $8,000 per call year for covered repairs (30-day wait includes a money-back guarantee). You will also have 24/7 access to our members-only hotline 365 days a year.

This coverage could be an important financial help if your natural gas line breaks down. Gas line breakdowns are difficult to predict and can happen at any time. Accept coverage today and rest easy knowing your finances will be protected for covered repairs.

KNOW YOUR RESPONSIBILITY

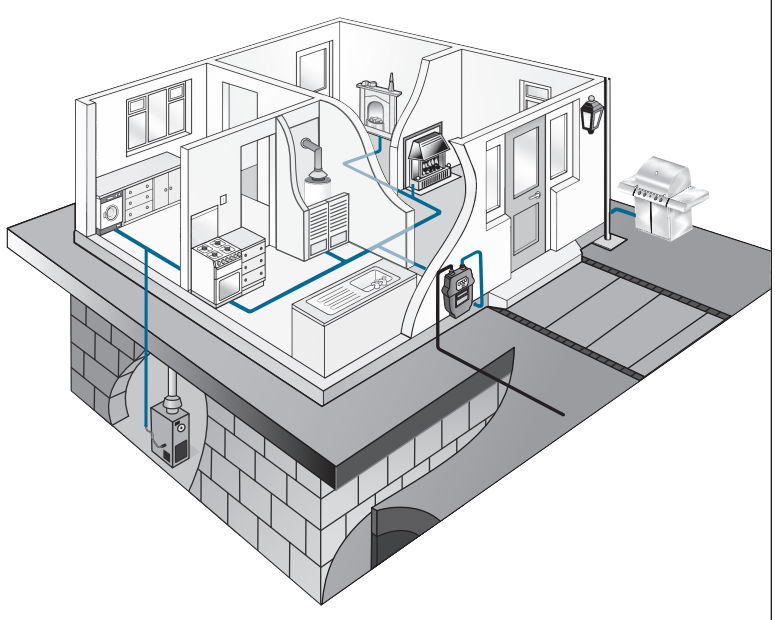
The illustration shows the natural gas line that is typically your responsibility as a homeowner. Also shown are repairs that are commonly performed on this line and how much a licensed and insured contractor would typically charge a homeowner for repairs. How would you cope if it happened to you?

With Gas Line Coverage from HomeServe, it's not something you have to worry about; you'll benefit from a priority response and no bill to pay for covered repairs, up to $8,000 per year.

Repair section of natural gas supply line (up to 25 ft.) **$722**
Plan Members: NO CHARGE‡

Repair/replace gas safety shutoff valve **$439**
Plan Members: NO CHARGE‡

Replace flexible gas connector from shutoff valve to appliance **$152**
Plan Members: NO CHARGE‡



Typical Homeowner's Responsibility

‡National average repair costs within the HomeServe network as of March 2018. No charge for covered repairs up to your annual benefit amount.

Important Questions & Answers

What am I responsible for?
Just as you have always been responsible for the water pipes and electrical wiring in your home, as a homeowner, you are also responsible for your gas line up to your utility's responsibility.

Does my homeowners insurance cover this?
Most basic homeowners insurance policies do not cover repair or replacement due to normal wear and tear of the gas lines.

Who is eligible for coverage?
An owner of a residential single structure, or a unit within a structure, that is not intended to be moved may be eligible for coverage. If you own a multi-family home or multiple housing units, you must provide the specific mailing address for each service agreement you purchase. If your gas line extends beyond the walls of your home, you must own the land on which it is located. You are not eligible if your property is used for commercial purposes; you know of any current problems with your gas line before enrollment; or your gas line is shared with a 3rd party or covered by a homeowners' association or the like. In IA, properties with more than 4 dwelling units are not eligible.

What should I know about this coverage?
What's covered: Coverage provides, up to the applicable benefit limit, to repair or replace a gas line, for which you have sole responsibility, from the meter or propane tank outlet connection, including pressure regulating devices, up to and including the connectors to each natural gas/propane appliance on your property, whether inside or outside your residence, up to and including the appliance connectors on the extension gas lines that exit your home, that is damaged due to normal wear and tear, not accident or negligence.

Not covered: Meter moves or replacements except when required by local code; appliances, fixtures; lines not supplied by a utility; and damage from accidents, negligence or otherwise caused by you, others or unusual circumstances. Additional exclusions apply. Disputes resolved by arbitration, without class action or jury trial, unless otherwise stated in your full Terms and Conditions.

When can I make a service call?
Your plan starts the day your enrollment is processed. There is an initial 30-day waiting period before you can make a repair service call, giving you 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), there is no waiting period.

What is the cancellation policy?
Cancel any time by calling HomeServe at 1.888.302.0141. If you cancel within 30 days of your start date, you will get a full refund (less claims paid, where applicable). Cancellations after the first 30 days will result in a pro-rata refund (less claims paid, where applicable).

What is the term of my service agreement?
The plan is annual. Unless you cancel, your plan automatically renews annually at the then-current renewal price and is billed monthly through your utility bill.

Who is HomeServe?
HomeServe is an independent company, separate from Piedmont Natural Gas. Coverage is optional. If you would prefer not to receive solicitations from HomeServe, please call 1.888.302.0141.

These service plans are not part of Piedmont's regulated utility service offerings, nor are they in any way sanctioned by the North Carolina Utilities Commission, South Carolina Public Service Commission, or Tennessee Public Utility Commission. Purchasers of these service plans will receive no preference or special treatment from Piedmont Natural Gas. A customer does not have to buy these services in order to continue to receive the same safe reliable natural gas service from Piedmont Natural Gas.

YES, please sign me up for Gas Line Coverage from HomeServe and include the $5.49 monthly charge, plus any applicable taxes, on my Piedmont Natural Gas bill. I understand that this optional coverage is billed on a monthly basis and based on an annual service agreement that will be *automatically renewed annually* at the then-current renewal price. I have the option to cancel this agreement at any time without additional cost to me by calling 1.888.302.0141. I agree Piedmont Natural Gas may share my name, postal address, and account number with HomeServe. I confirm that I am the homeowner and have read the information in this package, understand there are limitations and exclusions, and meet the eligibility requirements for this coverage.

I understand that this optional coverage is billed on a monthly basis and based on an annual service agreement that will be *automatically renewed annually* at the then-current renewal price. I have the option to cancel this agreement at any time without additional cost to me by calling 1.888.302.0141. I agree Piedmont Natural Gas may share my name, postal address, and account number with HomeServe. I confirm that I am the homeowner and have read the information in this package, understand there are limitations and exclusions, and meet the eligibility requirements for this coverage.

Important Questions & Answers

What am I responsible for?
Just as you have always been responsible for the water pipes and electrical wiring in your home, as a homeowner, you are also responsible for your gas line up to your utility's responsibility.

Does my homeowners insurance cover this?
Most basic homeowners insurance policies do not cover repair or replacement due to normal wear and tear of the gas lines.

Who is eligible for coverage?
An owner of a residential single structure, or a unit within a structure, that is not intended to be moved may be eligible for coverage. If you own a multi-family home or multiple housing units, you must provide the specific mailing address for each service agreement you purchase. If your gas line extends beyond the walls of your home, you must own the land on which it is located. You are not eligible if your property is used for commercial purposes; you know of any current problems with your gas line before enrollment; or your gas line is shared with a 3rd party or covered by a homeowners' association or the like. In IA, properties with more than 4 dwelling units are not eligible.

What should I know about this coverage?
What's covered: Coverage provides, up to the applicable benefit limit, to repair or replace a gas line, for which you have sole responsibility, from the meter or propane tank outlet connection, including pressure regulating devices, up to and including the connectors to each natural gas/propane appliance on your property, whether inside or outside your residence, up to and including the appliance connectors on the extension gas lines that exit your home, that is damaged due to normal wear and tear, not accident or negligence.

Not covered: Meter moves or replacements except when required by local code; appliances, fixtures; lines not supplied by a utility; and damage from accidents, negligence or otherwise caused by you, others or unusual circumstances. Additional exclusions apply. Disputes resolved by arbitration, without class action or jury trial, unless otherwise stated in your full Terms and Conditions.

When can I make a service call?
Your plan starts the day your enrollment is processed. There is an initial 30-day waiting period before you can make a repair service call, giving you 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), there is no waiting period.

What is the cancellation policy?
Cancel any time by calling HomeServe at 1.888.302.0141. If you cancel within 30 days of your start date, you will get a full refund (less claims paid, where applicable). Cancellations after the first 30 days will result in a pro-rata refund (less claims paid, where applicable).

What is the term of my service agreement?
The plan is annual. Unless you cancel, your plan automatically renews annually at the then-current renewal price and is billed monthly through your utility bill.

Who is HomeServe?
HomeServe is an independent company, separate from Piedmont Natural Gas. Coverage is optional. If you would prefer not to receive solicitations from HomeServe, please call 1.888.302.0141.

5298-2001-CA01-545980

These service plans are not part of Piedmont's regulated utility service offerings, nor are they in any way sanctioned by the North Carolina Utilities Commission, South Carolina Public Service Commission, or Tennessee Public Utility Commission. Purchasers of these service plans will receive no preference or special treatment from Piedmont Natural Gas. A customer does not have to buy these services in order to continue to receive the same safe reliable natural gas service from Piedmont Natural Gas.

Benefit Explanation:

Many homeowners aren't aware that they are financially responsible for the natural gas line that runs from the outlet side of the utility's responsibility and inside their home. Repairing this line may cost you hundreds of dollars. Gas Line Coverage from HomeServe gives you multiple service calls annually up to $8,000 per call year for covered repairs (30-day wait includes a money-back guarantee). You will also have 24/7 access to our members-only hotline 365 days a year.

This coverage could be an important financial help if your natural gas line breaks down. Gas line breakdowns are difficult to predict and can happen at any time. Accept coverage today and rest easy knowing your finances will be protected for covered repairs.

KNOW YOUR RESPONSIBILITY

The illustration shows the natural gas line that is typically your responsibility as a homeowner. Also shown are repairs that are commonly performed on this line and how much a licensed and insured contractor would typically charge a homeowner for repairs. How would you cope if it happened to you?

With Gas Line Coverage from HomeServe, it's not something you have to worry about; you'll benefit from a priority response and no bill to pay for covered repairs, up to $8,000 per year.

Repair section of natural gas supply line (up to 25 ft.)

[redacted]

September 16, 2020

Dear [redacted],

Thank you for choosing Gas Line from HomeServe. Your Declaration Page is on the back of this letter and the Terms and Conditions are enclosed, which together form your Service Agreement. Keep this information handy to help you use your coverage in the event of a covered gas line breakdown.

To make a service call, simply call the Emergency Repair Hotline and provide your Service Agreement Number. A local, licensed technician will be directed to your property. Once a covered repair has been completed, you will pay nothing up to your benefit amount.

Hopefully you won't be faced with an unexpected breakdown, but if you are, prompt, reliable assistance is just one call away.

We're glad you're with us.

Sincerely,

Scott Van Stratten
Customer Service

GAS LINE TERMS AND CONDITIONS

Please read carefully.

This Service Agreement

This Service Agreement provides coverage for Your gas line ("Line"). HomeServe USA Repair Management Corp. ("HomeServe") will administer this Service Agreement. Your Service Agreement ("Service Agreement") consists of these terms and conditions as well as Your Declaration Page, which lists important information about Your coverage ("Declaration Page") and is the entire agreement between You and Us.

HomeServe is Your point-of-contact for all questions or concerns.

How can You contact HomeServe?

7134 Lee Highway, Chattanooga, TN 37421 • Please see Your Declaration Page for HomeServe's phone numbers.

This is not an insurance policy. This Service Agreement is between you, the Service Agreement holder listed on the Declaration Page ("You" or "Your") and us, National Home Repair Warranty, Inc. ("Us", "We", "Our", "NHRW"), the entity obligated to provide service. We are responsible for providing Your benefits.

Eligibility

Who is eligible for this coverage?

Owners of:

- A single structure or single housing unit within a structure not intended to be moved ("Home") that is used and zoned only for residential occupancy, including:
  a) Single-family homes
  b) Townhomes and apartments
  c) Multi-family homes

If You own a multi-family Home or multiple housing units, You must provide the specific mailing address for each Service Agreement You purchase.

Who is not eligible for this coverage?

Owners of:

- Recreational vehicles or homes intended to be moved
- Properties used for commercial purposes

Properties that have:

- A Line with a pre-existing condition, defect or deficiency that You are aware of prior to the Start Date of Your first Term
- An entire Line shared with a third party or that is covered by a homeowner's, condominium or like association

Coverage

You must call HomeServe for Covered Repairs. You are responsible for charges beyond Your Benefit Limit.

Under this Service Agreement, normal wear and tear of Your Line, as described below, is characterized by deterioration that occurs naturally over time resulting from standard use.

What is a Covered Repair?

Repair or replacement of the following, for which You have sole responsibility, that is damaged due to normal wear and tear:

- Your Home's broken or leaking natural gas or propane Line and gas appliance connectors.
- Pressure regulating devices

What sections are covered?

- If connected to a gas main: Your primary Line from Your utility's responsibility, up to and including the natural gas appliance connectors located either inside or outside Your Home.
- If connected to a propane tank: Your primary Line from the external propane tank outlet connection, up to and including the propane appliance connectors located either inside or outside Your Home.
- Extension Lines exiting Your Home, up to and including the appliance connectors.

If Your Line extends beyond the walls of Your Home, You must own the land that the Line is on in order for Us to perform Covered Repairs.

