**Re: Hudson Fiber Network, Inc. Notification of Intent to Operate Pursuant to Market Regulation**

Dear Ms. Lawless:

On behalf of Hudson Fiber Network, Inc. ("HFN"), this letter advises the Tennessee Public Utility Commission ("TPUC") that HFN elects to operate under market regulation pursuant to T.C.A. Section 65-5-109 enacted in May 2009. In Tennessee, HFN is authorized to provide competing local exchange and interexchange telecommunications service by an Order issued in Docket No. 19-00087 on December 30, 2019. Since HFN does not provide switched access services, it will not file or maintain tariffs with the Commission.

Pursuant to the Amended Notice of Docket Filing Procedures During State of Emergency for Coronavirus COVID-19 dated March 31, 2020, an original of this notice is enclosed for filing. An electronic copy is has also been filed by email. Please date-stamp and return a copy in the enclosed envelope. Please contact the undersigned if you require additional information.

Respectfully submitted,
