DATA REQUEST

On September 9, 2020, Superior Wastewater Systems, LLC (“Superior Wastewater”) filed with the Commission a petition to expand its service territory to include the Fox Parcel in Williamson County, Tennessee (Docket No. 20-00109). According to maps on file with the Commission and Superior Wastewater’s State Operating Permit with TDEC, it appears the proposed service area in Superior Wastewater’s petition may be located within a portion of the Milcrofton Utility District. According to Commission records, Tennessee Wastewater Systems, Inc. (“TWWS” or “Company”) was granted a certificate to provide sewer service within a large portion of the Milcrofton Utility District service area in Commission Docket No. 97-01393.¹

1. Please state whether the Fox Parcel is within the service area granted to TWWS. If so, please specify and reference such authority.
2.
 - (a) If the Fox Parcel is within TWWS’ certificated service area, please state whether the Company is providing service within this parcel.
 - (b) If TWWS is not serving this parcel, please state whether the Company has the requisite facilities in place to provide sewer service to this area.
 - (c) If TWWS is currently capable of serving this area, identify all existing facilities that are in place, along with any additional infrastructure that would be needed to provide service.
 - (d) State whether TWWS has acquired the necessary easements, sufficient land and all other necessary local and state approvals to serve the Fox Parcel.
3. In the event that the Fox Parcel is within TWWS’ certificated service area and TWWS is not serving, or is unable or unwilling to serve this parcel, state whether the Company will relinquish the parcel from its service territory.