What is the maximum amount We will pay for Covered Repairs?

- Up to $8,000 per Term ("Benefit Limit").
- Multiple Service Calls up to the Benefit Limit. See "What is a Service Call?" below.

What restoration is included?

- Restoration to any floor or wall inside Your Home disturbed by the Covered Repair is limited to leaving You with a floor that it is safe to walk on and a wall without holes.
- Restoration to any area disturbed by the Covered Repair is limited to filling, raking, and reseeding of grass, reinstallation of existing soft landscaping and shrubbery, and patching of paved surfaces.
- Debris will be removed from the restoration area.

Exclusions

What is not covered?

General exclusions:

1. **Damages, losses or expenses, whether from accident, negligence or otherwise, caused by: (a) You or any person or entity other than Us or HomeServe or (b) unusual circumstances, meaning a natural disaster, act of God (such as fires, explosions, earthquakes, drought, tidal waves, extreme weather, and floods), war, riots, hostilities, strikes, work slowdowns, or acts or threats of terrorism.**
2. **Excluded Damages (see "Limits of liability"), for example damages necessary to access the repair area. Your rights and remedies may vary depending on the state where Your Home is located.**
3. **Correction of, or reimbursement for, any repairs or restorations made by You or anyone You hire.**
4. **Any correction, upgrade, or move of Your existing Line in order to meet any code, law, regulation, or ordinance, if not directly related to the necessary Covered Repair.**
5. **Any section of Your Line that is shared with any third party or is covered by a homeowners', condominium or like association.**
6. **Repair or replacement of any sections or parts of Your Line that are not stated to be covered in "What is a Covered Repair?" or "What sections are covered?".**

Line exclusions:

1. **Meter moves or replacements, except when required by local code and directly related to Covered Repairs.**
2. **Appliances, fixtures.**
3. **Lines not supplied by a utility.**

Restoration exclusions:

1. **Restoration of floor coverings, fixtures, fittings, walls, or wall coverings to their original state.**
2. **Replacement of any decorative paving, pathways or landscaping features.**
3. **We cannot guarantee the survival of any living materials.**
4. **Restoration that is not stated to be covered in "What restoration is included?".**

Service calls

What is a Service Call?

A visit to Your Home by one of HomeServe's approved technicians where either work is performed to diagnose and complete a single Covered Repair or it is determined that the repair is not covered ("Service Call").

Do You have to pay anything for a Service Call?

There is no fee to make a Service Call.

When can You request a Service Call?

There is an initial period of 30 days during which You will not be able to request a Service Call ("Waiting Period"), giving You less than 12 full months of coverage in the first Term. Upon renewal (if applicable), there will be no Waiting Period.

How can You request a Service Call?

Call HomeServe and a service representative will schedule a Service Call. You will not be reimbursed for work not authorized by HomeServe. Technicians must have safe and clear access to, and safe working conditions at and around the work area. In order to make a Service Call Your Service Agreement must be active and You must be current with Your payment(s) of the amount You agree to pay for this Service Agreement, as listed on Your Declaration Page ("Price"). Whether Your Line is to be repaired or replaced is entirely within the discretion of HomeServe.

What is the Covered Repair Guarantee?

For 12 months, We will arrange at Our expense and choice for repair or replacement of Covered Repairs which are defective in materials or workmanship ("Covered Repair Guarantee"). We disclaim any and all statutory or common law warranties (whether express or implied) other than the Covered Repair Guarantee and any implied warranties that cannot be excluded under applicable law.

Term, cancellation and renewal

When does this Service Agreement start and how long is it?

Your Service Agreement begins on the start date listed on Your Declaration Page ("Start Date") and continues for 12 months ("Term").

Can You cancel?

You may cancel at any time by either calling HomeServe or going online to https://www.homeserveusa.com/cancel.

- If You cancel within 30 days of the Start Date, You will receive a full refund less any claims paid by Us.
- If You cancel more than 30 days after the Start Date, You will receive a pro-rata refund less any claims paid by Us.
- If Your local utility or municipality provides similar coverage to You at no charge and You cancel, We will refund the payments You have made less any claims paid by Us. You may be required to provide evidence of the similar coverage.

Can We cancel?

- We may cancel, with no less than 15 days' notice to You: (a) for non-payment of the Price; (b) if We find that You already have coverage that is the same or similar to the coverage provided by this Service Agreement; (c) if We find that You are ineligible for this coverage; or (d) for Your fraud or misrepresentation of facts that are material to this Service Agreement or benefits provided under it.
- We may cancel for any other reason on 60 days' notice to You.

If We cancel for (a), no refund will be given. If We cancel for (b) or (c), We will refund the payments You have made less any claims paid by Us. In all other cases You will get a pro-rata refund less any claims paid by Us.

You will be notified in writing prior to cancellation. The notice will tell You when Your Service Agreement will be cancelled and why it has been cancelled. The notice period begins when We send the notice to You.

Will this Service Agreement automatically renew?

Unless You tell Us otherwise, Your Service Agreement will automatically renew at the end of every Term for another 12 months at the then-current renewal price. We may change the price at renewal. We reserve the right to not offer this Service Agreement upon renewal.

Other terms

How can You contact NHRW?

59 Maiden Lane, 43rd Floor, New York, NY 10038 • 1-877-382-7818

Receiving documents electronically

If You consent to electronic delivery, You can receive Your Service Agreement and all related documents to the email address listed on Your Declaration Page ("Email Address"). To update Your Email Address, or discontinue electronic delivery of Your documents You can call HomeServe or update Your preferences in Your website profile at www.homeserveusa.com.

Privacy policy

HomeServe is serious about the private nature of Your personal data. Please read their Privacy Policy, a link to which can be found at the bottom of every page at www.homeserveusa.com, carefully to fully understand how they collect, share, and protect personal data about You. You can also call HomeServe to request a copy.

Assignment/Amendment

We may assign this Service Agreement, in whole or in part, at any time without prior notice to You. We may change this Service Agreement (including the Price) and delegate any of Our obligations at Our sole discretion and without Your consent provided We give You 30 days' prior written notice of the changes. The changes will become effective 30 days after We send You the notice. You may not change this Service Agreement or delegate any of Your obligations.

Transfer

You may not transfer this Service Agreement.

General

Should any of these terms and conditions conflict with the laws of Your state they shall be deemed amended so as to comply with those laws. Should

certain terms or conditions be held to be invalid or unenforceable, the remainder of these terms and conditions shall remain valid.

Responsibility for benefits owed to You

Our obligations under this Service Agreement are insured under a service contract reimbursement insurance policy. If We fail to pay or to deliver service on a claim within 60 days after proof of loss has been filed, or in the event You cancel and We fail to issue any applicable refund within 60 days after cancellation, You are entitled to make a claim against the insurer, Wesco Insurance Company at 59 Maiden Lane, 43rd Floor, New York, NY 10038, 1-866-505-4048.

Limits of liability

To the fullest extent permitted by applicable law, (1) You agree that We and HomeServe, and both of Our respective parents, successors, affiliates, approved technicians and Our and their officers, directors, employees, affiliates, agents, contractors or similar parties acting on behalf of either Us or HomeServe shall not be liable to You or anyone else for: (a) any actual losses or direct damages that exceed the lowest applicable per repair benefit limit set out above relating to any repairs performed by Us, HomeServe or on behalf of either Us or HomeServe or services provided hereunder giving rise to such loss or damage; or (b) any amount of any form of indirect, special, punitive, incidental or consequential losses or damages, damages based on anticipated or lost profits, wages, or revenue, or damages based on diminution in value or a multiple of earnings, including those caused by any fault, failure, delay or defect in providing any repairs performed by Us, HomeServe or on behalf of either Us or HomeServe or services provided under this Service Agreement, regardless of whether such damages were foreseeable and whether or not We or HomeServe or anyone acting on behalf of either Us or HomeServe have been advised of the possibility of such damages (the damages listed in clauses (a) and (b), collectively the "Excluded Damages"); and (2) these limitations and waivers shall apply to all claims and all liabilities and shall survive the cancellation or expiration of this Service Agreement. You may have other rights that vary from state to state.

Arbitration: YOU, NHRW AND HOMESERVE ALL AGREE TO RESOLVE DISPUTES BY BINDING ARBITRATION as follows:

A. **ANY DISPUTE THAT ARISES OUT OF OR RELATES TO THIS SERVICE AGREEMENT OR FROM ANY OTHER AGREEMENT BETWEEN US, OR SERVICES OR BENEFITS YOU RECEIVE OR CLAIM TO BE OWED FROM NHRW OR HOMESERVE, WILL BE RESOLVED BY ARBITRATION ON AN INDIVIDUAL BASIS.** This arbitration agreement applies to disputes no matter when they arose, including claims that arose before You and We entered into this Service Agreement. This arbitration agreement also applies to disputes involving the officers, directors, managers, employees, agents, affiliates, insurers, technicians, successors or assigns of NHRW or HomeServe. In addition, this arbitration agreement covers any claims or causes of action against NHRW or HomeServe that You may assign or subrogate to an insurer. The American Arbitration Association ("AAA") will administer the arbitration under its Consumer Arbitration Rules. The Federal Arbitration Act applies.

B. Any party bringing a claim may choose to bring an individual action in small claims court instead of arbitration, so long as the claim is pursued on an individual rather than a class-wide basis.

C. **THIS ARBITRATION AGREEMENT DOES NOT PERMIT CLASS ACTIONS AND CLASS ARBITRATIONS.** By entering into this Service Agreement, all parties are waiving their respective rights to a trial by jury or to participate in a class or representative action. **THE PARTIES AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR PRIVATE ATTORNEY GENERAL PROCEEDING.** You may bring a claim only on Your own behalf and cannot seek relief that would affect other parties.

D. HomeServe will pay any filing fee, administration, service or case management fee, and arbitrator fee that the AAA charges You for arbitration of the dispute.

E. **IF FOR ANY REASON A CLAIM OR DISPUTE PROCEEDS IN COURT RATHER THAN THROUGH ARBITRATION, YOU, NHRW AND HOMESERVE UNCONDITIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY.** This jury trial waiver also applies to claims asserted against any of the officers, directors, managers, employees, agents, affiliates, insurers, technicians, approved technicians, successors or assigns of NHRW or HomeServe.

2-32. Refer to file 5F_OtherBen Adj, the response to Consumer Advocate Requests 1-68 and 1-69. Regarding costs identified within the RSP tab of file 5F and supporting in the RSP details tab, provide the following: a) the extent to which these costs reflect cash payments along with the identification of the entity receiving the funding, b) Provide a complete definition for each cost type found within column R, "Journal Line Descr" with a total in excess of $10,000.

RESPONSE: Please see attachment.

Name and Title of Preparer: Yelena Neizvestny, Lead Financial Analyst

Name and Title of Responsible Person: David Dye, Manager - Accounting II

Response provided by Piedmont Natural Gas Company, Inc. on October 10, 2020.

2-32. Refer to file 5F_OtherBen Adj, the response to Consumer Advocate Requests 1-68 and 1-69. Regarding costs identified within the RSP tab of file 5F and supporting in the RSP details tab, provide the following: a) the extent to which these costs reflect cash payments along with the identification of the entity receiving the funding, b) Provide a complete definition for each cost type found within column R, "Journal Line Descr" with a total in excess of $10,000.

a)

Sum of TN Amount Journal Line Descr JD	Total
330 401ER	454,584
330 401KMAT	1,251,924
330 FAPER	528,235
Grand Total	**2,234,742**

The cost above is the RSP match which represents the cash funds that were transfered from Duke Energy to Fidelity and posted to individual employees' saving accounts

b)

Sum of TN Amount Journal Line Descr JD	Total	
330 401ER	454,584	Employer Retirement Contribution provides 4% of eligible pay for each pay period to non-pension eligible RSP participants, subject to IRS limits
330 401KMAT	1,251,924	Company provides 100% matching contributions for pre-tax and/or Roth contributions up to 6% of eligible pay for each pay period to RSP participants, subject to IRS limits
330 FAPER	528,235	Active participants of the Piedmont Retirement plan on Dec. 31, 2017 receive employer transition credit contributions of 3%, 4,% or 5% of eligible pay based on vesting service as of Dec. 31, 2017 for the 3-year period ending Dec. 31, 2020, subject to continued employment and IRS limits
401Kexpense	4,078	Accrual/Reversal of RSP match on incentive payout
EMPL PENSIONS AND BENEFITS	37,457	Accrual/Reversal of RSP match of bi-weekly employees for the last December payroll that occurs in January
Grand Total	**2,276,277**	

Included 401expense b/c individual lines are more than $10K

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request

Date Due: October 12, 2020

2-33. Refer to the response to Consumer Advocate Request 1-68. The first sentence in this response indicates a subset of Piedmont employees participate in the Duke Energy Retirement Cash Balance Plan (RCBP). The response indicates employees hired before 1/1/08 have been transitioned to the RCBP plan. Provide a comprehensive explanation of the retirement benefits and associated costs for those employees not participating in the RCBP.

RESPONSE: Those employees who do not participate in the RCBP earn retirement benefits in the company's 401(k) plan and receive a fixed 4% employer contribution to the 401(k). Those employees also have an opportunity to receive company matching contributions if they choose to contribute to the 401(k). Please see the attachment for costs for the plan.

Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-35. Re: Bowman's testimony on page 13 and 14, respond to the following:

a. Identify effective corporate state tax rates applicable to North Carolina operations effective January 1 for the years 2016 through 2020.
b. Given the Company's position, upheld by the Commission, that a composite state tax rate should be used in setting rates in Tennessee, what is the rationale for the Company's retention of the Tennessee portion of the Company's Accumulated Deferred Income Tax (ADIT) balance which was no longer owing as a result of the North Carolina state income tax rate reduction?
c. Provide a comprehensive explanation of the accounting entries made resulting from the change in the North Carolina state income tax rate change.
d. Provide the Tennessee portion of the excess ADIT (using the Company's composite tax methodology) which resulted from the North Carolina state tax rate changes, applying the impact on Piedmont's composite tax rate applied to the Tennessee direct and allocated ADIT balances prior to the North Carolina tax rate changes. Provide the supporting calculations underlying this response.

RESPONSE:

a. See the attachment.

b. Tennessee customers, historically, have only paid a Tennessee statutory tax rate for the cost of service calculation. The income tax captured in the cost of service calculation includes current and deferred income tax expense. The deferred income tax expense included in the cost of service calculation results in Accumulated Deferred Income Taxes (ADIT). North Carolina deferred income tax expense was never historically included in the Tennessee calculation and Tennessee has not created ADIT at a rate that represents North Carolina ADIT. The subsequent revaluation of North Carolina ADIT with the North Carolina rate changes would not create North Carolina State EDIT that would be attributable to Tennessee given the Tennessee statutory rate historically used in the Cost of Service calculation.

c. All North Carolina rate decreases have been captured on a North Carolina direct business unit since North Carolina customers paid in deferred taxes at the North Carolina statutory rates and represent North Carolina ADIT that resulted in the creation of North Carolina State EDIT.

d. No Tennessee State EDIT exists in relation to the North Carolina rate decreases.

Name and Title of Responsible Person: John Panizza, Director - Tax Operations

Response provided by Piedmont Natural Gas Company, Inc. on October 12, 2020.

Piedmont Natural Gas Company, Inc.
Docket No. 20-00086
CAD Data Request No. 2, Item 35 Attachment

Item 35a. NC Corporate Statutory Tax Rate by Year

4. Tax Rate and Basis for the Tax (G.S. § 105-130.3, G.S. § 105-130.3C, G.S. § 105-130.4)

An income tax is levied on the State net income of all corporations chartered or doing business in North Carolina unless they are specifically exempt from tax under G.S. §§ 105-130.11 and 105-131.1. State net income is taxable income as defined in the Internal Revenue Code ("Code") in effect for the income year for which the returns are to be filed, subject to the adjustments provided in G.S. § 105-130.5. The rates are as provided below:

Tax Year Beginning on or after	Tax Rate
1/1/2016	4.0%
1/1/2017	3.0%
1/1/2018	3.0%
1/1/2019	2.5%

PIEDMONT NATURAL GAS COMPANY, INC.

Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-36. Regarding the response to 1-36, confirm that the Excess Accumulated Deferred Income Taxes associated with DEBS assets whose Depreciation and Return are attributed to Tennessee operations were incorporated in the balances of Excess Accumulated Deferred Income Taxes (EADIT) referenced in Docket 18-00040 and specifically within the response to Consumer Advocate discovery request 1-19 provided by the Company. If this is confirmed, identify the amount of EADIT identified by the Company and contained within information provided to the Commission and/or Consumer Advocate in Docket No. 18-00040. If this is not confirmed provide the following:

a. Provide all book/tax timing differences by item associated with DEBS assets whose costs are then allocated to Tennessee as of the date of implementation of the Tax Cuts and Jobs Act (TCJA).
b. For each book/tax timing difference provided in a) above, provide a definition of such difference.
c. Provide the rationale for not including such excess ADIT impacts within the response to CA request 1-19 and specifically how DEBS assets were determined not to be 'corporate assets' as referenced within the request.

RESPONSE: DEBS EDIT is not reflected in Piedmont's revenue requirement calculation or proposed rates in this rate case. DEBS transactions operate under an arm's length concept. DEBS income tax expense and accounting, including associated federal income tax rates in 2018, remains on DEBS separate accounting books and is not allocated to other Duke affiliates.

2-38. Regarding the concept of risk embedded within the Company's return on equity calculation coupled with the Company's indication it will seek an Annual Review Mechanism, provide specific examples of situations that could arise which would result in the Company earning less than its authorized return.

RESPONSE: Piedmont has not yet filed a specific proposal of its Annual Review Mechanism (ARM). As explained in its general rate case application, Piedmont plans to file for an ARM upon conclusion of this general rate case proceeding. In the absence of a specific proposed ARM methodology and details at this time, it is not possible to speculate on specific examples of situations that could arise which would result in the Company earning less than its authorized return.

Date Due: October 12, 2020

2-40. Regarding the response to Consumer Advocate Request 1-73, confirm that identification of the MAOP of Piedmonts' transmission line did not occur during Duke's due diligence prior to the Piedmont acquisition. If such identification did not occur, explain why Duke did not believe this to be an item that was pertinent within its due diligence.

RESPONSE: Duke Energy's due diligence, which included review of Piedmont's gas operations, was performed through review of the PHMSA annual summary report for the transmission and distribution systems for the three Piedmont jurisdictions involved (North Carolina, South Carolina, and Tennessee), review of operations and regulatory sections held in a data room*, telephone interviews with Piedmont's operations team personnel, and logged Q&A. CONFIDENTIAL 2-40 Attachment 1 of 2 is Duke Energy's Due Diligence report of their gas operations team. CONFIDENTIAL 2-40 Attachment 2 of 2 is the logged Q&A for gas operations; note that Question No. 16 in the log was on the subject of MAOP, although the response did not identify any Piedmont transmission assets in Tennessee.

* Materials previously held in the data room (aka "VDR" or virtual data room) as part of Duke Energy's Due Diligence Review were not retained and are no longer available.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-42. Regarding statements made by Mr. Weisker's on page 7 of his testimony, he indicates the company is currently compliant with its obligations under PHMSA. Identify and explain any instances in the last ten years in which the Company was not in compliance with PHMSA obligations.

RESPONSE: Over the last 10 years, 2 violations have been noted.

1. A pipeline inspection by TRA on 10/3/14 discovered that "Equipment capable of determining the percentage of gas in air at which the odor becomes readily detectable was not calibrated in accordance with manufacturer's recommendations. Thus, the equipment may not sufficiently perform its function".

This deficiency was corrected, and a follow up letter was issued by the TRA on 1/6/15 indicating that "Operator has met the requirements of 192.625(f) and violation was closed".

2. On August 2, 2012, Piedmont experienced an explosion (Transmission line M) resulting in property damage estimated at $600,000 and the loss of approximately $477,000 worth of natural gas. As a result of an on-site inspection and extensive investigation by the Gas Pipeline Division (GSPD), it was determined that "pre-existing mechanical damage inflicted during construction eventually led to the rupture in violation of 49 CFR 192.307". 49 CFR 192.307 states, "each length of pipe and each component must be visually inspected at the site of installation to ensure that it has not sustained any visually determinable damage that could impair its serviceability". GSPD concluded that Piedmont failed to meet these requirements when the pipeline was originally put into service January 1983.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

The following is an excerpt from the November 26, 2012 notice of violation from TRA to Piedmont:

"For this violation, GPSD proposes a civil penalty of $15,000. As a result of its investigation, the GPSD has determined that PNG has taken actions to reduce the likelihood of recurrence of such an incident since the construction of transmission line M thirty (30) years ago. This amount takes into consideration PNG's actions that include an internal inspection and hydro-test of the entire length of Line M in an effort to ensure that similar conditions do not exist in other locations along the line. This amount also takes into consideration PNG's continued improvement relative to construction quality control and improved PNG operation and maintenance inspection capabilities. Such processes and capabilities should mitigate the risk of future incidents such as the one involving Line M".

During a Standard Transmission Inspection (9/16-18/13), TRA concluded Piedmont had taken required actions and Violation 192.307 was closed.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-46. Provide a comprehensive explanation underlying the $329 thousand allocated to Piedmont Tennessee operations in the test period associated with Injuries and Damages, summed from the information provided in MFR 43. This response should describe the nature of the incident(s) and how the Company arrived at the associated costs recorded to account 925000.

RESPONSE: The $329 thousand allocated to Piedmont Tennessee includes $265 thousand of worker's compensation premium. Remaining activity includes AP invoices for claims in the following categories: automobile insurance, general liability, legal fees and investigation consulting services, surety bonds, self-insurance taxes, and fire insurance. These items are all direct charged to Piedmont 3-state and the applicable percentage applied for Tennessee's portion.

Name and Title of Responsible Person: Nicole Aquilina, Accounting Manager II

Response provided by Piedmont Natural Gas Company, Inc. on October 6, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-47. Refer to file 5G Rent Adj and provide the following information:

a. Indicate whether the PTC Lease Expense is incurred through an affiliate of Piedmont. If not, who holds title to the building leased by Piedmont?
b. Regarding the lease from Duke, provide a copy of the lease agreement underlying the $6.1 Million in total charges to Piedmont (3 state) during the test period.
c. Provide all available information documenting the annual lease costs were determined based upon the actual cost of Duke. Provide all underlying calculations supporting compliance of this affiliate transaction with rules regarding such transaction adopted by the TPUC.
d. Based upon the period data provide for the Duke lease in 2019 versus the quarterly cost information provided in the first quarter of 2020 it appears there was a significant cost increase in the first period of 2020 relative to the 3 quarters in 2019. Provide a comprehensive explanation of the reason for the cost increase and provide all supporting documentation underlying such increase.

RESPONSE:

a. Please see the Company's response to CA DR 2-16a.

b. Please see the supplemental information for CA DR 1-51 provided by the Company in response to Mr. Dan Whitaker's September 17, 2020 email to Piedmont's counsel.

c. For a summary of the rent expense charged to Tennessee allocated operations from DEBS during the test period as well as the lease agreements related to these charges, please see the attachments provided in the supplemental information for CA DR 1-51 that was provided by the Company in response to Mr. Dan Whitaker's September 17, 2020 email to Piedmont's counsel. These charges are incurred by DEBS and allocated to Piedmont pursuant to Duke Energy's Cost Allocation Manual ("CAM"), which was provided in the Company's response to CA DR 1-57. They are charged to account 0931001 Rents A&G on Piedmont's books to a Piedmont 3-State business unit ("BU"), then allocated to Tennessee using the Composite

Allocation factor. The Composite Allocation Factor was provided in the Company's response to CA DR 2-99.

For the calculation of the monthly rent expense charged to Tennessee allocated operations during the test period related to DEBS return on assets, please refer to the supplemental information for CA DR 1-36 that was provided by the Company in response to Mr. Dan Whitaker's September 17, 2020 email to Piedmont's counsel. This expense is charged to account 0931008 Rents A&G I/C to a Piedmont 3-State BU on Piedmont's books then allocated to Tennessee using the Composite Allocation factor. Again, the Composite Allocation Factor was provided in the Company's response to CA DR 2-99.

See also CONFIDENTIAL Attachment 1 of 3.

d. The allocation of expenses from Duke is based on relative square footage of the business unit. The primary driver for the increase is the change in allocation percentage from 2019 to 2020 which was 7.17% to 8.43%, respectively. See Attachment 2 of 3 for the calculation of the 2019 allocation percentage and Attachment 3 of 3 for the calculation of the 2020 allocation percentage. Piedmont's square footage increased in 2020, while the overall Duke facilities foot print decreased, causing the allocation percentage to increase to Piedmont.

BROWNFIELD CONSENT ORDER & ADMINISTRATIVE SETTLEMENT

This Brownfield Consent Order & Administrative Settlement (hereinafter referred to as the "ORDER") is made and entered into by and between the Tennessee Department of Environment and Conservation (hereinafter referred to as "TDEC" the "Department") and **PIEDMONT NATURAL GAS COMPANY, INC.** for the purpose of addressing the site described hereinbelow, which has the real or perceived threat of the presence on the site of environmental conditions, contaminants, hazardous substances, solid wastes, and/or other pollutants.

PARTIES

I.

James H. Fyke is the duly appointed Commissioner of the Department. Robert A. Binford has been delegated the authority to enter into Consent Orders.

II.

PIEDMONT NATURAL GAS COMPANY, INC. (hereinafter referred to as "PNG" or the "Consenting Party") is a corporation created and existing under the laws of the State of North Carolina.

JURISDICTION

III.

Pursuant to Tennessee Code Annotated § 68-212-224, the Commissioner is authorized to enter into a consent order with a party who is willing and able to conduct an investigation and remediation of a hazardous substance site or Brownfields Project.

IV.

For the purposes of this ORDER, a Brownfield project may be a site contaminated by hazardous substances, solid waste, or any other pollutant. A "hazardous substance site" means any site or area where hazardous substance disposal has occurred.

V.

The site subject to this ORDER is owned by the Consenting Party and is located at Third Avenue North near the intersection of Stockyard Street, Nashville, Davidson County, Tennessee (hereinafter referred to as the "Site"). The Site is approximately 0.7-acres in size. A legal description of the Site and a site map are attached hereto as Exhibit A.

VI.

As required by T.C.A. § 68-212-224, the Consenting Party has submitted to the Department a summary description of all existing environmental investigations, studies, reports or documents known to the Consenting Party concerning the Site's environmental condition. A copy of this summary description is attached hereto as Exhibit B. As of the date of entering into this ORDER, the Site is not listed or been proposed for listing on the federal National Priorities List.

