**Re: Docket 20-00109, Updated Documents to Exhibit 2.1 for Petition of Superior Wastewater Systems, LLC for a Certificate of Convenience and Necessity Amendment to Provide Wastewater Service to the Fox Parcel in Williamson County**

Ms. Lawless:

Attached are letters from Williamson County and Milcrofton Utility District declining to provide wastewater service to the Fox Parcel. These documents replace the previous items we provided with Exhibit 2.1 of our original filing dated September 9, 2020. For the Milcrofton Utility District letter we have included a copy of a resolution from the District's Board of Commissioners stating that they do not desire to provide wastewater services within their boundaries.

Please contact me if you have any questions or need additional information.

Respectfully submitted,

  
John Powell, President

**Re: Sewer Request for Property at:  
2193 Osburn Road, Arrington, TN  
Tax Map 109 & 86, Parcels 4.07 & 4.06**

Mr. Fox and Ms. Hicklen:

On September 9, 2020, Williamson County received your request that sewer service be provided to the above-named property. In response to your inquiry, this correspondence confirms that Williamson County Government does not currently provide public sanitary sewer service to this property and has no plans in the foreseeable future to provide said service.

I hope this information is helpful. Should you need anything further, please do not hesitate to contact me.

Sincerely,

Rogers C. Anderson  
County Mayor

## RESOLUTION

---

Whereas, a representative of On-Site Systems, Inc. appeared before the District's Board of Commissioners and requested that the Board consider taking over the operation of a low-pressure pipe wastewater disposal system for a proposed subdivision within the District's boundaries; and

Whereas, the District has never been involved in the wastewater business and has no desire to engage in the wastewater disposal or treatment business;

NOW THEREFORE, BE IT HEREBY RESOLVED by the Board of Commissioners that the District does not desire to enter into the wastewater disposal business within its boundaries at the present time and will not agree to takeover the operation of any system installed by On-Site Systems, Inc. for any subdivision within the District's boundaries.
