Re: Tennessee Public Utility Commission, Docket No. 20-00108, *Petition of Tennessee Wastewater Systems, Inc. for Approval to Use Its Escrow & Reserve Funds for Capital Improvements at the Cross Plains Treatment Facility.*

Dear Mr. Ridsen:

Prior to the filing of Tennessee Wastewater Systems, Inc.'s (TWSI) petition in this Docket, the Consumer Advocate had an opportunity to express its concerns to TWSI. With the most recent clarification on a remaining issue addressed by the most recent filing, the Consumer Advocate is satisfied that the issues it raised to TWSI have been addressed.

The Consumer Advocate appreciates the opportunity to have discussion regarding its concerns prior to the initial filing by the Company and the continued discussions that occurred after the Docket was opened. If you have questions regarding this request, please contact me at (615) 741-2370.

Respectfully,

Karen H. Stachowski