AGREED

A. FINANCIAL REQUIREMENTS

Tennessee Code Annotated § 68-212-224 requires consideration of a fee to enroll in the Voluntary Cleanup Oversight and Assistance Program. The Commissioner has determined that a

fee of three thousand dollars ($ 3,000.00) DOLLARS is appropriate for the Site. This payment must accompany this Order when it is signed on behalf of the Consenting Party and returned to the Department. The Commissioner has set the following schedule of additional financial assessments that apply to all sites working in cooperation with the Department to recover the expense of oversight. These financial assessments are in place of hourly time charges and normal travel costs during the first 150 hours of oversight for the project.

Program Entry	$ 750
Site Characterization	$ 2,000
Remediation	$ 2,500
Risk Assessment	$ 2,000
Site Specific Ground Water Classification	$ 2,000
Remedy Requirement Institutional Controls	$ 500
Annual O&M Review	$ 500

In addition to the fees identified previously, an annual longevity fee of $3,000 will be charged to the Site on the anniversary of the date that the site was assigned to the program by the Management Review Committee until a letter requiring no further action has been issued.

Upon reaching 150 hours of oversight, the Site will be charged the current hourly rate (e.g. seventy-five dollars ($75.00) per hour for FY 2009-2010) per hour of oversight in addition to the fee schedule listed above. This amount includes but is not limited to mileage, the current hourly rate and pro rata portion benefits for the Department's employees actively employed in oversight of work under this Order, including preparation for and attendance at meetings, mileage and the current State overhead rate. Additionally, costs billed by State contractor(s) who are actively

performing oversight, any out-of-pocket expense, lab expense or other unusual costs to the Department shall be billed to and paid by the Consenting Party.

Fees and financial assessments must be paid to remain in the Voluntary Cleanup Oversight and Assistance Program and to receive a letter of no further action under Section F of this Order.

B. IDENTIFICATION AND DOCUMENTATION OF CLEANUP

Based on the information submitted to the Department by or behalf of the Consenting Party, and the Department's own review and investigation of the Site, the Parties hereto agree that the following environmental conditions are to be addressed under this ORDER so as to include the entire approximately 0.7-acre Site, and that the matters and substances of concern addressed by this Order include all those identified in the Summary and such other information, review and investigation as is included in the Reports identified on Exhibit B, including without limitation the following:

- *Nashville Gas Holder Site Investigation Work Plan*, December 7, 2007
- *Nashville Gas Holder Interim Soil Removal Plan,* March 27, 2008
- *Nashville Gas Holder Site Investigation Report,* June 23, 2008
- *Nashville MGP Gas Holder Soil Removal Report,* March 26, 2009
- *Nashville MGP Gas Holder Site Groundwater Monitoring Report April 2009,* April 24, 2009.

C. AGREED LIABILITY RELIEF

Real or perceived hazardous substances, solid wastes or other pollutants are determined to be present on this site to an extent that may or may not have yet been fully characterized. The Consenting Party may occupy the status of a "liable party" pursuant to the definition of that term contained in T.C.A. §68-212-202(4). Liability may be apportioned pursuant to factors in T.C.A. §68-212-207 as well as other equitable factors. The Commissioner is authorized to determine an apportionment of liability within this ORDER as authorized by T.C.A. §68-212-224.

The Commissioner agrees that the response actions performed by the Consenting Party prior to the effective date of this ORDER, the implementation of the actions agreed upon in Section F, conducting any necessary operation and maintenance activities, and continued adherence and enforcement with any Notice of Land Use Restrictions imposed pursuant to or as a result of this ORDER will constitute satisfaction of Consenting Party's apportioned liability under all environmental statutes administered by the Department for the environmental conditions, hazardous substances, contamination, solid wastes and/or other pollutants identified in Section B of this ORDER. The Consenting Party, however, remains potentially responsible for any release of hazardous substances, solid wastes or other pollutants that occurs at the Site after the effective date of this ORDER and while it owns the Site and/or conducts operations at the Site.

Other than the obligations set forth in this ORDER, the Consenting Party shall bear no liability under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. §9613(f)(3)(B), or under any statute administered by the Department, for investigation, remediation, monitoring and/or maintenance of the environmental conditions, hazardous substances, contamination, solid wastes, and/or other pollutants identified and addressed in this ORDER (1) during the implementation of the response actions required hereunder, as long as the Consenting Party is and remains in compliance with the terms and conditions of this ORDER, and/or (2) following the completion of such response actions required under this ORDER; provided, however, that to the extent that the Consenting Party has or maintains an interest in the Site, or possesses and/or controls all or a portion of the Site, its liability protections hereunder are contingent upon its continued adherence and enforcement of any land use restrictions imposed pursuant to or as a result of this ORDER. This ORDER is also constitutes an administrative settlement for purposes of Section 113(f)(3)(B) of CERCLA, 42 U.S.C.§9613(f)(3)(B), pursuant to which the Consenting Party has, as of the effective date of this ORDER, resolved its liability to the State of Tennessee for the environmental conditions, hazardous substances, contamination, solid wastes and/or other pollutants identified in Section B of this ORDER. Notwithstanding the foregoing, nothing in this ORDER shall limit the liability or potential liability of the Consenting Party for contamination occurring after the effective date of this ORDER. This liability protection is extended to contractors conducting response actions at the Site, developers, tenants, and lenders, fiduciaries or insurers, conditioned upon performance of

the obligations contained in this ORDER and compliance with any land use restrictions required thereby; provided, that such liability protection to other persons does not apply to liability to the extent that such liability arose prior to this ORDER.

D. THIRD PARTY LIABILITY RELIEF

The Consenting Party shall not be liable to third parties for contribution regarding matters addressed in this ORDER, provided that the third party was given actual or constructive notice of this ORDER, and the third party has been given an actual or constructive opportunity to comment upon this ORDER. The Consenting Party has demonstrated to the Department that constructive notice was accomplished by publishing a summary of this ORDER in the *The Tennessean* at least thirty (30) days prior to the effective date of this ORDER. Nothing in this ORDER shall impair the rights of third parties with respect to tort liability claims for damage to person or property arising from the contamination addressed by this ORDER.

E. LAND USE RESTRICTIONS

The Consenting Party agrees that as long as it owns the Site it will record or cause to be recorded any land use restrictions identified by the Department as necessary for the safe use of the property or any portion of the property in accordance with T.C.A. §68-212-225. Land use restrictions for the Site as a whole shall consist of but not limited to the following:

> Prior to any part of the Property being used for a residence, domicile, daycare, school, church, outdoor playground and/or sporting fields, agricultural purpose, animal grazing, timber production, or other occupied space, the Grantor, its successors, and/or assigns must notify TDEC and must demonstrate to the satisfaction of TDEC that any such proposed use listed above will not pose a danger to public health, safety, or the environment. Prior to the removal of soil underlying the buildings or the Property, the Grantor, its successors, and/or assigns must notify TDEC and must demonstrate to the satisfaction of TDEC that any such proposed soil removal will not pose a danger to public health, safety, or the environment. Any approval granted by TDEC for the restricted uses shall be in writing, must contain a reference to this instrument, and shall be filed with the Davidson County Register of Deeds.
>
> The Grantor, its successors, and/or assigns must notify TDEC prior to any invasive activity on the Property including soil borings or potable groundwater wells. The Grantor,

its successors, and/or assigns must demonstrate to the satisfaction of TDEC, through sampling and analysis approved by TDEC, that any invasive activity will not pose a danger to public health, safety, or the environment. Any approval granted by TDEC for the restricted uses shall be in writing, must contain a reference to this instrument, and shall be filed with the Davidson County Register of Deeds.

Any Party that petitions the Department for approval of restricted uses or seeks to cancel or make a Restriction less stringent shall be responsible for any costs incurred by the Department in the review and oversight of work associated with the restriction modification.

Any new building constructed or placed at the Property shall include a vapor control system that has been approved prior to installation by TDEC or its successor in function.

Mowing of vegetation and tree pruning is allowed on the Property.

Activities necessary to maintain the security of the Property, prevent human exposure to contaminated material, and prevent erosion of the contaminated soil at the Property are permitted, if approved in advance by TDEC or its successor in function.

All other uses of the Property are prohibited, except as approved in writing by TDEC or its successor in function.

No person conducting environmental assessment or remediation at the Property, or involved in determining compliance with applicable land use restrictions, at the direction of, or pursuant to a permit or order issued by TDEC or its successor in function may be denied access to the Property for the purpose of conducting such activities.

F. AGREED ACTIONS

1. The Consenting Party agrees to send notification of this ORDER by certified mail to all local governments having jurisdiction over any part of the subject property and to all owners of adjoining properties. The Consenting Party shall provide adequate documentation to demonstrate that public notice has been accomplished.

2. The property was previously utilized as a manufactured gas storage facility with a capacity of 2 million cubic feet. The Consenting Party has conducted an investigation of the property and has performed a removal action at the Site to remove contaminated soils from the property. Although the removal action was thorough on-site, the presence of manufactured gas contaminants remaining along

the boundaries of the property is possible in areas where physical restraints (Third Avenue) prohibited a complete removal of contaminated soils. The Department has reviewed and approved all work plans and reports associated with the investigation and removal action. Additional groundwater monitoring is necessary to determine the effectiveness of remedial actions. To that end, the Consenting Party shall submit to the Department a monitoring plan for groundwater. The Department shall review and comment on the plan. Upon approval of the work plan by the Department, the Consenting Party shall implement the work plan and submit the requested information or results according to a mutually agreed upon schedule and in the format requested by the Department.

3. Following the evaluation of this information, the Department and the Consenting Party will discuss existing data and the need for any further investigation, remedial action, removal action, and/or long term monitoring and maintenance. Additional investigation, remedial action, removal action, and/or long term monitoring and maintenance to be performed by the Consenting Party shall be shall be documented in writing and appended to this ORDER. In the event the Department and the Consenting Party cannot agree on an additional action to be appended to this ORDER, no Liability Protection from the Department or from third party contribution shall apply.

4. If at or following this conference the Department determines that additional investigation, remedial action and/or long term monitoring and maintenance is reasonable and necessary, the Respondent will submit, as the Department may direct, a plan(s) for performing the additional activities.

5. Upon completion of all tasks set forth in this ORDER, the Department shall issue to the Consenting Party a letter stating the requirements of this ORDER have been fulfilled and no further action is required of the Consenting Party concerning contamination identified and addressed in this ORDER. Upon the request of the Consenting Party from time to time, the Department shall issue an interim status letter identifying what specific obligations remain to achieve completion of the

work under this ORDER. Issuance of a no further action letter shall not relieve the Consenting Party of any responsibilities for operation and maintenance activities or continued adherence to and enforcement of land use restrictions, if any, pursuant to T.C.A. § 68-212-225. The Department reserves the right to require additional action for contamination caused by the Consenting Party occurring after the date of this ORDER or for contamination not identified and addressed under this ORDER, if any. Each Consenting Party or successor in title to the Site shall be responsible for compliance with the requirements of this ORDER during the period in which such person owns an interest in the Site, or possesses and/or controls all or a portion of the Site.

G. ADDITIONAL REQUIREMENTS

1. The Consenting Party may request a time extension for any deadline included in this ORDER prior to the deadline. The time extension may be granted through mutual consent for good cause shown.

2. The Consenting Party agrees not to disturb, move or remove any areas of hazardous substances, solid waste or other pollutant(s) that are subject to liability protection under this ORDER without written approval by the Department unless the activities are being conducted under the terms and conditions of this ORDER, are necessitated by the normal day-to-day activities of any on-going business, or are being conducted pursuant to the work plan to be developed and implemented.

3. The owner and any future owner of this property shall be responsible for the following continuing obligations:

(a) Comply with land use restrictions
(b) Do not impede effectiveness or integrity of institutional controls
(c) Take "reasonable steps" to stop on-going releases
(d) Prevent or limit human and environmental exposure to any previous releases
(e) Provide cooperation, assistance and access

(f) Comply with information requests and subpoenas relative to environmental conditions at the property

4. Whether or not permits are required for onsite cleanup activities, such activities shall meet the standards that would apply if such permits were required

H. SITE ACCESS

During the effective period of this ORDER, and until certification by the Department of completion of all activities under this ORDER, the Consenting Party shall provide access to the Department and its representatives or designees upon reasonable notice during normal business hours to the Site to the extent that Consenting Party has the power and authority to grant such access. Nothing herein shall limit or otherwise affect the Department's right of entry, pursuant to any applicable statute, regulation or permit. The Department and its representative shall comply with all reasonable health and safety plans published by the Consenting Party or its contractor and used by Site personnel for the purpose of protecting life and property.

I. SUBMISSION OF INFORMATION, REPORTS, OR STUDIES

Any information, reports, or studies submitted under the terms of this ORDER shall contain the following notarized statement:

I certify under penalty of law, including but not limited to penalties for perjury, that the information contained in this document and on any attachment is true, accurate and complete to the best of my knowledge, information and belief. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for intentional violation.

J. RESERVATION OF RIGHTS

1. This ORDER shall not be construed as waiving any right or authority available to the Commissioner to assess responsible parties other than the Consenting Party for liability for civil penalties or damages incurred by the State, including any natural resource damage claims which the Department or the State of Tennessee may have under Section 107 of CERCLA or any other statute, rule, regulation or common law.

2. Nothing in this ORDER shall be interpreted as limiting the Consenting Party's rights to preserve the confidentiality of attorney work product or client-attorney communication. T.C.A. §68-212-202, et seq. contains no provisions for confidentiality or proprietary information. Therefore, records, reports, test results, or other information submitted to the Department under this ORDER shall be subject to public review. Any and all records, reports, test results or other information relating to a hazardous substance site or the possible hazardous substance at the Site submitted under this ORDER may be used by the Department for all purposes set forth in T.C.A. §68-212-201, et seq.

3. The Consenting Party may terminate this ORDER at any time upon written notice to the Department. Upon such termination, the Consenting Party shall have no further obligations hereunder other than payment of oversight costs accrued to the date of the notice of termination and adherence to any notice of land use controls filed under TCA 68-212-225.

4. The Department may terminate this ORDER by written notice to the Consenting Party in the event that the Department receives timely comments from third-party contribution claim holders pursuant to the notice sent under Section D of this ORDER, if any, and such comments disclose facts or considerations that indicate that this ORDER is inappropriate, improper or inadequate; provided, however, absent fraud or intentional misconduct, that in such event the Consenting Party may elect to waive the protections set forth in Section D hereunder and the remainder of the terms and conditions of this ORDER shall continue to be in full force and effect. The Department's notice of termination must be made within thirty (30) days of the end of the 30-day notice period required by Section D. The Consenting Party's waiver notice must be made within fifteen (15) days after receipt of the Department's termination notice. The Department may also terminate this ORDER in the event the Consenting Party fails to pay fees

and other reimbursement required by this ORDER, after 30 day of the third written notice by the Department requesting payment, by written notice to the Consenting Party.

5. If any provision of this ORDER is held to be invalid or unenforceable by a court of competent jurisdiction, then the remaining provisions of this ORDER will nevertheless remain in full force and effect.

The individual signing below on behalf of the Consenting Party represents that he or she is the duly authorized agent, capable of entering into a binding ORDER on behalf of the Consenting Party he or she executes this ORDER on behalf of.

The Effective Date of this ORDER is the thirtieth (30th) day after the publication of the notice described in Section D of this ORDER.

Summary Description of Existing Environmental Investigations

The following documents have been written concerning the environmental conditions for the Nashville MGP Gas Holder Site:

- *Nashville Gas Holder Site Investigation Work Plan.* RC Roberts Consulting Inc., March 7, 2008.

  This report presents the tasks that were proposed to gather the information necessary to delineate the extent of the contaminants associated with the site. The report also provides information about a limited two-phased environmental assessment of the site completed during the summer of 2007. The first phase was an inspection of the sub grade conditions by constructing five test pits. The second phase was a groundwater investigation and limited soil investigation using nine monitoring wells. The Phase 2 investigation was conducted by MACTEC Engineering and Consulting and documented in the *Report of Environmental Site Investigation Nashville Gas Company Property Third Avenue North and Stockyard Street Nashville, Tennessee,* August 29, 2007. This report was included as Appendix 3 of the Site Investigation Work Plan. This report presented evidence of MGP residues in both the site soil and groundwater.

- *Nashville Gas Holder Interim Soil Removal Plan.* Piedmont Natural Gas Company, March 27, 2008.

  This report presents the planned activities necessary to remove all of the material from within the concrete containment structure.

- *Nashville MGP Gas Holder Site Investigation Report.* RC Roberts Consulting Inc., June 23, 2008.

  This report presents the information obtained during the site soil investigation. A total of eight borings were constructed and focused on the area outside of the concrete containment wall. A total of 24 soil samples were collected and analyzed for semi-volatile and volatile organic compounds. Additionally 16 of the samples were analyzed for inorganic compounds. This report presented evidence of SVOC contamination in one area, Pb contamination in one area and both SVOC and Pb in one additional area.

- *Nashville MGP Gas Holder Soil Removal Report.* Piedmont Natural Gas Company, March 26, 2009.

  This report presents a summary of the activities completed during the removal of contaminated soil at the site. The report also provides the results of all of the soil sampling performed during the soil removal project.

- *Nashville MGP Gas Holder Site Groundwater Monitoring Report April 2009.* Piedmont Natural Gas Company, April 24, 2009.

  This report presents the results of the groundwater monitoring of six wells performed in April 9, 2009. The report also provides the information about one new monitoring well installed to replace one of the wells removed during the soil removal project.

- *Nashville MGP Gas Holder Site Adjacent Property Investigation Work Plan.* Piedmont Natural Gas Company, May 13, 2009.

  This report presents the activities proposed to perform a limited investigation of the adjacent property located north of the site.

- *Nashville MGP Gas Holder Site Adjacent Property Investigation Report.* RC Roberts consulting Inc. June 30, 2009.

  This report presents a summary of the activities and the analytical results of the limited soil investigation of the adjacent property located to the north of the site.

Re: No Further Action Letter for the Piedmont Natural Gas, 3rd Ave. Gas Holder Site; DoR # 19-610

Dear Ms. Lewis -Raymond:

This letter certifies completion of the Agreed Actions to Be Taken required of Piedmont Natural Gas, Inc. in the Consent Order dated June 24th, 2010 ("Order") entered into with the Tennessee Department of Environment and Conservation to address the property located at 3rd Ave. North and Stockyard Street, Nashville, TN. The Department shall require no further action of Piedmont Natural Gas, Inc. under this Order.

I appreciate your efforts to address issues at this property. For additional or site specific information, please contact the Division of Remediation Nashville Environmental Field Office Manager, Evan Spann, at 615-687-7032. If I can be of further assistance, please contact me at 615-532-0911.

Sincerely,

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-50. The response to Consumer Advocate Request 1-87 (a) indicates the Company has not identified any legacy insurance policies that would provide for cost reimbursement. The question however is whether the Company has investigated the extent to which legacy insurance policies were in place that may cover such environmental costs. Provide any available evidence that the Company has investigated the applicability of legacy insurance policies covering environmental claims.

RESPONSE: Piedmont has internally investigated if there were any legacy insurance policies that were in place to cover the deferred environmental costs. Piedmont has not identified any legacy insurance policy that would provide for cost reimbursement associated with deferred environmental expenses included for recovery in this proceeding.

Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-51. Regarding the EDIT Amortization tab within the QPB Exhibits_6-27-20, provide the support for the amortization rate of 12.01% as applied to the 3-State Joint Property excess ADIT balance as of December 31, 2017.

RESPONSE: See attachment.

The PNG 3-State rate of 12.01% is the amount of estimated tax year 2021 protected EDIT amortizations expressed as a percentage of the original Protected EDIT Amount at completion of the 2017 tax return. See the "DR 2-51" tab for a listing of every Protected PowerTax record which results in the 12.01% amortization rate. Column CR is highlighted to show the ARAM amortization for each record. Proceed to the bottom of Column CR to see the calculation of the 12.01% rate.

2-52. Regarding MFR 48 provide the following information:

A. Provide a copy of a worksheet cell references with formulas intact.
B. It appears total Deductible State Tax is additive to pre-tax book income to arrive at Financial Taxable Income. Provide an explanation supporting the addition of Deductible State Tax in Arriving at Financial Taxable Income.
C. Provide the underlying supporting calculation for the Deductible State Tax amount of $886,417.
D. Provide the underlying calculation and supporting information for the balance of the Total deferred Tax Provision of $15,888,105.

RESPONSE:

A. See 2-52 Attachment 1 of 3.

B. Current state tax expense is a deductible item on the federal tax return. Line 16 of the 'TN MFR 48 and 49' tab represents a negative deduction for state tax for the tax provision captured in the MFR. A negative deduction is the result of state tax losses, which results in a state tax benefit instead of a state tax expense.

C. See 2-52 Attachment 2 of 3 herein.

D. See 2-52 Attachment 3 of 3 herein.

MFR 48 - Total Federal Deferred Tax Provision Balance	**15,888,103**

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-53. Regarding MFR 48 provide a definition for the following items and why such items factor into Income Tax Expense calculated for Piedmont-TN: (Amounts listed are Tennessee Allocated Operations)

A. AT_OTH_190_NC_Federal NOL" 190155_Other NC Federal NOLs (14,292,410)
B. AT_OTH_190_NC_R&D Credit: Other Noncurrent after-Tax DTA for R&D Credit: 608,234
C. AT_OTH_283_NC: Other Non-Current After-Tax DTL: 485,097
D. Carryback: Amended Return Rate Differential: (45,400)
E. CR6765 R&D Credit: (447,986)

RESPONSE:

A. Federal NOL Utilization. Prior year federal NOLs that have been carried forward since they weren't used in a prior year can be utilized in a future year to reduce income tax expense.

B. R&D Credit Deferral. An R&D Credit was not able to be taken on the current year tax return, so it was deferred to be used in a future year.

C. This represents a movement from accumulated deferred income taxes that were no longer deemed necessary to a regulatory liability. There is no income statement impact because the current income tax expense is offset by deferred income tax expense.

D. This captures the federal income tax rate differences on amended returns. This specifically relates to an adjustment for the system tax rate, 21% for 2018, for an amended 2017 tax return where the tax rate was 35%. This item captures the rate difference between 21% and 35% in this scenario and is offset by the creation of EDIT.

E. R&D Credit. This captures the R&D Credit generated on the tax return. Item B, above, captures the deferral of this credit.

Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

Name and Title of Preparers: Chris Nelson, Tax Services Manager; and Brian Neiheisel, Senior Tax Services Manager

Name and Title of Responsible Person: John Panizza, Director - Tax Operations

Response provided by Piedmont Natural Gas Company, Inc. on October 12, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-54. Refer to MFR 48 Attachment. Provide a comprehensive explanation and analytical support for the Rate Refunds (T20A41) in the Piedmont Tennessee amount of $3,095,060.

RESPONSE: The activity on Rate Refunds (T20A41) is set-up to capture the book-tax difference related to the regulatory liability created as part of the change in federal income tax rate related to the base rates revenue requirement. This would be rates collected from customers at 35% during the period that Piedmont only had to pay federal income tax at 21%. This difference was deferred to a regulatory liability (FERC 229 – Accumulated provision for rate refunds), to be given back to customers for books. The tax approach was to reverse this deferral back into taxable income until commission approval was received to refund the regulatory liability. Tax could not support deferring the taxable income without regulatory authority supporting the deferral. $3,095,060 is the amount that existed for YTD March 2019. In June 2019, when Commission approval was received, tax started following the book deferral and any corresponding refunds. Because the test period splits two calendar years, the $3,095,060 established in Q1 2019 gets reversed as ($3,095,060) in Q2 2019 to result in a zero book-tax adjustment for calendar 2019 because the Commission approval in June 2019 allowed tax to start following books from a deferral perspective.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-55. Refer to MFR 48 attachment, specifically item T22A23. Provide a comprehensive explanation of the nature of each environmental reserve as well as identifying the annual period such reserves were recorded to expense.

RESPONSE: See CONFIDENTIAL response to DR 2-49 for discussion on the nature of each environmental reserve. See schedule 5B_DefEnv Adj for amortization expense.

Name and Title of Preparer: Quynh Bowman, Director - Gas Rates & Regulatory Strategy

Name and Title of Responsible Person: Quynh Bowman, Director - Gas Rates & Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 12, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-56. Refer to the response to Consumer Advocate Request 1-96 and 1-99. Provide the following:

a. Provide all book/timing differences supporting the $690,900,266 (total Piedmont) balance of Accumulated Deferred Income Taxes as of December 31, 2019.

b. Provide the monthly book/tax timing differences supporting the Tennessee jurisdictional balances of Accumulated Deferred Income Taxes each month of the test period.

c. For any book/tax timing item in excess of $500,000 (Tennessee jurisdictional) based upon the December 2019 balance, provide an explanation of how such timing difference is assigned to the Tennessee jurisdiction.

RESPONSE:

a. See 2-56 Attachment 1 of 2.

b. See 2-56 Attachment 2 of 2.

c. All book/tax timing differences that make up the December 2019 balances are assigned/allocated to the Tennessee jurisdiction consistently. Book/tax timing items that are captured on Tennessee Direct business units are 100% assigned to the Tennessee jurisdiction. Book/tax timing items that are captured on Piedmont's Three-State business units are assigned to the Tennessee jurisdiction based on a Net Plant Allocation factor for Tennessee. Book/tax timing items that are captured on any other business units are not assigned to the Tennessee jurisdiction.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-57. Refer to the response to Consumer Advocate Request 1-99. Regarding the following deferred tax timing differences supporting the balance of the deferred tax asset balances provide the justification for inclusion of the following items in Rate Base:

a. FIT Gross-Up on Excess Federal Tax

b. SIT Gross-Up on Excess Federal Tax

c. Gas Deferreds, including an explanation why the normalized balance of this should be something other than zero.

d. Deferred Revenue.

e. Rate Refunds

f. Other NC State NOLs

RESPONSE:

a. FIT Gross-Up on Excess Federal Tax – This is the Federal ADIT on EDIT as required by FAS 109. Its offset is captured in the EDIT regulatory liability accounts, resulting in a net zero impact to rate base.

b. SIT Gross-Up on Excess Federal Tax – This is the State ADIT on EDIT as required by FAS 109. Its offset is captured in the EDIT regulatory liability accounts, resulting in a net zero impact to rate base.

c. Gas Deferreds – Gas deferreds are an item that is excluded from rate base. On Consumer Advocate Request 1-99, there is an adjustment at the bottom of the filing that removes gas deferreds from rate base. From a tax accounting perspective, a deferred tax item still exists for

SEC reporting purposes, which is why a balance exists on the report but is then adjusted out for rate making purposes.

d. Deferred Revenue – This is a book deferred revenue item that creates a book/tax difference. Book is deferring revenue, while tax is accelerating it back into income due to no existing tax rule to defer the revenue.

e. Rate Refunds - Rate Refunds captures the book-tax difference related to the regulatory liability created as part of the change in federal income tax rate related to the base rates revenue requirement. This is ADIT on a regulatory liability as required by FAS 109.

f. Other NC State NOLs – State NOLs are captured on a 3-state business unit since the starting point of state tax returns is all Piedmont taxable income. Therefore Tennessee is getting an allocated portion of North Carolina's NOL and North Carolina is getting an allocated portion of Tennessee's NOL.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-58. Refer to the response to Consumer Advocate Request 1-99. Regarding the following deferred tax timing differences supporting the balance of the deferred tax liability provide the justification for inclusion of the following items in Rate Base:

a. Tax Interest Capitalized – in addition, provide a definition for this item.
b. Impairment of Plant Assets
c. NC-Bonus Depreciation Adj
d. NJ-Bonus Depreciation Adj.
e. SC-Bonus Depreciation Adj.
f. Pre-Existing Deferreds Gross-up-State
g. Pre-existing Deferreds Gross-up-Fed
h. Deferred fuel Asset-LT

RESPONSE:

ADIT balances are included in the rate base calculation as a reduction to rate base. An ADIT debit balance is treated for ratemaking purposes akin to an interest-free loan.

a. Tax Interest Capitalized – This is the amount of capitalized construction interest. This is similar to AFUDC Debt but the rate is calculated separately and is a tax specific calculation. AFUDC Debt is not used on the tax return.

b. Impairment of Plant Assets - This is used when book accounting "impairs" or "writes-off" certain book assets. In many cases the asset will remain a tax asset which results in a temporary timing difference between book and tax.

c. NC-Bonus Depreciation Adj - North Carolina Income Tax does not calculate bonus depreciation the same as Federal Income Tax. This is the difference between the two methods.

d. NJ-Bonus Depreciation Adj. – This code represents West Virginia Depreciation. West Virginia does not recognize bonus depreciation. This is the difference between the Federal Tax Depreciation and the State Tax Depreciation.

e. SC-Bonus Depreciation Adj. - South Carolina does not recognize bonus depreciation. This is the difference between the Federal Tax Depreciation and the State Tax Depreciation.

f. Pre-Existing Deferreds Gross-up-State – This is the State ADIT on tax regulatory liabilities. Its offset is captured in the tax regulatory liability accounts, resulting in a net zero impact to rate base.

g. Pre-existing Deferreds Gross-up-Fed - This is the Federal ADIT on tax regulatory liabilities. Its offset is captured in the tax regulatory liability accounts, resulting in a net zero impact to rate base.

h. Deferred fuel Asset-LT – This represents overcollections that must be returned to customers. Under the claim of right tax inclusion rules, when a taxpayer receives funds under an unconditional obligation to repay those funds, the taxpayer does not have to include those receipts in taxable income.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-59. Regarding the testimony of Ms. Powers on pages 5 and 6, indicate whether Piedmonts ratepayers in North Carolina and South Carolina fund GTI and if so indicate the docket number(s) in which such funding was approved.

RESPONSE: The base rates charged to Piedmont's North Carolina and South Carolina customers include recovery of GTI program funding. The level of cost recovery is aligned with Piedmont's customer count in those jurisdiction. Accordingly, in this rate case Piedmont seeks to increase its GTI funding in alignment with its customer base in Tennessee.

For NC, GTI funding was approved in rates set in the following Docket Nos: G-9, Sub 499; G-9, Sub 550; G-9 Sub 631; and G-9, Sub 743.

For SC, GTI funding was approved in rates set in the following Docket Nos: 2011-7-G; 2012-7-G; 2013-7-G; 2014-7-G; 2015-7-G; 2016-7-G; 2017-7-G; 2018-7-G; 2019-7-G; and 2020-7-G.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

CONFIDENTIAL 2-60 Attachment 6 of 9:

Confidential Attachment Filed Under Seal

U.S. Department
of Transportation
Pipeline and Hazardous
Materials Safety
Administration

1200 New Jersey Ave., S.E.
Washington, D.C. 20590

CERTIFIED MAIL

FY 2019 PIPELINE SAFETY USER FEE ASSESSMENT

Operator ID #: 15518
PIEDMONT NATURAL GAS CO INC
Randall Suttles
Manager Regulatory Compliance
139 E. FOURTH STREET, MAIL DROP EX460
CINCINNATI, OH 45202

BILL NUMBER: 20198-030534
BILL DATE : 3/29/2019
DUE DATE : 5/28/2019
ASSESSMENT : $980,547.68

FED Tax ID : 80-0216967

The U.S. Department of Transportation, through the Pipeline and Hazardous Materials Safety Administration (PHMSA), is authorized to assess and collect user fees to fund its pipeline safety program activities. (See §60301, Title 49, U.S. Code - formerly §7005 of the Consolidated Omnibus Budget Reconciliation Act of 1985). Accordingly, your company's assessment is $980,547.68 based on $342.37 per mile of the 2,864 miles of natural gas transmission pipeline reported on the Annual Report for Gas Transmission and Gathering Systems for calendar year 2017 (Form PHMSA F 7100.2-1).

The Department of Transportation is committed to moving towards paperless processing of collections. You are encouraged to submit payment via https://pay.gov, where our secure website can be used to make payments by credit/debit card, or Automatic Clearing House Payment (ACH Direct Debit). Follow the website instructions to make your annual pipeline user fee payment.

In the event you must make payment by check, please pay the full amount, with check payable to "US Department of Transportation-PHMSA". To ensure proper crediting, please include the bill number on your check or return a copy of the bill with your payment. For late payments, you will be charged 1% annual interest, 6% annual penalty charge, and a $12.00 per month administrative fee. (See §3717, Title 31, U.S. Code).

Mail Payments to:

DOT/PHMSA
c/o ESC, AMK-325
6500 S. MACARTHUR BLVD
HQS BLDG RM 181
OKLAHOMA CITY, OK 73169

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-61. Refer to the attached spreadsheet titled "Discovery Request 2-61". Please reconcile the composite allocation factor data within the worksheet, taken from the March 2020 Form 3.03 report, with that included within the supporting workpapers referenced within the worksheet.

RESPONSE: Please see the Company's response to CA 1-46 Attachment 4 of 8 for the Composite Allocation Factor for use in FY 2020 including the supporting calculation.

Name and Title of Preparer: Ellen V. Digh, Lead Rates & Regulatory Strategy Analyst

Name and Title of Responsible Person: Quynh Bowman, Director – Gas Rates and Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 6, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-62. Refer to the Company's response to CA1-1 regarding the Chart of Accounts along with the Financial Statements from 2011 through 2020. An examination of the attached Financial Statements reveals that the account numbers were changed beginning in January 2018. For example, the 2017 financial statements show Industrial Gas Sales charged to account 48120 while the 2018 financial statements show this category charged to account 0481000. Provide an account number mapping from the Pre-2018 Chart of Accounts to the one used by Piedmont today.

RESPONSE: Please see attachment.

Name and Title of Preparer: Jenny Furr, Rates and Regulatory Strategy Manager

Name and Title of Responsible Person: Quynh Bowman, Director Rates and Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 10, 2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-63. Refer to Rate Schedules 307 and 313 included in the tariff attached to Company witness Powers' testimony. Both of these Rate Schedules contain identical language regarding the weighting of pipeline throughput that reads as follows:

GULF COAST, Tenn 500 So LA Z1 x .5
+
GULF COAST, TNN 800 So LA Z1 x .5

In order to determine if the current pipeline weighting in the Company's tariff is still appropriate, provide the monthly throughput from each delivery pipeline from January 2016 through March 2020.

RESPONSE: See CONFIDENTIAL attachment showing the monthly throughput from each delivery pipeline from January 2016 through March 2020.

The weighted pipeline calculations used for the "Weighted Index Price" in Rate Schedule 307 and the "Monthly Standby Index Price" in Rate Schedule 313 are based on the amount of Firm Transportation the Company holds on Tennessee Gas Pipeline (TGP). The monthly throughput from each delivery pipeline was not the determining factor for the current weighted pipeline calculations. These calculated prices in the tariff apply to brokers that make deliveries to the Company's Citygate. The brokers make all deliveries at the TGP Citygate, which is why only the amount of Firm Transportation from TGP is used in the weighted pipeline calculations.

PIEDMONT NATURAL GAS COMPANY, INC.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-64. Refer to the "UPIS 3.31.2020" tab of the "QPB Exhibits_6-27-2020" spreadsheet included with the Company's filing that provides the basis for the test period plant in service of $1,316,834,205 in Cell O77. Provide the monthly plant in service by subaccount segregated between Tennessee Direct Plant and Piedmont Allocated Plant in this same format from May 2011 (the end of the last rate case in Docket 11-00144) through March 2020.

RESPONSE: See 8 attachments for the monthly plant in service balances by subaccount from May 2011 through March 2019. The monthly plant in service balances for March 2019 through March 2020 are shown in the "UPIS 3.31.2020" tab of the "QPB Exhibits_6-27-2020.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-65. Refer to the "TN Direct" tab of the "QPB Exhibits_6-27-2020" spreadsheet included with the Company's filing that provides the basis for the attrition period plant in service of $1,545,454,176 in Cell BY81. Provide the source and support for the monthly "projected net additions" segregated between Tennessee Direct Plant and Piedmont Allocated Plant and split between monthly plant additions and monthly plant retirements from April 2020 through December 2021.

RESPONSE: See attachment.

Name and Title of Preparer: Laura Hager, Lead Rates & Regulatory Strategy Analyst

Name and Title of Responsible Person: Quynh Bowman, Director - Gas Rates & Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 12, 2020.

29500	Laboratory Equipment		(9,953)
29700	Communication Equipment		
		0.00	(0.00)

The Transportation alignment is merely a reclassification between the 292 accounts (all transportation) of different types of transportation vehicles to align how the assets are recorded in the plant records to what is shown on the depreciation study.

The Compressed Natural Gas realignment is to reclassify to the Compressed Natural Gas Assets to 29002 from Tools (294), Lab Equipment (295) and Structures (290) per the depreciation study. There was a desire to separate these assets from other accounts to be able to clearly see the CNG balances separate from other general plant assets, due to the uniqueness of the assets.

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-67. Refer to the "TN Direct" tab of the "QPB Exhibits_6-27-2020" spreadsheet included with the Company's filing that provides the basis for the attrition period plant in service of $1,545,454,176 in Cell BY81. Specifically refer to Cell AJ54 of this spreadsheet which includes a "Plant Balance Realignment" of $5,065,961 for compressed natural gas. Explain the Company's rationale for including plant associated with compressed natural gas as a regulated asset in the rate base calculation.

RESPONSE: Refer to ordering paragraph 4 on pdf page 18 in 2-67 Attachment 1 of 2, which states the following:

> "Piedmont Natural Gas Company Inc.'s Compressed Natural Gas investment will be treated similarly to all other investment added between rate cases, and Piedmont Natural Gas Company, Inc. will be allowed to request that the $4.7 million Compressed Natural Gas investment in rate base be included for recovery in the Company's next rate case."

See 2-67 Attachment 2 of 2 for a reconciliation between the $4.7 million balance referred to in the attached order and the $5,065,961 included in Piedmont's rate base in this current proceeding.

BEFORE THE TENNESSEE REGULATORY AUTHORITY

NASHVILLE, TENNESSEE

October 5, 2015

IN RE:	)	
	)	
PETITION OF PIEDMONT NATURAL GAS COMPANY, INC. FOR APPROVAL OF A CNG INFRASTRUCTURE RIDER TO ITS APPROVED RATE SCHEDULES AND SERVICE REGULATIONS	)	**DOCKET NO. 14-00086**

ORDER GRANTING, IN PART AND DENYING, IN PART PETITION

This matter came before Chairman Herbert H. Hilliard, Vice Chairman David F. Jones and Director James M. Allison of the Tennessee Regulatory Authority ("Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on February 9, 2015, for the consideration of the *Petition of Piedmont Natural Gas Company, Inc. for Approval of a CNG Infrastructure Rider to its Approved Rate Schedules and Service Regulations* ("*Petition*").

BACKGROUND

Piedmont Natural Gas Company, Inc. ("Piedmont" or the "Company") is a public utility subject to TRA jurisdiction that is engaged in the business of transporting, distributing, and selling, natural gas in Tennessee. On August 29, 2014, Piedmont filed a *Petition* seeking approval under Tenn. Code Ann. § 65-5-103(d)(6) and TRA Rule 1220-4-1-.04[1] of a Compressed Natural Gas ("CNG") Infrastructure Rider to recover capital costs and expenses related to the construction and

[1] Under TRA Rule 1220-04-01-.04, any changes to a public utility's tariff must be filed with the Authority at least thirty (30) days before the effective date. The proposed changes go into effect at the end of such period, unless the Authority suspends the effectiveness thereof pending further investigation (*see also* TRA Rule 1220-04-01-.06(4) and (5) and Tenn. Code Ann. § 65-5-103(a)).

expansion of CNG infrastructure and equipment to offer and provide CNG as an alternative motor vehicle transportation fuel.[2]

During the regularly scheduled Authority Conference held on September 15, 2014, the voting panel of Directors appointed General Counsel or her designee to act as Hearing Officer to prepare this matter for hearing.[3] In an order issued October 2, 2014, the Hearing Officer granted the petitions to intervene filed by the Consumer Advocate and Protection Division of the Office of the Attorney General ("Consumer Advocate" or "CAPD") and the Tennessee Fuel and Convenience Store Association ("TFCA") on September 18, 2014 and September 29, 2014, respectively. On November 6, 2014, the Hearing Officer issued an order consolidating TRA Docket Nos. 14-00086 and 14-00087 stating that the subject matters of the two dockets are interrelated, and consolidating the dockets would be the most efficient way to proceed.[4]

THE *PETITION*

In its *Petition*, Piedmont seeks to implement a CNG Infrastructure Rider ("CNG IR") to recover, on an intra-rate case basis, costs associated with capital expenditures incurred in the expansion of existing CNG infrastructure and construction of new CNG filling stations.[5] Piedmont states these expansions are necessary in order to "increase accessibility and improve safety in response to the growing demand for natural gas as an alternative motor vehicle transportation fuel in Tennessee."[6] Along with its *Petition*, Piedmont filed Proposed Service Schedule No. 318, which is the CNG IR. On September 4, 2014, Piedmont filed a tariff amending its existing Rate Schedule 342, which was initially approved in the Company's last rate case, TRA

[2] *Petition*, p. 3 (August 29, 2014).
[3] *Order Convening a Contested Case and Appointing a Hearing Officer* (September 24, 2014).
[4] *See Order Consolidating Dockets and Amending Procedural Schedule*, pp. 1-2 (November 6, 2014).
[5] *Petition*, p. 3 (August 29, 2014).
[6] *Id.*

Docket No. 11-00144, related to Natural Gas Vehicle ("NGV") fuel.[7] The Company also filed Rate Schedule 343, which is experimental and designed to determine the need for NGV fuel.

According to the *Petition*, Piedmont currently operates two (2) CNG filling stations in Tennessee that are accessible to the public.[8] Piedmont states that it spent $1.2 million to upgrade the facilities at its Resource Center to improve access and $3.5 million in construction costs for the new station on Spence Lane, which amounts to a total capital investment of $4.7 million from March 2012 to June 2014.[9] Based on market demand, the Company anticipates constructing one additional filling station for public access and another to be located on the site of an existing commercial business, such as a convenience store.[10] The Company projects costs of these new projects to be approximately $4.6 million.[11] Piedmont states that such investment is consistent with the intent of the new state legislation to support the expanding market for alternative motor vehicle transportation fuel and may provide opportunities for economic development benefits for the areas served.[12]

CNG IR Tariff (Proposed Rate Schedule 318)

According to Piedmont, expanding existing CNG infrastructure is an investment that does not generate additional incremental revenues sufficient to guarantee an offset to the costs incurred.[13] As a result, Piedmont states its opportunity to earn its allowed return on investment is negatively impacted.[14] Piedmont's proposed solution is a rider to its tariff implementing a recovery mechanism to recoup its costs associated with these types of investments on an intra-rate

case basis.[15] The recovery mechanism will include a return on investment, depreciation and taxes, consistent with the cost of service treatment approved by the Authority in its last full rate case.[16] Cost recovery will be allocated to the customer classes based on the revenue allocation percentages used in the last rate case proceeding and applied volumetrically to customer usage.[17] Piedmont states it will file quarterly reports with the Authority, detailing the amount of capital expenses that are recorded in a deferred account.[18] Annually, the Company will file a petition requesting to update its rates in order to recover these costs.[19]

Piedmont asserts the CNG IR mechanism is in the public interest and benefits the Company as well, since it allows for smaller more frequent adjustments to its rates, and enhance public safety and accessibility to CNG distribution in Tennessee.[20]

Natural Gas Vehicle Fuel Tariffs (Rate Schedules 342 and 343)

Piedmont filed a revised Rate Schedule 342 NGV Fuel tariff and a new Rate Schedule 343 Experimental Motor Vehicle Fuel Service tariff. Both tariffs address the sale of natural gas for the purpose of compressing it for resale as CNG for use as transportation fuel. Rate Schedule 342 was approved in the Company's last rate case, and Rate Schedule 343 is experimental for a period of three (3) years, after which the tariff may be discontinued, extended, or modified upon a proposal by an interested party. The tariff is designed to determine the relative need for sales/transportation service to meet the NGV fuel needs and whether the Company's existing facilities can accommodate such need.[21]

JANUARY 12, 2015 HEARING, APPEARANCES AND POST-HEARING FILINGS

A Hearing in this matter was held before the voting panel on January 12, 2015, as noticed by the Authority on January 2, 2015. Pursuant to the Procedural Schedule and its modifications issued by the Hearing Officer, the parties filed Supplemental Direct Testimony on October 31, 2014, Direct Testimony on December 5, 2014 and December 11, 2014, and Rebuttal Testimony on December 19, 2015. Participating in the hearing were the following parties and their respective counsel:

Piedmont Natural Gas Company, Inc. – James H. Jeffries, IV, Esq., Moore and Van Allen PLLC, 100 North Tryon Street, Suite 4200, Charlotte, NC 28202.

Consumer Advocate – Wayne Irvin, Esq. & Vance Broemel, Esq., Office of the Attorney General, 425 Fifth Avenue North, Fourth Floor, John Sevier Building, P.O. Box 20207, Nashville, TN 37202.

TCFA - Melvin J. Malone, Esq., Butler, Snow, O'Mara, Stevens & Cannada, PLLC, 1200 One Nashville Place, 150 Fourth Avenue North, Nashville, Tennessee 37219.

Ken Valentine and Pia Powers appeared as witnesses for Piedmont. William H. ("Hal") Novak and Christopher C. Klein appeared as witnesses for the CAPD. TFCA presented Ron Jones and Scott M. Carr as its witnesses. The witnesses were subject to cross-examination by the other parties and questions from the panel. In addition, at the start of the Hearing, members of the public were given an opportunity to present comments to the panel, but no one came forward to comment. Following the Hearing, the panel took the matter under advisement, and the parties filed Post-Hearing Briefs on January 22, 2015.

POSITIONS OF THE PARTIES

The parties have set forth their arguments in full in the record of this docket, in their pre-hearing memoranda, in the presentation of their cases at the Hearing, and in their Post-Hearing Briefs. The following section is intended as a brief summary of the positions of Piedmont, the CAPD, and TFCA in this matter.

Piedmont

According to Piedmont witness Pia Powers, the legal basis for its *Petition* is Tenn. Code Ann. § 65-5-103, which allows alternative regulatory methods for expansion of economic development infrastructure, and which may include cost for infrastructure associated with alternative motor vehicle fuel.[22] Ms. Powers testifies the proposed CNG IR mechanism is similar to the Company's Integrity Management Rider ("IMR") (Rate Schedule 317), which was approved by the Authority in Docket No. 13-00118.[23] Ms. Powers asserts that the structures are the same and the CNG mechanism operates like the IMR, except for the annual date that the rate changes occur under each mechanism.[24] The IMR rate changes are effective each January and the CNG IR rate changes are proposed to be effective each November.[25] Ms. Powers testifies that:

> [I]n my view the proposed rider mechanism has the following attributes to support it:
>
> 1. [I]t is expressly authorized by Tennessee law;
> 2. [I]t relates directly to efforts by Piedmont to enhance economic development by providing additional CNG infrastructure;
> 3. [I]t is an efficient, targeted, and limited mechanism to deal with intra-rate case costs that might otherwise generate repeated rate case filings;
> 4. [I]t benefits Piedmont, its customers, the TRA and Staff by reducing expense and administrative burden associated with serial and otherwise unnecessary general rate case proceedings; and
> 5. [I]t is in the public interest.[26]

Piedmont maintains that it is authorized to provide CNG sales and/or transportation service as a regulated utility service within its service territory in Tennessee.[27] To substantiate this claim, the Company points to Rate Schedule 342, which was approved by the Authority in its last rate

[27] Piedmont's Responses to the TRA's 1st Set of Data Requests, Response #5 (October 23, 2014).

case, and under which it has been operating since April 2012.[28] The Company states that due to a current lack of a competitive market for CNG within its service territory, the intrinsically identical nature of CNG and natural gas and Piedmont's status as a regulated provider of natural gas, it is appropriate for Piedmont to offer CNG to the public as a regulated service.[29] Piedmont also points to the fact that it is currently providing CNG sales as a regulated service in its North and South Carolina service territories.[30]

Piedmont's justification for spreading any cost under-recovery related to the provision of CNG service across its total customer base is that (1) it is a developing market and has the potential for future significant contributions to the Company's revenue requirements; and (2) utility rates are not based solely on cost and potential cross-subsidization between customer classes already exists.[31] Piedmont points out that the purpose of the recovery mechanism is to accelerate Piedmont's ability to earn a return on its invested capital in CNG-related equipment, and much of the services offered will be wholesale service to customers providing their own compression equipment.[32]

In her Rebuttal Testimony, Ms. Powers testifies that the Authority's approval of the Stipulation between Piedmont and the Consumer Advocate in the last rate case established that Piedmont's CNG sales for motor vehicle fuel is a regulated service.[33] Based upon the approval of Rate Schedule 342, Ms. Powers testifies that Piedmont moved forward with the development of the CNG market assuming that its approximate $5 million investment would be recovered through

rate base treatment.[34] According to Ms. Powers, it is unfair and unjust to retroactively reverse a previous Authority decision and force Piedmont to reclassify prior investments.[35]

According to Ms. Powers, the intervening parties lack evidence to support the allegations that CNG rates will be subsidized.[36] She testifies that in order to support this assertion, there would need to be a thorough review of the revenues and cost for each customer class, similar to a rate case proceeding, and this has not been done.[37] Finally, Ms. Powers testifies that it is common for subsidization to occur between customer classes, the contribution to the overall revenue requirement by customer class can vary over time and no evidence has been presented in this case to determine CNG service will be subsidized by other customers.[38]

Piedmont witness Ken Valentine emphasizes the compression of natural gas does not change the form or chemical composition of gas and the use of natural gas as motor fuel is just another end use of the product.[39] Gas may take on a different form or be compressed at a different pound per square inch depending on the use or transport method.[40] There has not been any differential regulatory treatment of natural gas based on its compression or form.[41] Mr. Valentine points out that there is no difference in the natural gas provided pursuant to Rate Schedule 342 and what is provided under other existing tariffs.[42] Therefore, its regulatory status should remain unchanged.[43] Mr. Valentine testifies that numerous other states promote and regulate the sale of CNG by regulated utilities.[44] Also, Memphis Gas, Light and Water operates a public CNG

station.[45] Further, according to Mr. Valentine, public literature supports the requested regulatory treatment of CNG.[46]

In addressing the proposed protective measure of the Consumer Advocate should the *Petition* be approved, Mr. Valentine points out that if the intervening parties' positions are accepted by the Authority, "the impact will be a detriment to the establishment of CNG as a meaningful alternative motor vehicle fuel in Tennessee."[47] Public interest is best served by allowing Piedmont to proceed with its stated goals of developing the CNG market in Tennessee and restricting Piedmont's actions based possible events in the future would be detrimental to the development of the market in Tennessee. [48]

Consumer Advocate

According to CAPD witness Hal Novak, "CNG is a completely different product than the regulated natural gas… [f]urther, the different customer bases and pricing for CNG and natural gas support this distinction." [49] Mr. Novak explains the price of natural gas in the Piedmont's monopoly service area is set by tariff, and the Company must get approval from the TRA to change that price.[50] "On the other hand," testifies Mr. Novak, "the retail price for CNG, although set by tariff at the wholesale level, can fluctuate up or down as determined by Piedmont, and not by the TRA."[51]

Mr. Novak acknowledges that the TRA approved a CNG tariff in Piedmont's last rate case, and as a witness for the Consumer Advocate, he recommended approval. [52] However, according to Mr. Novak, the recommendation was based on a belief that the CNG tariff was intended for

[52] *Id.* at 8.

service to the Company's own vehicle fleet, using its own existing facilities and that it would be only a small sideline business.[53] Mr. Novak testifies that "[i]t is now apparent that the scope and scale of the Company's plans for CNG exceed that of the sideline business activity that was anticipated in their last rate case."[54]

Mr. Novak points out that Piedmont failed to inform the TRA of its material investment in CNG infrastructure in the last rate case and failed to inform the TRA of its CNG expansion plans until the present *Petition*, despite the fact that TRA Rule 1220-4-1-.01(1)(a) requires the annual filing of a capital budget outlining capital construction projects both routine and specific for the current year.[55] Therefore, the risk of cost recovery falls to the shareholders.[56]

According to Mr. Novak, the intent of the legislation relied on by Piedmont is that the statute not result in any cross-subsidization.[57] Mr. Novak testifies that the mechanism proposed by Piedmont clearly requires utility ratepayers to subsidize the cost of the unregulated retail sale of CNG at a rate of approximately $558,000 per year.[58] Therefore, Mr. Novak recommends that the proposed Rate Schedule 318 be denied.[59] Further, Mr. Novak recommends that Rate Schedule 342 be discontinued and any sales of natural gas for the purpose of resale as CNG by captured under Rate Schedule 343.[60] According to Mr. Novak, if the TRA should approve the Company's *Petition* as filed, then a mechanism should be implemented whereby utility ratepayers can recoup their subsidy investment should CNG operations fail or are sold off.[61]

The testimony of CAPD Witness, Dr. Klein, primarily addresses the public interest aspect of the Company's proposal. He states that the cost recovery is allowed by statute only if the

[61] *Id.* at 13.

Authority finds that it is in the public interest.[62] Dr. Klein recommends that the TRA "treat Piedmont's provision of CNG as a vehicle fuel at retail as an unregulated service."[63] According to Dr. Klein, if the TRA does not accept his recommendation to treat CNG as an unregulated service, the TRA should put several safeguards in place "to protect regulated ratepayers form subsidizing a profitable service."[64]

Dr. Klein concludes that the provision of CNG by Piedmont should be an unregulated service because the CNG fuel market is not a monopoly, nor does it possess characteristics that would lend itself to regulation.[65] Secondly, subsidizing the Company's retail CNG operations could retard development of the CNG market by giving Piedmont a cost advantage over any other potential competitor.[66] According to Dr. Klein, any shortfall in revenues for Piedmont would be reimbursed by ratepayers up to the CNG capital costs, which would likely discourage the entry of others into the market in Piedmont's service territory.[67]

Dr. Klein's recommendation is that Piedmont's CNG retail business should be unregulated and its *Petition* for a CNG infrastructure recovery mechanism be denied.[68] Further, Dr. Klein recommends that Rate Schedule 342 for retail CNG sales be denied, but Rate Schedule 343 to provide natural gas to customers for resale as CNG should be approved, since it will promote the development of the CNG retail vehicle fuel market.[69]

If the TRA approves Piedmont's *Petition*, as filed, Dr. Klein recommends that safeguards be put in place to protect the ratepayers, since the provisions of the *Petition* shifts recovery of

capital costs to the ratepayer, as well as the risks associated with the CNG operations.[70] Should the operations fail, or generate net revenue and become deregulated, then Dr. Klein testifies that ratepayers should be repaid the amount of subsidies paid with interest.[71] All remaining undepreciated CNG investment should be removed from rate base at that time.[72]

Tennessee Fuel and Convenience Store Association

TFCA's witness, Ron Jones, testifies that the Tenn. Code Ann. § 65-5-103(d) does not allow for recovery of CNG capital costs from regulated Piedmont customers. To arrive at this conclusion, he states the statute does not "specifically permit a regulated utility to offer competing CNG motor fuel services and recover its investment and cost of operations from captive ratepayers."[73] Additionally, Mr. Jones testifies that he reviewed the legislative record to determine if Piedmont's application of the statute complied with the intent of the General Assembly in the passage of the statute. Mr. Jones testifies that based on the record, it is clear that the intent was that regulated utilities not be permitted to subsidize their retail operations with regulated ratepayer funds.[74]

Based on Piedmont's testimony, Mr. Jones concludes that the Company has failed to demonstrate significant benefits accruing as a result of its retail operations to support approval of its *Petition*. According to Mr. Jones, Piedmont conducted little research or analysis to quantify the impact of any benefits to the local economy.[75]

Mr. Jones cites two (2) other relevant statutes that prohibit regulated public utilities from engaging in unfair practices. Tenn. Code Ann. § 65-4-115 prohibits public utilities from engaging

[70] *Id.* at 12-13.
[71] *Id.* at 13.
[72] *Id.*

[74] *Id.* at 8.
[75] *Id.* at 9-10.

in unjust, unduly preferential, or discriminatory practices.[76] Tenn. Code Ann. § 65-4-122 prohibits public utilities from charging different rates to similarly situated customers.[77] Mr. Jones testifies that Piedmont, by its proposal, violates both of these statutes. According to Mr. Jones, Piedmont would recover the capital costs of the CNG operations from captive regulated customers and gain unfair advantage in the retail market by its ability to charge lower rates than could its competitors.[78] As a result, Mr. Jones testifies that CNG customers in its retail market would benefit from higher rates charged to ratepayers who are subsidizing the operations, and because of these unfair practices, Piedmont would have an advantage over any other competitor or potential competitor who may choose to enter the market.[79]

Addressing the public interest criteria, Mr. Jones states the General Assembly provided the policy direction inherent in the legislative language of Tenn. Code Ann. § 65-5-103(d) to use as a guiding principle.[80] Further, Mr. Jones testifies that it is clear that while certain motorists may receive a level of benefits from Piedmont's CNG services, they may or may not be Piedmont natural gas customers.[81] Ratepayers, however, will fund any benefit because Piedmont's infrastructure costs would be funded by commercial and residential users of natural gas.[82] Since the cross-subsidy proposed in the recovery mechanism is prohibited by statute, Mr. Jones concludes that the public interest standard has not been met.[83]

According to Mr. Jones, if the Authority approves Piedmont's *Petition*, certain safeguards for ratepayers should be put in place.[84] These safeguards include (1) develop a cost allocation methodology to transfer gains from the CNG operations to the ratepayers, (2) create a non-

regulated subsidiary for the negotiated transfer of assets after a designated period of time, (3) require filing of Capital Budgets in compliance with TRA Rule 1220-4-1-.01 and prior TRA review of infrastructure costs, (4) shorten the term of the experimental tariff to less than three (3) years, and (5) deny all tariffs that include pricing and/or discounts that are at the sole discretion of the Company.[85] Additionally, Mr. Jones recommends amending the proposed tariffs in this case, to strike provisions that allow Piedmont to determine what rates and discounts should be offered, as these types of decisions should be made by the Authority after proper review and approval.[86]

TFCA's witness, Dr. Scott Carr, provides testimony that evaluates Piedmont's *Petition* in the context of Tenn. Code Ann. § 65-5-103(d) and the public interest requirement. To this end, he addresses whether the CNG fueling operations are a regulated public utility service and whether the Company's proposal would result in cross-subsidization of unregulated CNG operations by its regulated natural gas business. Dr. Carr also looked at the implications of a resulting anticompetitive environment.[87]

First, Dr. Carr concludes that Piedmont's proposal would result in the aforementioned cross-subsidization.[88] Dr. Carr testifies that the CNG services contemplated by Piedmont clearly do not have the characteristics of a public utility.[89] Unlike natural gas distribution, CNG fueling services is a competitive industry.[90] Under Piedmont's proposal, Dr. Carr testifies that rates for Piedmont's natural gas customers would necessarily go up to cover the capital costs of the CNG business so that CNG customers would enjoy a lower rate.[91] According to Dr. Carr, Piedmont does not offer any reasonable justification for this cross-subsidization.[92]

---

[85] *Id.*
[86] *Id.* at 22-23.

[89] *Id.* at 6.
[90] *Id.* at 7.
[91] *Id.* at 7-8.
[92] *Id.* at 8.

In his testimony, Dr. Carr concludes that this cross-subsidization would result in the Company's competitive advantage that is not available to other CNG competitors.[93] Dr. Carr testifies that regulation of the public utility can make predatory pricing easier, which would lead to a reduction of the number of competitors entering the market.[94] Further, Dr. Carr believes that the Company's policy objectives of expanding the CNG market could possibly be achieved through incentives or other governmental or economic mechanisms that would be available to all CNG market participants.[95] Based on his conclusions, Dr. Carr concludes that Piedmont's proposal does not serve the public interest.[96]

FINDINGS AND CONCLUSIONS

Tenn. Code Ann. § 65-5-103(d)(1)(A) empowers the Authority to consider and implement alternative regulatory mechanisms outside the context of a rate case, and upon finding that such mechanisms are in the public interest, allow public utilities to recover certain costs and expenses. Further, Tenn. Code Ann. § 65-5-103(d)(2) provides:

> (A) A public utility may request and the authority may authorize a mechanism to recover the operational expenses, capital costs or both, if such expenses or costs are found by the authority to be in the public interest, related to any one (1) of the following:
>
> (i) Safety requirements imposed by state or federal government;
> (ii) Ensuring the reliability of the public utility plant in service; or
> (iii) Weather-related natural disasters.
>
> (B) The authority shall grant recovery and shall authorize a separate recovery mechanism or adjust rates to recover operational expenses, capital costs or both associated with the investment in such safety and reliability facilities, including the return on safety and reliability investments at the rate of return approved by the authority at the public utility's most recent general rate case pursuant to § 65-5-101 and subsection (a), upon a finding that such mechanism or adjustment is in the public interest.

[93] *Id.* at 12.
[94] *Id.* at 14-15.
[95] *Id.* at 13.
[96] *Id.* at 18-19.

At the regularly scheduled Authority Conference held on February 9, 2015, the panel considered Piedmont's *Petition.* Upon consideration of the record and arguments of counsel, the panel voted unanimously that Piedmont's *Petition* be approved, in part, and denied, in part. Based on the record, the panel made the following findings and conclusions:

1. Piedmont's expansion into the CNG retail market creates a situation where monopoly ratepayers may be required to subsidize a competitive service. Allowing this cross-subsidization, and potentially a lower subsidized rate, would provide Piedmont the opportunity to operate in a competitive market with an unfair advantage over its competitors, and, as stated by the intervenors, would likely create a barrier to entry into an otherwise developing competitive market. The panel found that such cross-subsidization does not serve the public interest and directly conflicts with the intent of the Tenn. Code Ann. § 65-5-103. Thereafter, the panel voted unanimously to discontinue Piedmont's Rate Schedule 342, Natural Gas Vehicle Fuel. The panel noted that it is not prohibiting Piedmont from continuing to operate and even expand its CNG operations. However, such operations will be considered and treated as non-regulated operations for ratemaking purposes and thus, have no impact on regulated operations and ratepayers.
2. The *Petition*, as well as the evidence in the record, clearly indicates that approval of Rate Schedule 318 (CNG IR) would recover from all Piedmont customers, costs incurred to provide CNG service to the public. Consistent with the panel's previous findings for denying Rate Schedule 342, the panel found that the proposed Rate Schedule 318, which is designed to recover future CNG investment, may also result in unfair cross-subsidization of retail CNG services. Accordingly, the panel voted unanimously that the CNG Infrastructure Rider with Proposed Service Schedule 318 be denied. The panel's ruling also eliminates any need for a Conditional CNG Infrastructure Rider Annual Filing.

3. Piedmont acted in good faith pursuant to its approved Tariff Rate Schedule 342 when making the $4.7 million CNG infrastructure investment. Therefore, the panel found that the issue of Piedmont's infrastructure investment should be given full consideration in Piedmont's next rate case proceeding, and Piedmont should have the opportunity to have its CNG investment considered for rate recovery. The panel voted unanimously that the CNG investment be treated similarly to all other investment added between rate cases, and Piedmont will be allowed to make a proposal to include the $4.7 million CNG investment in rate base for recovery in the Company's next rate case.
4. Rate Schedule 343 is experimental for a three-year period, and under this tariff, customers can purchase natural gas from Piedmont and resell it after compression as a motor vehicle fuel. Based on the record, the panel found that approval of Rate Schedule 343 will promote the development and expansion of the retail CNG vehicle fuel market and voted unanimously that Rate Schedule 343 be approved. The panel also directed Piedmont to file at least ninety (90) days before the end of the experimental three-year period, a report on the financial and operational activity under Rate Schedule 343 and a recommendation regarding whether Rate Schedule 343 should be continued, discontinued or modified.

IT IS THEREFORE ORDERED THAT:

1. Piedmont Natural Gas Company Inc.'s *Petition of Piedmont Natural Gas Company, Inc. for Approval of a CNG Infrastructure Rider to Its Approved Rate Schedules and Service Regulations* filed on August 29, 2015 is approved, in part and denied, in part.
2. Piedmont Natural Gas Company Inc.'s Rate Schedule 342, Natural Gas Vehicle Fuel, is discontinued.
3. Piedmont Natural Gas Company Inc.'s Compressed Natural Gas Infrastructure Rider with Proposed Service Schedule 318 is denied.

4. Piedmont Natural Gas Company Inc.'s Compressed Natural Gas investment will be treated similarly to all other investment added between rate cases, and Piedmont Natural Gas Company, Inc. will be allowed to request that the $4.7 million Compressed Natural Gas investment in rate base be included for recovery in the Company's next rate case.
5. Piedmont Natural Gas Company Inc.'s Rate Schedule 343 is approved.
6. At least ninety (90) days before the end of the experimental three-year period for Rate Schedule 343, Piedmont Natural Gas Company, Inc. shall file a report on the financial and operational activity under Rate Schedule 343 and a recommendation regarding whether Rate Schedule 343 should be continued, discontinued or modified.

Chairman Herbert H. Hilliard and Vice Chairman David F. Jones concur. Director James M. Allison concurred in the motion.

			$ 4,738,298.91	Total CNG Plant referred to in Docket 14-00086			
			$ 5,065,960.88	Total CNG Plant included in Plant in Service as of 3/31/20			

** Asset identified during Piedmont's most recent depreciation study

PIEDMONT NATURAL GAS COMPANY, INC.
Docket No. 20-00086
Consumer Advocate's Second Discovery Request
Date Issued: September 23, 2020
Date Due: October 12, 2020

2-68. Refer to the "Accum Dep 3.31.2020" tab of the "QPB Exhibits_6-27-2020" spreadsheet included with the Company's filing that provides the basis for the test period accumulated depreciation of $462,673,218 in Cell Q81. Provide the monthly accumulated depreciation by subaccount segregated between Tennessee Direct Plant and Piedmont Allocated Plant in this same format from May 2011 (the end of the last rate case in Docket 11-00144) through March 2020.

RESPONSE: See the eight attachments herein for the monthly accumulated depreciation balances by subaccount from May 2011 through March 2019.

The monthly accumulated depreciation balances by subaccount from March 2019 through March 2020 are shown in the "Accum Dep 3.31.2020" tab of the "QPB Exhibits_6-27-2020.

Name and Title of Preparer: Cassandra Ramsey, Senior Rates & Regulatory Strategy Analyst

Name and Title of Responsible Person: Quynh Bowman, Director - Gas Rates & Regulatory Strategy

Response provided by Piedmont Natural Gas Company, Inc. on October 6, 2020.
